

The Inland Revenue Department having recently adopted regulations permitting distillers to bottle "in bond," under the supervision of an officer, the product of their own distilleries, we are now enabled to offer the public our

FINE OLD WHISKIES

bottled in accordance with these regulations, and each bottle bearing Excise Officer's certificate as to age of contents. This gives the consumer a perfect and indisputable guarantee as to age, which cannot be obtained in any other way. We are now bottling our celebrated

CLUB WHISKEY OF 1879

And our Old Rye Whiskey of 1879, 1880, and 1883, which can be had of all dealers. See that every bottle has our name on capsule and cork, and has Excise Certificate over capsule.

TESTIMONIALS.

MONTREAL, QUE., Nov. 15th, 1883.
I hereby certify that I have analyzed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Company, and I find it composed, as represented, of *Refined Metallic Zinc*, of a very superior quality to sheet zinc, and almost absolutely pure. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and *indefinite durability*.

WHAT IS CATARRH?

From the Mail (Can.) Dec. 15.

Catarrh is a mucous-purulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of uræmia, the germ poison of syphilis, mercury, toxæmia, from the retention of the effeted matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness, usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death.

Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue.

Some time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers,

and inclose stamp for their treatise on Catarrh

What the Rev. E. B. Stevenson, B.A., a clergyman of the London Conference of the Methodist Church of Canada, has to say in regard to A. H. Dixon & Son's New Treatment for Catarrh.

Oakland, Ont., Canada, March 17, '83.
Messrs. A. H. Dixon & Son:

DEAR SIRS,—Yours of the 13th instant to hand. It seems almost too good to be true that I am cured of Catarrh, but I know that I am. I have had no return of the disease, and never felt better in my life. I have tried so many things for Catarrh, suffered so much and for so many years, that is hard for me to realize that I am really better.

I consider that mine was a very bad case; it was aggravated and chronic, involving the throat as well as the nasal passages, and I thought I would require the three treatments, but I feel fully cured by the two sent me, and I am thankful that I was ever induced to send to you.

You are at liberty to use this letter stating that I have been cured at two treatments, and I shall gladly recommend your remedy to some of my friends who are sufferers.

Yours, with many thanks,

REV. E. B. STEVENSON.

Ruskin's Works \$600 reduced to \$18

Illustrated LIBRARY EDITION.

An edition worthy of RUSKIN,—peerless as he is among living Masters of the English Tongue and of Universal Art,—and, also, by reason of its small cost, is within the reach of every cultured home.

We have paid \$600 in cash for one complete set of RUSKIN'S Works—some of them being very scarce, and the early editions containing the best impressions of the fine illustrations and many colored plates, being very highly valued by connoisseurs—in order that with the best modern resources of the printers' and engravers' arts, we might reproduce an American edition thoroughly satisfactory to admirers of RUSKIN, and yet at a low price.

We count this publication as the most honorable—the grandest—achievement of *The Literary Revolution*, and rejoice greatly that we are able to offer this magnificent edition to the American people; and we glory not more in the author and the treasures he has given us, than in the fact that there is a great and growing American constituency that appreciates RUSKIN.

The edition we present will be complete in 15 vols., crown octavo. It will contain ALL the writings of RUSKIN which are of more than transient or local interest—will contain ALL that is included in any other American edition heretofore published, and nearly 3,000 pages additional. Numerous illustrations, including many fine colored plates, will be presented, far greater in number and much superior in quality to other American editions which have heretofore cost many times the price of this.

Ruskin's Select Works.

Though all admirers of RUSKIN will, of course, desire his complete works, if it is possible to procure them; yet by reason of their magnitude and consequent comparatively high cost they may be temporarily out of the reach of some. To meet the wants of such customers we shall publish an edition of his "Select Works" separately in eight volumes, for the net price of \$9.60 for the set. The "specimen volume" mentioned below will be included in this set. For further list of the contents see specimen pages.

tomers we shall publish an edition of his "Select Works" separately in eight volumes, for the net price of \$9.60 for the set. The "specimen volume" mentioned below will be included in this set. For further list of the contents see specimen pages.

A SPECIMEN VOLUME.

The entire set of 15 volumes will be ready not later than August 1, 1885. It will be sold only in sets (and select works as below), at the price of \$18.00—with this exception: To make widely known the superb qualities of the work, we propose to offer, separately, ONE SAMPLE VOLUME containing four of Ruskin's most popular works, namely:

- The Seven Lamps of Architecture.—Finely Illustrated.
- Lectures on Architecture and Painting.—Illustrated.
- The Queen of The Air.
- The Ethics of The Duet.

All of these are bound in one handsome crown octavo volume, fine cloth, beveled boards, gilt tops, uniform with the set. This volume is NOW READY. On condition that the order is received on or before June 1, 1885, we will sell this volume (only) at the reduced price of 85 cents—15 cents extra if ordered by mail. Purchasers of this volume will be allowed, of course, to complete their sets, but not at this reduced rate.

Specimen PAGES FREE. A copy of the April number of *The Book-Worm* (monthly 25 cents a year), which contains a specimen chapter from Ruskin's graphic pen, sent free on request.

Fair Terms. Books not under \$5.00 in value are sent to anyone for examination before payment on reasonable evidence of good faith. 148-page illustrated and descriptive Catalogue of our immense list of Standard Books sent for 4 cents. Mention this paper.
