Peterboro repeats in the Ontario District Cup finals, winning the closing game of the competition from Palmerston rather easily. P. E. They're off at Winnipeg, with Ontario rinks having their share of success. The first victory reported was that of R. B. Rice of Queen City, who landed his first game in the Dingwall.

George H. Gooderham, M.L.A., interviewed yesterday in regard to the many statements given out to the effect, that he was building a boat from the design of George Owen, late of Hamilton, now of Boston, and that the boat would be sailed by Mr. Norman and Mr. Leys Gooderham (two of his nephews), said: "As a matter of fact, the boat is being built in Boston, and is expected to be here about the first of May, but I am building her for my two sons, Dean and Henry, and I hope to make two good sailors out of those boys, and, when the racing takes place, you will probably see one of my boys sailing the boat and me taking the position on board as ballast."

Fearing that the following, which is going the rounds, may be missed by the Toronto public, it is up to us to print it: Zbyszko thinks Hackenschmidt is a four-flusher, and Hack thinks Zbyszko is a four-flusher, and the public think they are both right.

Orient writes: "Is the Perelli, who is to meet Gotch in our end of the town, the same who worked with the champion in Montreal two years ago, as per the statement of Referee Baker in your paper? If so, they should be qualified to give a classier exhibition than Hack and Doc, as the latter two have only been traveling together this season, to my knowledge."

The local artist who infers that the wrestlers fake, and that the public gets it in the neck, wants to look out, as he is liable to have his pass taken up at Riverdale Rink.

"It's hard for a youngster to break into fast company," says Chief Meyers, the Giants' star catcher. "When I got my first professional engagement with Harrisburg in the Tri-State League. I went their eroommended by Tom McCarthy, the old Boston star. Nobody met me at the train, and I arrived at the ball park unannounced. I hunted up the manager, Billy Hamilton, who simply told me to put on a uniform. As I didn't own a bat or glove, I thought I trouble words both, but I soon learned that I couldn't do that, for the moment I tried to pick up a bat I was called a bush leaguer," and was told to drop it. There wasn't a kind ward from anybody, and I sat on the bench for elevendays, forlorn and discouraged. Finally I was sent up to bat in a pinch, and I knocked out a two-bagger. It was the beginning of my diamond career, and served to keep me in baseball. If I had fanned, the chances are they would have sanned me, and I would have quit the game for good."

Peterboro's final victory a year ago was over the Toronto Granites, their majority being a lot larger than this time. The junior champions had margins on both rinks then, tho the skips were not the same. Lang was third for Foote, who beat Art Dalton 23 to 10, while Fitzgerald won from Hall O'Hara 15 to 10. Butler Yeats is a new comer, and the repeat shows that Peterboro is to be counted upon in future competitions. With some of these juniors promoted they are likely to stop Lindsay in the Tankard primat the helm, played in the final two years ago, losing to Galt Granites by 49 to 33.

They're off at Winnings with Octavia.

WINNIPEG, Feb. 8.—Prophecies as to the strength of the visiting rinks at the twenty-third annual bonspiel were proved correct to-day when the big eastern and southern aggregations won out in the opening draws of the Dingwall and Tetley Tea competitions. Flavelle of Lindsay was the only one between two final tree points and Tetley Tea competitions. Flavelle of Lindsay was the only one Dingwall by Ald. Gowler of Winnipeg in the McLaren.

Rice and Rennie from Toronto, Gilles of Brampton, and Ament of Seaforth are all curling strong, the Rennie was forced to count out on the last end to beat the Dundas rink from Francis. The American boys showed class from the first draw. Sam Hastings had a narrow escape in the first draw of the Dingwall, but emerged a winner by one point. Orde won his first game, and Bob Dumbar made Spillette quit long before the twenty-third annual bonspiel were proved correct to-day when the big eastern and southern agrees at the twenty-third annual bonspiel were proved correct to-day when the big eastern and southern pagregations at the twenty-third annual bonspiel were proved correct to-day when the big eastern and southern pagregations to the twenty-third annual bonspiel were proved correct to-day when the big eastern and southern pagregations at the twenty-third annual bonspiel were proved correct to-day when the big east

Huston, Piper and Benton, all of Fort William, signalled their arrival to-day by victories over three city vinks. Jack Kraes, the old Thistle player, now of Regina, trimmed Payne of Winnipeg by a single point, and Perley of Wolsely won both games he played to-day.

Play is now on in three or four events, and to-morrow the bonspiel will be well under way. One hundred and sixty-six rinks are still being carded in the big events, and altho the number of entries is below last year, the carnival is providing a great deal more interest, owing to the strength of contending quartets. Five draws a day are being played to get the play down toward the thirty-twos.

The district and international events will probably start Saturday. Great interest is already being shown in the international, for the present representatives of the south are the strongest which have ever played in Winnipeg.

