Less Than Any Other.

In the E. & D. four-point bearing, no point on Cone or Spool sustains more than one-eighth of the rider's weight.

In ordinary bearings it is always greater than one-fourth of the rider's weight, and this great pressure makes ordinary bearings run hard, breaks balls, cuts cones, and destroys the bearing.

E. & D. four-point bearings are guaranteed for three years, because they wear less than any other bearing anywhere in any bicycle. Get an E. & D. wheel. Locally-guaran-

The Standard Chainless.

We have twelve chainless blcycles among the National wheels, and the Columbia chainless is the Standard. The large gear wheel is always true. It is the hardest gearing to make in all chainless wheels. But in the Columbia Chainless it is of such a shape that in tempering it shrinks into its proper scientific form, and it is absolutely perpendicular to the rankhanger. rankhanger.
All parts are protected from dust, It leeds no graphite. It is always clean.

Made Light, But Strong.

The Stearns construction places strength where it is needed, and gives lightness where possible.

The reinforced crankhanger construction of the Stearns is the lightest, strongest of the Steams is the lightest, strongest combination ever put into a wheel. It is so strong that the Steams tread is made the narrowest on the market.

The Steams seat-post lug is made of only one kind of metal. The rear forks are let into the mast tubing, and all parts are brazed together. There is no lighter construction. Harry H. Love, 191 Yonge-St.

Teams, Players and Their Positions for To-Day's Games on

The second round in the senior series will take place at the Upper Canada grounds this afternoon. In the first game at 2 o'clock the Night Owls will endeavor to defeat their old time rivals, the St. Marys. Pearson will pitch for the Owls, and Reid for the Saints. The 4 o'clock game will be between the Wellingtons and Crescents. This will be the Crescents first appearance this season and Manager Sheppard, having a likely lot of players, there will doubtless be a good game. The Wellingtons will have to put their best players on to win. Eddie Reid will umpire both games.

play the Parkdales at the latter's grounds on Saturday afternoon at 3 o'clock, as fol-lows: Sheppard, Pfister, Butler, Robinson, Grun, Love, Hester, Tew, Hodgson, Co-been, Gardiner, Randall, Myers.

The following players will represent the Standards in their league game with the Maple Leafs on Garrison Commons at 3 o'clock. Macdonald, Leonard, Turner, Thorne, Mawson, Fraser, Sullivan, Fitzroy, McHenry, Kolmeyer. The Standards would like to meet the manager of the Victorias at Spanner to-night at 8.30 o'clock.

GENDRON

"Nothing so good that it could not be bettered," and that's why as perfect a wheel as the Gendron proved itself last season. On this season's models you'll find many excellent improvements and features which enlarged facilities, more skill and bigger resources in the manufacturing of

them have permitted. Always a high grade but a round or two higher for 1900. You'll know it by the unique aluminum finish, the Waters Hub, the Waters Brake and other distinctive ideas all its own. Agents everywhere. Write for a Catalogue. Your old wheel taken in part.

They Are the Only Cure.

We have only one lifetime to live upon earth. Every sane man and woman desires to be happy during life. Only insane people commit suicide deliberately and intentionally.

But thousands of people kill themseives, just as truly and as surely as if they jumped into a river, blew their brains out or hanged themselves, although they don't realize that they are doing so. Everyone who ablows disease to eat his life away, without doing all he can to cure it, commits suicide.
