● (5:20 p.m.)

**Mr. Macdonald (Rosedale):** On a point of order, Mr. Speaker. There have been some discussions concerning the particular committee to which this bill should be sent. I think there might be agreement to an amendment deleting the reference to the Standing Committee on Finance, Trade and Economic Affairs and substituting therefor the Standing Committee on Health, Welfare and Social Affairs. In these circumstances I should like to propose, seconded by my colleague the Minister of Energy, Mines and Resources (Mr. Greene):

That all the words after "referred" be deleted and the following substituted therefor: "to the Standing Committee on Health, Welfare and Social Affairs."

Motion agreed to.

**Mr. Pepin moved:**

That Bill C-163 to provide for the establishment of a Standards Council of Canada be read the second time and referred to the Standing Committee on Health, Welfare and Social Affairs.

**Mr. Speaker:** Is it the pleasure of the House to adopt the said motion?

**Some hon. Members:** On division.
