WILL SELL TEN MORE SEATS

Montreal Stock Exchange Will Use Money Received as Nucleus of Building Fund.

LIKE NEW YORK STOCK EXCHANGE

Five Seats Held at $12,000 Each and Five at Minimum of $15,000 Each.

Montreal, Oct. 25.—There was an important meeting of the Stock Exchange to-day. A proposition to issue ten new seats was first on the program. It was proposed by Ralphe Forget and seconded by Andrew Wilson. The motion passed by 34 votes to 6. So the Board will issue ten new seats.

The conditions under which the seats will be disposed of are of interest. The first five seats will be issued at a minimum price of $12,000, and the second five later on at a minimum price of $15,000. It is expected that within a fortnight the first five seats will be disposed of. In fact it is understood that applications for membership are already in the hands of the Executive Committee, one being from Colin McCuaig of McCuaig, Rykert & Co.

It was also stipulated in the motion passed that the proceeds of the new seats shall be invested to the credit of a fund to be known as the building fund. It is the idea to erect a fine new place of business, to be known as the Stock Exchange Building, and the members already have in mind a floor with galleries around, something after the style of the New York Stock Exchange, altho, of course, on a smaller scale.

SUPPORT PARTY ONLY WHEN RIGHT

Dr. Spence Tells Cartwright Club This is Their Duty.

Strong anti-machine talk was the novel feature of the Cartwright Club last night. The club met in the West End Y.M.C.A. Building. J. H. Tennant, president, was in the chair. Dr. Spence, president of the West Toronto Liberal Association, rather startled the meeting by his outspoken declarations. The room was filled, and the doors carefully closed to non-members. Dr. Spence said that the members of Liberal Clubs were not by their membership deprived of their independence. It was their duty only to support the party when the party was right and was acting in accordance with Liberal principles. They should consider not the interests of the party, but whether the party leaders were doing their best for the country at large and their duty impartially with respect to different parts of the country. If they were not, they were not entitled to the support of their party followers.

G. G. S. Lindsey made a fervid New Ontario speech, claiming that the Ross government had a constructive and the Ontario opposition a destructive policy.

Ald. J. J. Graham referred to the question of independence raised by Dr. Spence, and gave it as his opinion that an excellent place for the expression of dissent with the party leaders was in the clubrooms of the party.

These officers were nominated: Hon. president, Dr. Spence (acc.); hon. vice-president, G. G. S. Lindsey (acc.); for president, Dr. J. H. McConnell, A. W. Holmes, J. W. Mallon, T. C. Robinette; for vice-president, four to be elected, E. Foster Ambrey, Dr. Smuck, George Thom, A. W. Hunter, Robert Emmett, Dr. G. A. Fletcher, Dan Shea, Ald. Graham, George Ritchie, W. G. Cumming, A. M. Sinclair; for secretary, John Neil and George Ritchie; for Executive, six to be elected, John Maloney, Dr. McConnell, Ald. J. J. Graham, H. M. Mulholland, W. G. Cumming, Robert Emmett, Foster Ambrey, G. Thom, R. McClary, W. O. McTaggart, W. Mansell, W. Boland, A. W. Holmes, A. M. Sinclair and Ald. Dr. Lynd. The election will take place on Nov. 8.

GOOD HARVEST WEATHER.

Winnipeg, Oct. 25.—Beautiful summer weather the past few days has made everything very brisk thruout the whole of Western Canada. Reports from the country to the C.P.R. show that farmers are very busy and are marketing their grain freely. Yesterday the quantity of wheat received at C.P.R. points was nearly 400,000 bushels.

ROSY COLOR.

Produced By Postum Food Coffee.

"When a person rises from each meal with a ringing in the ears and a general sense of nervousness, it is a common habit to charge it to a deranged stomach.

"I found it was caused from drinking coffee, which I never suspected for a long time, but found by leaving off coffee that the disagreeable feelings went away.

"I was brought to think of the subject by getting some Postum Food Coffee, and this brought me out of trouble.

"It is a most appetizing and invigorating beverage and has been of such great benefit to me that I naturally speak of it from time to time as opportunity offers.

"A lady friend complained to me that she had tried Postum, but it did not taste good. In reply to my question she said she guessed she boiled it about ten minutes. I advised her to follow directions and know that she boiled it fifteen or twenty minutes, and she would have something worth talking about. A short time ago I heard one of her children say that they were drinking Postum nowadays, so I judge she succeeded in making it good, which is by no means a difficult task.

