
Acknowledgements

The authors would like to acknowledge the helpful comments provided by the staff of the Verification Research Unit of the Arms Control and Disarmament Division of External Affairs and International Trade Canada, especially those of Mr. Alan Crawford and Mr. Jeff Tracey, as well as those of Mr. John Dendy of the Political Assessments Division.

Another valuable contribution was made by three officers of the Ontario Provincial Police; Superintendent K. R. Turriff (Director of the System Support Branch), Inspector D. J. Olinyk (Field Coordination Branch), and Mr. J. F. Hinds (Manager, Forensic Identification Services). The authors also thank Mr. Christopher Cushing of the Canadian Institute for Strategic Studies for his helpful research.
