SOLDIER WAS TOO ILL TO OBEY HIS ORDERS

When the trial of Pte. Michael Quinn of the 2nd Battalion, Canadian Garrison Regiment, who had refused to perform field punishment when so ordered, was resumed yesterday at the armories he pleaded not guilty. In his defence he advanced ignorance of military rules. He stated the reason for his receiving field punishment was that he was sick and unable to atsick when ordered to perform field punishment. Eight soldier-witnesses, nounced but will be sent on to Ot- on service at the front for over three a point north of this city, and contawa from where the decision will be years. He was a grandson of the late

ROOT CROPS DOING WELL

Recent Rains Put Land in Good Condition for Plowing.

The following is a summary of reports made by agricultural representatives to the Ontario Department of Agriculture: The frequent heavy rains of the last The frequent heavy rains of the last week or ten days have more or less delayed field work, but the well-soaked land, so long hardened by dry weather, has been put in fine condition for fall plowing, while pastures and late crops have been given a new lease of life.

The grain crops generally have been cleared off in a most satisfactory way, altho here and there portions of a few fields remain out owing to the wet.

Meadows were never more in need of rain, Some of the new seeding had died out from the effects of the long drought, Huron reports a good promise of clover seed.