"Tom O'Brien, the son of a friend who lives on Bridge-street, was formerly a pale lad, but since he has been drinking Postum has a fine color. There is plenty of evidence that Postum actually does 'make red blood,' as the famous trade mark says." Jno. Chambers, 9 Franklin-street, Dayton, Ohio.

Postmasters' Night.

At last night's meeting of Beaver L.O.L. No. 911 the offices were filled by these postmasters, who conducted the business: J. E. Gordon, Robert Love, J. Lang, E. A. Fennell, Thomas Scott and John Patterson. The orange, purple and blue degrees were exemplified, a committee struck to arrange for the annual banquet, and a resolution of condolence passed with the family of the late Grand Sovereign Hon. N. Clarke Wallace.

HOW HE WHIPPED CERVERA.

Admiral Schley Tells the Story, Clearing Up Important Points.

Washington, Oct. 25.—When the Schley Court of Inquiry adjourned to-day Admiral Schley had not completed his testimony in chief.

The chief event of the day was the Admiral's relation of the events of July 3, when the American fleet sent Cervera's squadron to the bottom of the sea or to the beach. He told his story of this historical occurrence in plain words and in unaffected style, but the narrative was straightforward and to the point, indicating close familiarity with all phases of that event.

He said that the Brooklyn had for a time sustained the fire of all four of the Spanish ships, and also the fire of the Spanish land batteries.

Explaining the historical turn of his own flagship, the Brooklyn, he said that she had not approached to within less than 900 yards of the Texas, and that he never had considered that vessel in the least danger.

He also stated, in response to an interrogation from Mr. Rayner, that he had never during the battle engaged in any colloquy with Lieut. Hodgson, and that he had not used the expression attributed to him by Hodgson. This refers to the alleged colloquy in which the Admiral is charged with having said: "Damn the Texas!"

Admiral Schley also gave the details of the reconnaissance of May 31, when the Spanish ship Cristobal Colon was bombarded. In this connection he denied the statements attributed to him by Commander Potts of the battleship Massachusetts.

BASIS OF A CANAL TREATY.

London Times Believes It Has Been Settled in Principle.

London, Oct. 25.—The Times, in an editorial article to-day, says it has reason to believe that the basis of a new arrangement regarding the Isthmian Canal has been settled in principle by the British and United States governments. It has long been acknowledged, says The Times, that under the altered circumstances it would not be to Great Britain's practical advantage to insist on every jot and tittle of the Clayton-Bulwer treaty, tho that treaty is still legally valid, and is technically protected by a clause in the constitution of the United States. In the matter of the canal, as in others, the American Senate checked the policy of Mr. McKinley. The editorial adds:

"We have never thought it expedient or reasonable to stand on our strict rights under the treaty. With a system of complete maritime freedom, Great Britain cannot fear, and may have much to gain from, the opening of a canal, whether by the Nicaragua or Panama line. The most formidable obstacle is the resistance, open or secret, of the railway interests. The uncompromising jingoes maintaining that the control of the canal by the United States must be absolutely unfettered, have also to be reckoned with."

SIMCOE COUNTY NEWS.

Collingwood, Oct. 25.—The removal of Mr. T. B. Lafferty of Orillia to Seattle, Wash., in a few weeks will render vacant the police magistrateship of that town. Names of several gentlemen have been proposed for the office, but owing to a reduction in the salary entailed it is quite probable that there may not be so many applicants after all.

Brick in the eastern part of the county is selling at inordinately high figures. The standard price for years has been $4, but this season one contractor paid $7 per m. for immediate delivery.

Mr. John Stephens, who has been connected with the Traders' Bank in Orillia, left this week for North Bay.

Mr. John Knox of Stayner is making rapid progress in his scheme of developing electric power by harnessing the Nottawasaga River, and next year may see the plant in active operation. An electrical expert will look over the ground during the next few days, and the works will be built on his suggestions.

Barrie has struck the fever for hockey club organization.

Collingwood is to have a senior whist club again this season.

The regular monthly meeting of the Council of the Township of Nottawasaga will be held at Duntroon on Monday, 28th inst. The meeting should be of interest to the ratepayers, as no doubt a report of the conference with the County Council will be presented. The appeal has already cost about three thousand dollars, and should it be continued will possibly reach between twenty and thirty thousand.

The theatrical season is now well under way in Barrie. The house, which is one of the prettiest theatres outside of Toronto, is under the management of Vair and Sanagan. The managers are enterprising young men, who expect a good season. The American Girl played to big business this evening.

