PREFACE

This volume covers working papers tabled in the Ad Hoc Committee on Chemical Weapons (AHCCW) during its 1990 sessions from 30 January 1990 to August 1990. Also included are working papers from the intersessional meetings of the AHCCW which took place from November 1990 to January 1991. The volume is compiled to facilitate discussions and research on the issue of Chemical Weapons.

Not all numbered working papers from the AHCCW have been reproduced here. Some papers were also tabled in plenary and given a CD/number. These can be found in the appropriate annual volumes for plenary official documents (WP). Other papers were of such transitory importance (relating mainly to procedural matters) that they have not been reproduced.

Note that the index is a chronological listing while the documents themselves are arranged in numerical order by CD/CW/WP number.
