CANADA POST CORPORATION

ESTABLISHMENT OF POST OFFICES IN DRUG STORES

Mr. Cyril Keeper (Winnipeg North Centre): Mr. Speaker, I want to direct a question to the Government. It concerns the Post Office. Is the Government aware that in the inner cities of places like Winnipeg and Hamilton, senior citizens who live next to a post office must go to a drug store post office eight blocks beyond that post office, or take a bus past the post office next door in order to get their parcels and registered mail? Is that what the Government means by convenience when it establishes post offices in drug stores? Why must people go beyond the post office next door? When will it deliver decent postal service in this country?

Hon. Don Mazankowski (Deputy Prime Minister and President of the Privy Council): Mr. Speaker, without in any way accepting the premise of the question, I will take it as notice and ask the Hon. Minister to get back to the Hon. Member, hopefully this afternoon.

Mr. Speaker: I regret to advise the Chamber that the time for Question Period has expired.
