

APPENDIX E: Sources Used for This Study

Magazines and Newspapers

- Alcohol Week*, "New Fuels Report", March 15, 1993
American Demographics, July 1990
Business Week, July 13, 1992
C&EN, "Pollution Reduction", November 16, 1992
Chemical Processing, 1993.
Chemical Engineering, "Waste Water" and Buyer's Guide, November 1992
Chemical Engineering Plant Locator
Chemical Engineering Progress, "Wastewater Treatment: How, What, and Why Me?", September 1992.
City and State, "Houston Goes With Bins, Not Bags", February 24, 1992.
Construction Dimensions, "Meeting EPA's Clean Air Standards in Office Design", November 1992.
ASC Environmental Buyers' Guide, 1992.
ECON, "Water/Wastewater Markets on Growth Surge", "Recession Slows UST Market Demand", "It Looks Like a Good Year for the Industry", "The Asbestos Industry Is Not Dead", "America's Drinking Water Crisis: The Real Issue Is Money", January 1993; "Market for Air Pollution Monitors and Monitoring Systems to Grow Rapidly", "Soil Recycling Becoming Big", "How to Stop Spending Money on Groundwater Remediation", February 1993.
ENR, "Environmental Market", February 15, 1993; Environmental Government Projects Issue, April 12, 1993;
Environmental Business Journal, "Recyclers Seek Stable Markets", February 1992; "1991 Wake-Up Call", April 1992; "Steady Growth in Instrumentation", August 1992; "Executive Summary", December 1992.
Environmental Engineering, "Buyer's Guide", November 1992.
Environmental Lab 1993 Publication Profile.
Nutter, McClennen & Fish Environmental Report, March 1993.
Recycling Coordinator, April 1993.
Environmental Waste Management Market List and Product Categories, 1993.
Waste Age, "Municipal Waste Combustion in North America: 1992 Update", November 1992.
Pollution Engineering, "Solid Waste Spending Will Accelerate in the Next Five Years", "Top Products", and "Conducting An Air Emissions Inventory", "New Environmental Initiatives Likely Under Clinton", March 15, 1993.
Do-It-Yourself Retailing, "Environmental Wake-Up Call", April 1993.
Environmental Testing & Analysis, "Riding the Roller Coaster", January 1992.
Environmental Protection, "Minimizing Emissions at Hazwaste Sites" and "UST Inventory Audit Curbs Cleanup Costs", January 1993.
Waste Tech News, "1991-92 Years of Challenge..." and "Full Clean Air Act Worth Up to \$70 Billion More to Industry", November 16, 1992.
Environment Today Market Facts, March 1993.
Inside E.P.A. Weekly Report, October 23, 1992.
Waste Dynamics of the Northeast, April 1993.
Airport Magazine, "Recycling the Circular File", July/August 1992.
