CRAWFORD STREET TO  
GO THRU TO COLLEGE

Sully Crescent Will Be Filled in if  
Finance Commissioner Approves  
Committee's Recommendation.

At a meeting of the street improve-  
ment sub-committee yesterday after-  
noon, it was decided to recommend to  
the works committee, subject to the  
approval of the finance commissioner,  
the extension of Crawford street to  
College, and the filling of Sully cres-  
cent, as a general improvement.  
The fill is completed to Shaw street  
and if not continued, a new bridge  
will have to be built there at a cost  
of about \$40,000. There are 21 houses  
down in Sully crescent that will have  
to be purchased, but the committee  
believes that \$50,000 will nearly see  
the work thru, despite the original  
estimate of \$121,283.

An interesting matter was brought  
up before the works committee by  
Ald. Nesbitt in connection with Wells  
hill road. The city has a pavement  
and a sewer over a lot that has never  
been conveyed to the city.  
The lot is at the foot of Wells hill  
and was part of a dedication scheme,  
but default was made, and the title  
was conveyed to Lady Pollard, the  
present owner.

The committee asked the city solicitor,  
works commissioner and the  
assessment commissioner to make a  
full report on the matter.

Ald. Ryding moved that the com-  
mittee send a request to the board of  
control to vote the necessary funds to  
complete the Elgar street car line ex-  
tension.

Mr. Powell said that the material  
was all on hand, but Commissioner  
Bradshaw did not have authority to  
expend the money on labor. The  
work will cost \$35,000, and \$7800 has  
already been expended, which is the  
amount that has been voted to the  
project up to the present time. This  
amount required to complete it is  
\$7700.

The works committee approved the  
proposal to extend Crawford street to  
College and fill in Sully crescent.

#### PANIC UNWARRANTED OVER COAL SITUATION

Fuel Controller Magrath Writes  
Mayor Church That Dealers Will  
Soon Be Caught Up.

There is no need to be panicky over  
the coal situation, according to a let-  
ter from Fuel Controller Magrath, to  
Mayor Church that was received at the  
city hall yesterday.

Mr. Magrath has invited Mayor  
Church to Ottawa to discuss the situa-  
tion, but declines to address a mass  
meeting at Massey hall, believing  
that no good purpose could be served  
thereby.

He regrets that many Toronto fami-  
lies were unable to buy coal in the  
summer and that now it is difficult to  
obtain, but states that in a very short  
time the dealers will be caught up  
with their orders.

In an effort to make some arrange-  
ment to look after those unable to  
place orders for coal, the mayor ex-  
pects to meet some of the large deal-  
ers today.

#### Deputations Ask Legislation Governing Venereal Diseases

Application was made yesterday to  
the Ontario legislature for legisla-  
tion which would make venereal diseases  
the same in the eyes of the law, as  
other contagious diseases. Two rep-  
resentations impressed upon the minis-  
ters the importance of such a move. One  
was composed of Dr. Hastings, M.O.H.,  
for Toronto; Chief of Police Grassie,  
for the city; and Dr. G. Kirby, M.P.,  
for the province. The other deputa-  
tion was composed of Dr. Hastings,  
Ald. Magrath, and Dr. Kirby, com-  
prising the local board of health, and  
it presented its case to the provincial  
secretary.

The government promised to con-  
sider the matter.

#### HONOR CHOIRMASTER.

Last Monday evening at the close  
of a successful concert the members  
of the Trinity Methodist choir pre-  
sented the choir master, Don Linden,  
with a beautiful gold wrist watch.  
Mr. Linden is going overseas almost  
immediately under the auspices of  
the Y. M. C. A. He will be engaged  
in that work until next summer. Trin-  
ity Methodist Church has secured the  
services of R. G. Kirby until Mr. Lin-  
den's return, and he will take charge  
next Sunday. Don Linden was pre-  
sident in athletics through the city  
as well as in music.

#### DIED AT SMITH'S FALLS.

Thos. H. Noble of 286 Avenue road,  
a traveler for the Armour Company,  
died at Smith's Falls this week. When  
he left his home on Monday morning  
he was apparently in the best of  
health. Mr. Noble was born in Ire-  
land in 1862, coming to Toronto when  
a boy. He had been with the Armour  
Company for over twenty years. He  
is survived by a wife and seven  
children.

