ans before the election of the scan-MR. MAHOMET MOORE. dalous concession. Where was The A double-track perpetual franchis

Globe when Premier Whitney refused on a portion of Yonge-street that will to confirm the action of Robert Jaffray soon be in the city, and that will not and his co-commissioners? Public opin- be subject to the irritating scrutiny ion approved of Premier Whitney's ac- of the city council, is the daily amtion, but this is what The Globe said bition and nightly dream of Mr-W. May 12, 1905:

must occasion concern as a most regrettable economic waste.

regrettable economic waste. The general attitude of the public towards the matter is not that of the dog in the manger. THEY FEEL NO-HOSTILITY TOWARDS THE ELECTRICAL DEVELOP-MENT COMPANY. They simp-ly say that the concessions to the public in the agreement just canceled were too distant and intangible to make it worth while paying any price for

while paying any price for them. That, however, did not preclude the government from

endeavoring to get satisfactory terms. Was any attempt made,

or will any attempt be made, to secure greater concessions from

the company? Has the com-pany resisted proposals for bet-ter terms? The situation is ob-

viously one calling for the im-

mediate attention of the gov-ernment. What is wanted is power produced at the lowest cost. Here, on the statement of the company, is 125,000 horse-

power now running to waste that by very little extra ex-pense could be utilized. Clear-ly 250,000 horse-power could under such conditions be devel-

oped and sold at rates propor-tionately much lower than half

H. Moore, who is the voice of all "If this statement is within the facts it discloses a situation of no small moment. It affirms that 125,000 horse-power, easily utilized, is running to waste. Has the government investigated that statement? If it is true it radials, and the Toronto Street Ral!-

Of course, Mr. Moore will not admit this, but the city better believe it is true and take Mr. Moore's eloquence in The Bulletin and out of it, with this grain of salt. Mr. Moore is a fine figure of a man, but he is workedly, and some luminous day, Mr. Moore will deign to lend his ear to it, that the Toronto Street Railway state sion of the radials. These terms sub-mitted to the city council may form the first basis on which begin nerotla-tions. Mr. Moore should be made to come to the city with suggestions and terms, and not be like Mahonict in ordering the mountain to go to him.

THE TRANSVAAL CONSTITUTION. ly attacked by Mr. Bairour and the partod, and had to be put the structure of commons upon their disclosure by Winston Churchill, the lead given is not generally followed by the Union-ist press, some of the more influential, indeed, commending the government's indeed, commending the government's indeed, commending the government's indeed, commending the government's indeed of equality as

doubly significant since it is acknow-By this The Globe aimed to startle ledged that the Boers have as yet-given Sir Anthony MacDonnell Foreshadno overt proof of complete reconcilia-

tion to the altered conditions.

St. Thomas, Aug. 5.-(Special.)-A frightful head-on collision took place at 8.18 Saturday morning, when the north bound Perre Marquette passenger train, the prospect of weather for the holiterest to enlightened Englishmen than which was a little late, crashed into a aays, the Cowes regatta, or the condi-Michigan Central passenger, also be- tion in which the grouse will be found hind time, just at the semaphore north Aug. 12, has been the action of the of the city on the Perre Marquette British Government in giving home

fine figure of a man, but he is work-ing for the good of the radia's and the Toronto Street Railway, not for the perpetual peace of Toronto. The request has been made repeat-edly, and some luminous day. Mr. The tender of the Pere Marquette engine telescoped the coach, which was directly behind the engine on the M.C. demns as mistakes, which strike at the very vitals of the land's power, namely, the cutting down of the army and the in express phrase the terms on which it is prepared to agree to the admis-sion of the radials. These terms sub-mitted to the city council may form change betrayed considerable anxiety ever what the cabinet would do with legard to the recently annexed colonies

### South Africa. Radicals Are Jubilant.

What it has done has created great jubilation among the Radicals, as ex-pressed by the daily papers. Yet no better criterion of the estimation of this country held by imperialists and ductor Drake for 11 years. THE TRANSVAAL CONSTITUTION. On the whole the British government has no reason to be dissatisfied with the has no reason to be dissatisfied with the out these great loss of fife would have than by the high relief with which the been receiv-trains and trains running. The engines were of Mr. Balfour and the so interlocked that they could not be herents. "It might have been worse," is the phrase which summarizes opin-ton among Unionists and in the condition of the yards together.
