were in fair volume and there was no further change for cattle since Monday, but the feeling is very firm at the advance in prices noted then. Local buyers bought freely and a moderately active trade was done. There were no choice steers and the top price realized for the best was \$8 and the lower grades sold from that down to \$6, while butchers cows brought from \$5.25 to \$7 and bulls from \$5.25 to \$ \$6.50 per hundred.

Small meats steady with a good cemand for all lines and an active trade was done. Lambs sold at \$9 to \$10 and sheep from \$5.25 to \$6 per nundred while calves brought from \$1.50 to \$10

each.

A weaker feeling developed in the market for hogs, and inside prices were reduced 50c per cwt. with sales of selected lots at \$9.50 to \$10 per cwt. weighed off cars.

Western Division Regatta Next Week Suckling & Co.

A meeting of the western division of the C.C.A. was held last evening at 34 Victoria street. The following were present: Commodore R. F. Wilson, Jas. J. Dolan, A. Ireland, E. Norrie, A. C. Scott, M. Durand, G. Ward, M. Langridge, F. Jeffrey and Charlie Evans.

The Lakeside Aquatic Club were admitted to the Canadian Canoe Association by a unanimous vote. This is an entirely new club from the Humber Bay Club, and they already have some very promising paddlers. Mr. R. F. Wilson was appointed referee for the western division regatta in place of C. Hoare, who found it inconvenient to act.

It was decided to hold the western divisional regatta on the Toronto Canoe Club course, on Saturday afternoon, July 24, as it was too late to complete ar-

club course, on Saturday afternoon, July 24, as it was too late to complete arrangements and get the course at St. Catharines in shape. A vote of thanks was passed to the C.A.A.O. for their kindness in offering the Henley course to the C.C.A., and for their kindness in offering the Henley course to the C.C.A., and for their kind offer to help the canoeists in every way possible towards making their regatta successful at St. Catharines in the event of their deciding on the Henley course.

Prospects are very bright for a very successful regatta. Despite the inroads on all crews on account of the war, the young material have been brought out, who are more than making good, and the crews are much faster in Toronto this year, and should give a good account of themselves at the Canadian championships in August, when they meet the cream of the eastern and northern divisions.
