

By unanimous consent, on motion of Mr. Asselin, seconded by Mr. Moreau, the said Report was concurred in.

Pursuant to Standing Order 39(4), the following four Questions were made Orders of the House for Returns, namely:

No. 931—*Mr. Stefanson*

1. What buildings have been erected by the federal government, with the cost of each, between June 21, 1957 and April 22, 1963, on the following Indian Reservations: Fisher River, Peguis, Lake Manitoba, Little Saskatchewan, Lake St. Martin, Jackhead, Grand Rapids and Norway House?

2. What federal government buildings are planned for these reservations this year?

No. 1,179—*Mr. Rhéaume*

1. What is the capital investment of the Northern Canada Power Commission in each of the following locations in the Northwest Territories (a) Fort Smith (b) Fort Simpson (c) Inuvik (d) Fort McPherson (e) Aklavik?

2. What are the annual operating costs for the past three years of the stations (a), (b), (c), and (d) above?

3. What were the annual revenues from all sources for each of the stations listed in part (1) under the following headings (a) sale of electricity (b) sale of heat (c) sale of water and sewage services (d) other?

4. For each of the categories in part (3), what revenue was received from government agencies, and what revenue came from private persons and businesses?

5. What is the present charge to the consumer in each of the above settlements for electricity per kilowatt hour in each of the following categories (a) commercial rates (b) private consumer?

Mr. Laing, a Member of the Queen's Privy Council, presented,—Return to the foregoing Order.

No. 1,233—*Mr. Nielsen*

Has the government received any representations for the improvement of the airport at Mayo in the Yukon Territory and, if so, from whom were such representations received, and what action is intended by the government in respect thereto?

Mr. Pickersgill, a Member of the Queen's Privy Council, presented,—Return to the foregoing Order.

*No. 1,251—*Mr. Herridge*

1. What are the latest estimates of Canada's share of downstream power benefits under the Columbia River Treaty (a) by year (b) by capacity, and (c) by energy, for the first 60 years from ratification (assuming 1964) attributable to (i) Mica Creek (ii) Duncan Lake (iii) High Arrow?

2. By whom were these estimates prepared?

3. If the answer to 2 is not a Canadian authority, has any Canadian authority prepared similar estimates independently?

Mr. Martin (Essex East), a Member of the Queen's Privy Council, presented,—Return to the foregoing Order.