GIRLS FORM MOTH BALL HABIT.

Lawrence University Co-Eds Find Delight in a New Fad.

Appleton, Wis., Oct. 25.—A fad for eating and inhaling the odors of moth balls was discovered this week among the young lady students of Lawrence University. No less than thirty of the co-eds, it is found upon investigation, are victims of the habit. At first the odors of the napthalin were simply inhaled, but the abnormal taste has so developed of late that two of the girls confessed yesterday that they actually ate the drugged insect destroyers. The Misses Katharine and May Geartts of Marinette, aged respectively 18 and 20 years, admit that they are responsible for introducing the fascinating effects of moth balls in a convent.

O'Hanley Twice Charged.

Policeman Bogart last night arrested Neil O'Hanley, 52 Defoe-street, on a charge of being drunk. O'Hanley has been out of the city since Dominion Day, when it is alleged he was disorderly. A warrant issued at the time was served on him in the cells last night.

Death of George Mills.

George Mills, eldest son of Mr. and Mrs. John Mills, died last night, at his late home, 316 Sackville-street, after a lingering illness. Deceased was 40 years of age, and nearly all his life had resided in the East End. The funeral will take place on Monday afternoon at 4 o'clock to St. James' Cemetery.

THIRTY NURSES GRADUATED.

Annual Commencement Exercises of Training School.

Upwards of 500 guests gathered last night in the spacious theatre of the General Hospital on the occasion of the annual commencement exercises of the Training School for Nurses. The graduating class numbered 30 and was the largest that has been presented for diplomas and medals in one year. The course is now three years in training before the candidate can go up for the final examination required by the curriculum. The training school was established 21 years ago.

Mr. Walter S. Lee, chairman of the Hospital Trust, presided and welcomed the guests. Dr. Alex. Primrose delivered an address to the class, the Hon. G. W. Ross delivered the badges to the nurses, Mayor Howland presented the certificates and Drs. O'Reilly and A. H. Wright the prizes.

After the presentation of medals and certificates, Mr. Lee congratulated the nurses on their excellent examinations and Dr. O'Reilly presented Miss Mabel Stock of Waterdown with first prize, she having obtained the highest number of marks at the final examination of 1901. The prize was a handsomely bound copy of Longfellow and was given by Dr. O'Reilly. Mr. Lee presented the second prizes, one to Miss Gertrude Way of Webbwood and the other to Miss Alice M. Roberts of Adolphustown, they having received equal marks. The prizes are beautifully bound volumes of "Cape Cod," by Henry D. Thoreau, and 2 volumes of "Venetian Life" by William Dean Howells. Dr. A. H. Wright announced that the examiners considered the class was not only unusually large, but an exceedingly good one, and as a consequence he and a friend of the school presented two extra prizes, one to Miss Mary G. Duncan of Richmond Hill, and one to Miss Alice V. Sinclair of Madoc, they having attained the next highest marks at this examination.

The proceedings were varied by a piano solo by Miss Huschfelder; violin solo, Miss Kerr; vocal number, Miss Hungerford. Miss Snively submitted an encouraging report of the training school. Rev. Dyson Hague also delivered a brief address.

Drs. Cleland, Hutchinson, MacDougal, Trout, Anderson, Martin, Macdonald, Ryerson and Collinson of the house staff acted as ushers. The proceedings were brought to a close by a dance and refreshments.

The following are the names of the graduates:

Miss Raino Aitkin, Newcastle, N.B.; Miss Catharine Allison, Port Perry, Ont.; Miss Belle Anderson, Elmwood, Ont.; Miss Clara Burnett, Elora, Ont.; Miss Minnie Butler, Toronto, Ont.; Miss Bella Crosby, Campbellford, Ont.; Miss Mary Davis, Cayuga, Ont.; Miss Edith Dan, Renfrew, Ont.; Miss Mary G. One Sign of Encouragement.

There has been a most encouraging rush of business at Archambault's tailoring establishment, 125 Yonge-street, this week for those sixteen dollar made-to-order grey cheviot overcoats, which are the most satisfactory value to be had in Toronto. Archambault's store is just south of Yonge-street arcade, and the sign marked $16 in the window announces the place where sixteen dollar overcoats and sixteen dollar suits are made with twenty-five dollar satisfaction for all gentlemen who want them for cash. The latest fashion, combined with the newest goods and the best workmanship, is the sixteen dollar attraction offered by Archambault.

J. J. Foy, K.C., left last night for Montreal on legal business.
