

entered by a party of white men—I dare not say Americans—under the command of two of the officers of the filibuster army. The trunks of clothing and small household treasures of the women were burst open and robbed, and the house itself despoiled of every thing that could be carried away.

ORIGINAL ANECDOTES OF BURNS.—As Lords Crawford and Boyd were one day walking over the lands in Ayrshire, they saw Burns ploughing in a field hard by. Lord Crawford said to Lord Boyd, "Do you see that rough-looking fellow across there with the plough? I'll lay you a wager you cannot say anything to him that he will not rhyme of."

A celebrated lecturer upon natural philosophy was one evening dilating upon the powers of the magnet—defying any one to name or show anything surpassing its powers. An old gentleman accepted the challenge, much to the lecturer's surprise, but he nevertheless invited him on to the platform, when he told the lecturer that woman was the magnet of magnets—for, if the loadstone on the table could attract a piece of iron for a foot or two, there was a young woman, when he was a young man, used to attract him thirteen miles every Sunday to have a chat with her.

Dentists as well as apothecaries meet with queer customers at times. A man not long since called on a distinguished dentist and wanted to have some cavities in his teeth filled up. The doctor examined his teeth carefully, and told him he did not see any cavities; but he must needs look again, for the man was confident there were several. The doctor looked again, and went away. A week or so after they met each other, and he asked about those teeth. "Oh," said the man, "what's this name over here filled them for me; he found four holes—pretty large ones, too. I knew they were there." "Ah," replied the doctor, "I looked very carefully, and did not find any." "Well," said he, "he didn't find them till he drilled a spell."

SONG BY A CAGED BIRD.  
The following lines were found in the cell of a discharged convict who found way into a chaplain's heart by piety, and subsequently, into a Jeweller's shop by burglary. The spirit that dictated such an irreverence with Dr. Watts is worthy of the author—

I cannot take my walk abroad,  
I'm under lock and key,  
And much the public I applaud,  
For all their care of me.

Not more than paupers I deserve,  
In fact, much less than more,  
Yet I have food while paupers starve,  
And beg from door to door.

The honest pauper in the street,  
Half naked you behold,  
While I am clothed from head to foot,  
And covered from the cold.

While honest paupers scarce can tell,  
Where they may lay their head,  
I have a warm and well sized cell,  
With bath-room, gas and bed.

While paupers live on workhouse fare,  
A gruelled and scanty meal,  
My table's spread with bread and beer,  
And beef, or pork, or veal.

Then since to honest folks, I say,  
They put the workhouse test,  
Why mix my doll palls, fake away,  
You'll like the jug the best.

GENEALOGY AND THEIR DEBTS.—The late Rev. Dr. Sutton, Vicar of Sheffield, once said to the late Mr. Peech, a veterinary surgeon, "Mr. Peech, how is it you have not called upon me for your account?" "Oh," said Mr. Peech, "I never ask a gentleman for money." "Indeed," said the Vicar, "then how do you get on if he don't pay?" "Why," replied Mr. Peech, "after a certain time I conclude that he is not a gentleman, and then I ask him."

ANOTHER CASE OF FEVER AND AGUE CURED.  
A few days ago we recorded an astonishing cure of Fever and Ague by the use of Dr. McLane's Liver Pills, prepared by Fleming Bros., Pittsburgh, Pa. We have now another to mention, viz: that of Mr. James Sharpe, of Madisonburgh who states that he had labored under a very severe attack of Ague and Fever, and was soon restored by the use of these Pills. Mr. Sharpe also expresses an opinion, founded on observation, that the Liver Pills are the best for bilious complaints ever offered in his section of country.

Although long known as a sovereign remedy for chronic cases of Hepatic derangement, or diseases of the Liver, the proprietors, Fleming Bros., of Dr. McLane's Pills, were not prepared for the frequent, but gratifying evidences of its general utility and curative capacity. In this respect, this invaluable medicine has exceeded their most sanguine expectations, and induced them to hope that it will be introduced into every family in the United States.

FOR SALE,  
PARK LOT No. 2, adjoining the flourishing TOWN of PERTH, the Capital of the County of Lanark, Upper Canada.  
This Property, the residence of Anthony Leslie, Esquire, consists of TWENTY-FIVE ACRES of rich LAND, in the highest state of cultivation, well fenced, and planted with Ornamental Trees. The COTTAGE and OUT-BUILDINGS are in good order; and it is in every respect such a situation as would please a gentleman in want of a genteel and handsome property.  
The owner has spared no expense, during the last twenty-six years, to bring it to its present high state of comfort and beauty, and will be ready to treat with persons in want of such a place, on the most liberal terms. For further particulars enquire by letter, or by calling on the proprietor at Perth.

THE BUILDINGS AND FENCES COST £1,000. There are above 5,000 Trees, and of these 150 are great beauties, and may be well rated at Ten Dollars each. It has taken twenty-six years' care to bring them to their present perfection—many of them no person with the smallest taste would remove if offered Sixty Dollars each. Great pains have been taken in laying out the grounds.  
Had I complied, as frequently urged, to dispose of Building Lots, I might have sold them at the rate of £500 per acre.  
Judge Malloch, on the opposite side of the Street, has sold five Building Lots, one-fifth of an acre each, at £100 the Lot.  
What I expect to obtain for the Property is at the rate of £100 per Acre. I invite persons disposed to purchase to make their offers.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.  
BRIMFIELD, MASS., 20th Dec., 1855.  
DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.  
EBEN KNIGHT, M.D.

A. B. SHORTLEY, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."  
Springfield, Mass., Feb. 7, 1856.  
ANOTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our friends.  
HIRAM CONKLIN, M.D.

AMOS LEE, Esq., of Worcester, Mass., writes: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief, finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."  
Asthma or Phtisic, and Bronchitis.  
WEST MANCHESTER, Pa., Feb. 4, 1856.  
SIR: Your CHERRY PECTORAL is the most successful remedy in this section. It relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.  
HENRY L. PARKS, Merchant.

A. A. FARMER, M. D., of Union, Mo., writes: "I have used your CHERRY PECTORAL for many years. I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."  
We might add volumes of evidence, but are the most convincing proof of the virtues of this remedy is found in its effects upon trial.  
Consumption.  
Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to these the CHERRY PECTORAL affords relief and comfort.  
ALTON HORSE, New York City, March 5, 1856.  
DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily sinking, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calms herself well. Yours, with gratitude and respect,  
ORLANDO SHELLEY, of SHELLVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—*Trudeau's Medical Ledger.*

Ayer's Cathartic Pills.  
THE sciences of Chemistry and Medicine have been tried their utmost to produce this best, most perfect purgative, which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they will unexpectedly upon the system of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of fraud. Many eminent chemists and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute importantly to the relief of my afflicted, and bring forth testimonies. The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—  
Constiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Colic, Intention of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Catarrhus Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.  
Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
