

## CEN-TU-RY, CEN-TU-RY, C-E-N-T-U-R-Y!

In with, and through with, and out with old "Century?"  
 Hey! boys and girls, we've been here for four years:  
 Now as we part again, part, but in friendship—  
 Quaff we the cup, and then all give *three cheers!*

Cheer again! Once again! Cheer for old "Varsity!"  
 Cheer for the men who have gone out before!  
 Cheer for our followers! Cheer for our classmates!—  
 May we all meet after life's battle-roar. —T.

## SPORTS

## THE ASSAULT-AT-ARMS.

The programme of events at the Assault-at-arms this year is particularly good. The first on the programme is the tug-of-war between the different years and colleges, followed by a pig-a-back wrestle. Both of these events are most exciting, and stir up considerable interest in the colleges which the competitors represent. In the Bayonet v. Bayonet there will be two of our own men this year, trained by Inspector Williams, namely, Biggs and Gander. The class will appear several times, giving exhibitions of work

on the vaulting horse, another on the parallel bars, another on the flying trapeze, which is entirely a new event, and finally on the horizontal bars. Staff-Sergeant Campbell, of the 48th Highlanders, who delighted the audience last year with his Highland dances, will also be present again. But perhaps the event of most general interest is the fencing for the Inter-College Championship. This will take place between a representative from Varsity, and a representative who is to come up from the Royal Military College at Kingston. For this event a handsome gold medal is awarded. Teams from Varsity and from the School of Science will also contest in fencing in a cockade fight, and finally in a cock-fight, the latter being quite a new feature in Varsity. Handsome badges will be presented to those taking part.

## LACROSSE CLUB.

Manager Hanley has made arrangements for gymnasium work to commence about the first of April. All those who intend to play the game are requested to hand in their names to him as soon as possible. The tour this year promises to be better than ever, and there are still several vacancies on the team.

## My Escape from the Boers

The Exciting Experiences of a  
Canadian Medical Missionary

By F. J. LIVINGSTON, B.A., M.D.

Paper, - - 20 Cents.

Dr. Livingston here tells of his capture by the Boers last October, and his remarkable escape from them, accompanying this with a brief historical sketch of South Africa, and a terse recital of the causes of the present war.

He gives, also, most interesting descriptions of the Boers as he found them in the course of a residence of nearly five years in that part of the Dark Continent. The pen picture of Ladysmith and its vicinity is most interesting.
