Dr. Hirshberg will answer questions for readers of this paper on medical.

"It is a description of the man's personal transfer of the man's personal transf

MY SOLDIER HUSBAND

sented to m

ly glad that he was unable to see my astonished gaze. What manner of man was this who had ferreted out secrets If he could not see my gaze he un annily interpreted my silence.
"I see you're wondering how I know il these things," he said, "and it is erhaps due you to tell you that even REVELATIONS OF A WIFE efore I went back to France-before you—knew—that your husband was training for the air service—I made it my business to find out everything about him that I could. Never mind I found that I did, indeed, have section as my husband, and that they 'Yes, I am aware of that fact." he

to Major Grantland's significant question concerning Harry Underwood.

The very name of the man had a sinister sound to me. The loyalty of Dicky and Lillian to him, their wish that I should share in their leniency, weighed little with me compared with the horror I felt at the remembrance of the monstrous treachery to Dicky toward us.

"Yes, I am aware of that fact," he returned dryly. "I don't mean that, Why. I do not wish to be rude, but I should like to think that you would make up your mind to tell me is the complete history of the man, as far as you know it, omitting nothing."

"How Much Should I Tell Him?"

Adams saved me the necessity of an immediate reply by coming hurriedly toward us. and to his country which Harry Underwood had set in motion, which would have been accomplished had it not been for my husband's bravery and presence of mind.

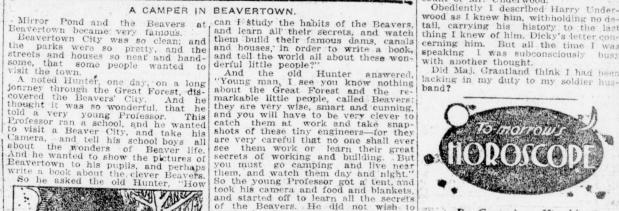

"Everything is all right now, sir," he said. "We can go on any time you for that interest could not possibly concern me, and—curiosity isn't my besetting sin."

"I am sure you have no wish to lin-

been for my husband's bravery and bresene of mind. Maj. Grantland rose instantly. Maj. Grantland rose instantly. So unexpected was the question, so were whelmed was I by it, that I fairly stammered my reply. "I'm quite ready to go." I returned if, indeed, he had not each anything unstammered my reply. "I'm quite ready to go." I returned mechanically, for all my mental faculties were bent upon the solution of the my business not only to know all about my business not only to know al glad to hear from another's lips-tha

ount of Mr. Underwood."

Obediently I described Harry Underwood as I knew him, withholding no de

were packing up their trunks, and getting ready for their long trip to their winter homes, in the sunny Southland. And after many days of hard tramping, the young Professor reached beautiful Mirror Pond. And he thought it was the most wonderful water-mirror he had ever seen, as it reflected the gorgeous trees, in their festal garments of Autumn. And the young Professor pitched his little tent near Mirror Pond, and then he cooked his dinner.

And he said to himself. "Now, I will get some beautiful photographs of these famous Beavers, right away after dinner."

All the activities should be wisely and coolly controlled, as the rebellious and turbulent flars is ready to these famous Beavers, right away after dinner." dinner."

But the Young Professor was to have a big surprise—when he tried to take tent near Mirror Pond, and then he cooked his dinner.

dinner."