Despite this fact, they came very near beating the "Big Store" team, but condition told, and they also

team, but condition told, and they also falled to stay on the ice.

Toronto Rowing Club secured the first goal of the match from a scramble, in which three or four players fell into the net. Rankin, got Eatons' first. Eatons made it five to one before Rowing Ulub got their next, and at half-time the score was 5-3.

After twelve minutes of play in second half, T. R. C. had tied the score on shots by Harmon and McLean. The game got very interesting at this stage, and a variety of trips, slashes and bumps were very frieely handed out on both sides. Meeking scored for Eatons, and Harmon, on a nice shot, again tied it up. A lot of unnecessary tripping and interference play was done by both teams, which is a detriment to the game. What is more, if the referees would give some of the offenders a good, stiff penalty, they would soon commence to realize that they

Hanover 10, Walkerton 5.

HANOVER, Feb. 8.—Hanover hockey team put it all over the Walkerton boys to the tune of 10 to 5 in the Hanover rink on Tuesday evening. It was anything but a great game; the playing on either side could not be said to have been very scientific hockey. Hanover scored first in five minutes; then Walkerton retailated; then Hanover took three or four. The score at half-time stood Hanover 4, Walkerton 8. In the second half the play was nearly all together on the visitors' flags, and rarely passed centre. There was too much bunching and scrambling to permit of stellar hockey. Hefferan of Walkerton was referee. The teams were:

Markham Tournament.

MARKHAM, Feb. 8.—The second night of the tournament here brought out a very big crowd of interested spectators. The rink management are doing all possible to make this year's tourney the best ever. In future independent goal umpires will be appointed by the management. The first game, between Unionville and Agintourt, was a hard-fought contest to a finish. Unionville outlasted the Agincourt team and won out by 3 to 2. The second game was the best hockey yet played. Broadviews defeated Grank Trunk by 5 to 1. Good combination was played by both teams, and the score does not indicate the play. To-morrow night Brougham, Woodbridge, Thornhill and the Markham intermediates will play.

Berlin Wins in 30 Minutes Overtime
WATERLOO, Feb. 8.—Berlin surprised the locals to-night, winning a hard game by 5 to 4. The score was four-all at full time, and the teams p'ayed thirty minutes' overtime before Frood notched the winning goal for Berlin. Shortly after half-time Waterloo had the score 4 to 0 in their favor, when some loose play followed, and Berlin were enabled to tie the score. Lehman in goal outdid himself in the first half and stopped an avalanche of shots. With any other goalkeeper, Berlin would have been swamped. The game was probably the hardest-fought contest ever seen here, and the big crowd was treated to ninety minutes of great hockey. Line-up: Waterloo (4)—Goal, Jones; point, Povey; cover, Howard MacNamara; rover, Dey; centre, Smith; left, Geo. MacNamara; right, Prodgers.

Berlin (5)—Goal, Lehman; point, Cross; cover, McGregor; rover, Edmunds; centre, Dumart; left, Gaul and Frond, right, And cover, McGregor; rover, Edmunds; centre, Dumart; left, Gaul and Frood; right, Anlerson. Referees-Clarke and Hern.

New Edinburgh Defeat Cliffsides.
OTTAWA, Feb. 8.—The Edinburgh Hockey Club defeated the Cliffsides by 7 goals to 3 in their second match of the season here to-night in the Interprovincial Amateur Hockey Union. The result ties New Edinburgh and Cliffsides for the championship. Both the Montreal and Victoria teams have been eliminated from the running, and it now looks as the the two Ottawa clubs would have to play an extra match at the close of the season to decide the championship. Cliffsides defeated the New Edinburghs earlier in the season by 10 to 7, but in to-night's match the play was nearly all in favor of the New Edinburghs, who until this season were known as Ottawa II. The score at half-time was two-all, but in the second period the New Edinburghs played rings around the him and white defence, scoring once against the odd man. Play was rough, and the officials were far too lenient. Three thousand people saw the game. The line-up: New Edinburgh Defeat Cliffsides. once against the odd man. WOLGAST AND BROWN DRAW IN SIX ROUNDS

PHILADELPHIA, Feb. 8.-Ad Wolgast, lightweight champion of the world, and Knockout Brown of New York, fought a hard six-round draw before the American Athletic Club in

this city to night.

Altho the New Yorker had a slight advantage in a majority of the rounds his blows lacked steam compared with those of the champion. Wolgast seemed unable to fathom the peculiar style of Brown and the latter many times landed on Wolgast's head and body without a return. Wolgast tried all the tricks of the trade to reach his opponent, rushing and roughing to such an extent that he was warned by the referee on two different occasions.

Brown never fought a better battle during his career, while the showing of the champion especially in the early rounds, was a disappointment. As Wolgast became more accustomed to Brown's style he fought in much bets
