A man's first love, like his first pipe, makes him sick to think of.

Sturdy vagrant—"Bless yer, sir, don't refuse a poor feller a bite."

Hard-headed householder—"By no means. Hi! Ponto!"

Rapid exit of vagrant—*Funny Folks.*

Workingmen will economize by employing Dr. Pierce's Medicines. His "Pleasant Purgative Pellets" and "Golden Medical Discovery" cleanse the blood and system thus preventing fevers and other serious diseases, and curing all scrofulous and other humors. Sold by druggists.

School committeeman (examining a scholar): "Where is the North Pole?" "I don't know, sir." "Don't know! Are you not ashamed that you don't know where the North Pole is?" "Why, sir, if Sir John Franklin, and Dr. Kane, and Captain De Long couldn't find it, how should I know where it is?"—*Ex.*

Can a man marry his deceased wife's sister in any part of America?—*Englishman.* Not unless the sister is willing, and as a general thing she isn't. She knows him too well.

An aqua tint by the *Marathon Independent* artist: "We washed our office windows last Wednesday afternoon, and if we don't catch cold are going to wash our towel the week after next."
