ARTICLE II

1. In order to realize the objective of this Convention the Contracting Parties shall establish and maintain the International North Pacific Fisheries Commission hereinafter referred to as "the Commission".

2. The Commission shall be composed of fifteen national representatives, consisting of not more than four members appointed by the governments of the Contracting Parties and eleven elected members.

3. Each national section shall have one vote. All resolutions, recommendations and other decisions of the Commission shall be made only by a unanimous vote of the five national sections, except when under the provisions of Article III, Section 1 (c) (ii) only two participating national sections
