Stanley Gun Club.

At the annual meeting of the Stanley Gun Club the officers for the ensuing year were elected. The finances of the club are in good shape, and a balance in the treasury. Several names were proposed for membership during the past season nearly 50,000 targets were shot at, besides several live-bird shoots. The officers look forward to making this the banner year. Now is a good time for beginners to start. Experts are always welcome. The regular weekly shoot will be held on Saturday at 2 p.m., and at the close final arrangements will be made for their annual pigeon shoot and supper to be held on the 18th inst. All members should turn out. Visitors are always welcome. Shellis can be purchased on the grounds. The club is located on the marsh at the foot of Saultier-street.

Follow the man with the gun bag. A few afternoons at the traps will make you think and act quicker. No close season, the clay birds are always on the wing.

The Double-track way to Montreal is via the Grand Trunk Railway system. This, however, is but one of the many attractions of the Grand Trunk route, as the modern Electric Lighted Pullman sleepers, excellent dining car service, up-to-date parlor-library cars and comfortable vestibule day coaches well deserve your patronage. Four trains leave Toronto daily: 7.15 and 9 a.m., 8.30 and 10.30 p.m. Remember, the Grand Trunk is the only double-track route.

Hockey Gossip

Manager MacGregor of the Tecumseh is a busy man these days answering enquiries of hockey players looking for places on his team.

With things now well under way Tecumseh players will be notified to report about the 15th of the month, when practices will be commenced at the Excelsior rink.

MacGregor has played on a number of different clubs himself, so is pretty conversant with the ability of the different players. He does not figure on having much difficulty in gathering together a team strong enough to hold up the Indian reputation.

Queen's authorities, not satisfied with the hockey material they have on hand, are out scouting for more.

The Milton Club have entered two teams in the O.H.A. intermediate and junior. Welland got back on the hockey map by entering a team in the intermediate series.

Strathroy will have an intermediate O.H.A. team this season.

Galt will have a team in the intermediate O.H.A. series, as well as one in the junior.

Stoke Doran has signed a Wanderer contract.

The annual meeting of the H. R. Johnston Hockey Club was held last evening at the St. Charles, at which officers were elected for the coming season. Ice has been obtained at Victoria College Rink and prospects are good for a fast team.

Arlington A.C. would like to enter a team in some boys' hockey league. Average age 15 years. Please answer at once to Mr. S. Samuels, 385 West Richmond street.

In connection with the reorganization and expansion of the National Hockey Association to include the two Toronto teams and drop Renfrew, it is now said by gentlemen interested in the construction of Arena Gardens, that the initial negotiations tending to the organization of an international league have already been commenced. In connection with the Canadian cities now represented in the National Hockey Association, the names of clubs in Boston, New York, Pittsburgh, Rochester and elsewhere are mentioned. The international circuit is not an immediate prospect. If it promises success from financial and other standpoints it may be ready for the season of 1913-14.

Duluth Bonspiel Dates.

DULUTH, Minn., Dec. 8.—A meeting of the executive committee of the North-west Curling Association was held to-day, at which several changes were made in the officials of the association. Walter C. Foshier, former president of the association, has moved to Minneapolis, and P. W. Hargreaves, former treasurer of the association, was chosen to succeed him. E. A. Forsythe was chosen as treasurer. A. W. Withrow remains as secretary. All are of Duluth. A tentative date for the annual bonspiel was agreed upon as Jan. 15. Notice of this will be sent to the various members of the association, with the statement that the date is subject to change.

Why the Cars Were Delayed

7 a.m. Friday—East and west bound King cars were blocked by a train at the Riverdale crossing for ten minutes.

8.45 a.m. Friday—A Grand Trunk lorry, heavily loaded with cases of canned goods, became stuck in the temporary filling covering the trunk sewer on Church Street, near Richmond Street, blocking the Church Street cars for thirty minutes.

A fender on a Belt Line car going up Spadina Avenue, at 7.45 a.m., was broken through striking on the pavement, delaying the Spadina and Bloor cars for six minutes.

In connection with the reorganization and expansion of the National Hockey Association to include the two Toronto teams and drop Renfrew, it is now said by gentlemen interested in the construction of Arena Gardens, that the initial negotiations tending to the organization of an international league have already been commenced. In connection with the Canadian cities now represented in the National Hockey Association, the names of clubs in Boston, New York, Pittsburgh, Rochester and elsewhere are mentioned.
