Dear Sir Arthur:

At the request of M. J.L. Morin we are forwarding to you proof of an article, Le Canada et la Guerre, as it will appear in an edition of L'Encyclopédie de la Jeunesse especially adapted for Quebec.

M. Morin has made the translation of this article from the English as it stands in our recent edition of THE BOOK OF KNOWLEDGE. We are pleased to present it to you, as we feel that the translator has succeeded admirably in carrying over into the French the spirit of the original.

Sincerely yours,

THE GROLIER SOCIETY
