

inquiry before even that reason, & ascertain how far it will go in that case
as to the said old bridge or bridge now standing, & if so, what did you
do with that bridge, and what you have done with that bridge, and what
BY-LAW NO. 12,
*To close the Road formerly surveyed by William McMillan, Esq., D. P. S., across
part of Lot No. 32, in the Fifteenth Concession of London, and to
authorise the removal of the Bridge erected thereon.*

[PASSED APRIL 17, 1850.]

WHEREAS two Bridges have been erected across the River Lynn [known as Siddle's mill creek], within a few rods of each other; the one on the township line, (the proper road allowance,) and the other on the line surveyed by Mr. McMillan, as above stated.

Be it therefore enacted, by authority of the Municipal Council of the Township of London, that the last mentioned Bridge be taken down, and removed to such place as the Councillor representing St. David's Ward may think proper, the expense of such taking down and removal to be defrayed by the section in which it may be erected.

And be it further enacted, that the line of road through Lot No. 32, in the 15th Concession of London, aforesaid, shall and may be closed forthwith, and the land formerly used, and now used as such road, shall revert to the owner or occupier of Lot No. 32, on the 15th Concession aforesaid, and shall form part of such Lot as if it had never been detached therefrom.

And be it further enacted, that nothing in this By-Law shall prevent John Siddle from increasing the height of water in his mill pond, or make him liable for damages, should the Road or Bridge be injured by such increased height of water.

FREEMAN TALBOT, Township Reeve,

WILLIAM TAYLOR, Clerk.

BY-LAW NO. 13.

To regulate the Duties and Fees of Pound Keepers in the Township of London.

[PASSED APRIL 17, 1850.]

WHEREAS it is expedient and necessary to regulate the duties and Fees of Pound Keepers, in the Township of London.

Be it therefore enacted, by authority of the London Township Council, that each Pound Keeper shall provide a good and commodious Pound, properly fenced, and supplied with water, wherein he shall safely keep all such horses, cattle, sheep, swine and other animals, as may be committed to his charge.

And be it further enacted, that in the event of any parties claiming damages for trespasses committed by any horses, cattle, sheep, swine, or other animals (not prohibited from running at large, by By-Law No. 14), so impounded, it shall be the duty of the Pound keeper, within forty-eight hours after having impounded any such animal, to notify three disinterested freeholders, to appraise the damages complained of; and also to judge of the efficiency of the fence enclosing the grounds