#### RAILWAY PURCHASE.

"I am calling a meeting of the board  
of control early next week to consider  
the Metropolitan Railway purchase,"  
said Mayor Church to a reporter for  
The World. "I am doing all in my  
power to get the thing thru," said the  
mayor.

#### CAMPAIGN WORKERS ASSEMBLE MONDAY

British Red Cross Collectors  
Will Lunch at Headquarters  
at Noon.

#### EVERYTHING READY

Old Palmer House Will Be  
Scene of Much Activity  
Next Week.

Hitherto workers on the coming  
British Red Cross campaign have  
been doing the work of preparation  
singly or in committees. Monday will  
see the gathering of all the forces,  
when the four or five hundred who  
will take part in the canvass will  
gather at the old Palmer House, which  
is now the headquarters of the cam-  
paign. Luncheon will be served at  
12.30 p.m., at the individual expense  
of the lunchers, and final instructions  
given and cards distributed.

Those who will be present will in-  
clude the captains and their teams;  
the Rotary Club and their assistants;  
the conveners of the committees on  
churches and schools; the women who  
will assist them and campaign gen-  
erally. By noon on Monday it is as-  
sured that the headquarters will be  
fully equipped with everything that  
the business or the confidence of the  
workers may require.

Subscriptions To Be Larger.  
Encouragement is given by the ac-  
tion of the various corporations which  
have already announced their inten-  
tion to augment their subscription  
generally, even when in other years  
they had been entitled to the award  
of "well done." Among these are the  
Bank of Commerce, which last year  
gave \$200, and who this time will in-  
crease by fifty per cent, representing  
the sum of \$750.

The Canada Life Insurance Co.  
has also given assurance of an in-  
crease of fifty per cent.

This morning at 7 East King  
street, there will be a meeting of the  
school committee, under the conven-  
ership of Mrs. H. S. Strath, when plans  
will be furthered for the school col-  
lection. The church committee has  
sent out letters to the pastors of  
the churches of every denomination,  
urging them to take a collection at the  
door of the churches during two days  
of the campaign. On Monday morn-  
ing Lady Hearst, convener of the  
church section, will, with her assis-  
tants, be at the headquarters-corne-  
ner of the campaign, where they will  
when shields and flags will be given  
to representatives of any church or  
organization which will send for them  
for the purpose of decorating their  
collection corner. The committee is  
hoping to be kept busy through the  
day.

#### Collections at Churches.

The collections to be taken up at  
the churches are principally for the  
convenience of those who have not  
time to go to headquarters, or who  
prefer to give in this way. The  
collections will be taken up by the  
Red Cross is something to which  
everyone will respond and it is the  
opportunity to every citizen, every  
man, woman and child, to give  
their share, whether that be ten  
cents or the cheque of the successful  
business man for a corresponding num-  
ber of thousands.

It is for everyone to remember that  
the wounds of the men in hospitals,  
for whom the money will be spent,  
were gained for the cause of the  
country, and it is felt that everyone in  
Toronto will take a personal pride and  
feel privileged in helping to swell the  
collection of the British Red Cross.

#### RED CROSS PROSPECTS GOOD.

Response to the British Red Cross  
appeal throughout Ontario is coming  
quickly and substantially thru the or-  
ganization of resources committee at  
the parliament buildings. If the pre-  
sent rate continues Ontario, not in-  
cluding the city of Toronto, will touch  
the \$2,000,000 mark. Last year Ont-  
ario gave \$1,600,000, which amount  
was about one-fourth the entire con-  
tributions of the British Empire. The  
committee reports having received  
\$27,000 thus far.

#### MANUFACTURERS' LIFE DIREC- TORATE.

At a recent meeting of the board of  
directors of the Manufacturers' Life  
Insurance Company, the positions of  
vice-president, which were rendered  
vacant by the deaths of Mr. R. L.  
Patterson and Mr. G. P. Schofield a  
few months ago, were filled by the  
appointment of Lieut.-Col. J. C. J.  
Willes, K.C., of Brantford and Mr. C.  
Dalton of Toronto, both of whom  
have been members of the board for  
many years.

#### SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to  
Bring Back Color and  
Lustre to Hair.

You can turn gray, faded hair beau-  
tifully dark and lustrous almost over-  
night if you'll get a bottle of "Wyeth's  
Sage and Sulphur Compound" from  
any drug store. Millions of bottles of this  
old famous Sage Tea Recipe, improved  
by the addition of other ingredients,  
are sold annually, says a well-known  
druggist here, because it darkens the  
hair so naturally and evenly that no  
one can tell it has been applied.

Those whose hair is turning gray or  
becoming faded have a surprise await-  
ing them, because after one or two  
applications the gray hair vanishes  
and your locks become luxuriantly  
dark and beautiful.

This is the age of youth. Gray-  
haired, unattractive folks aren't  
wanted around, so get busy with  
Wyeth's Sage and Sulphur Compound  
tonight and you'll be delighted with  
your dark, handsome hair and your  
youthful appearance within a few  
days.

This preparation is a toilet requisite  
and is not intended for the cure, miti-  
gation or prevention of disease.

#### MINIMIZE THE FIRE PERIL BY USING EDDY'S

CHEMICALLY  
SELF-EXTINGUISHING  
"SILENT 500'S"

The Matches With "No  
Afterglow."  
EDDY

is the only Canadian maker  
of these matches, every stick  
of which has been treated  
with a chemical solution  
which positively ensures the  
match becoming dead wood  
once it has been lighted and  
blown out.

Look for the words  
"CHEMICALLY SELF-EX-  
TINGUISHING" on the box.

7 a.m. in Toronto and Hamilton. World  
subscribers can co-operate and add to  
the efficiency of the service by  
promptly reporting complaints of late  
or non-delivery. Your co-operation in  
this respect is necessary to insure sat-  
isfactory delivery service.

#### DEER PARK HOME AND SCHOOL CLUB MEETING

Entrance Diplomas Presented and Ad-  
dress by A. B. Farmer on "Under-  
standing the Child."

An enthusiastic gathering of parents  
attended the first autumn meeting of  
Deer Park Home and School Club,  
which took place Thursday evening.  
Mrs. Stephenson, president of the club,  
was hostess of the evening, and after  
the presentation of entrance diplomas  
to successful pupils by T. Noble, late  
principal, an address was given by  
A. B. Farmer, B.A., upon "Under-  
standing the Child."  
Prof. Farmer recommended specially  
the study of character in relation to  
appearance, and general trend of a  
child's development and growth.

If an adult, he said, possessed as  
much relative brain power as an in-  
fant, he would probably have a head  
four feet around. The chief business  
of the child is to grow and to learn,  
and accordingly the child's make-up  
consists mostly of the digestive sys-  
tem and brain.  
Then followed an interesting talk  
upon the periods at which certain  
powers develop. Those of reasoning  
and initiative appear in the early  
stages, said Mr. Farmer, and later  
general love of power and attraction to  
home.

A program of music contributed  
largely to the success of an excellent  
meeting.

#### SHORTAGE IN POWER IS BOUND TO OCCUR

Elimination of All Circuits Not Re-  
quired for War Work Is Made  
Necessary.

Economy in the use of hydro power  
— a shortage at the very best — elimi-  
nation of all circuits not employed in  
industrial plants immediately affect-  
ing the munition output of Ontario,  
upon the agenda of the hydro-electric  
commission, was emphasized by  
Hon. I. B. Lucas, attorney-general and  
a member of the hydro-electric com-  
mission. No further information was  
available at the offices of the hydro  
commission yesterday, and it is prob-  
able that none will be forthcoming  
until the engineers now making a  
survey of conditions have reported.

Discussing the matter Mr. Lucas  
said: "At the very best there will be  
a shortage of power in the winter  
months on. We are not able to meet  
the demand of the municipalities, and  
power can only come from the devel-  
opment companies at Niagara."

"One of the first problems that the  
new union government must tackle is  
whether or not the exportation of hy-  
dro power will be cut so that it will  
be available for use in the Province  
of Ontario," he observed. "Sir Henry  
Drayton's report will no doubt be on  
hand at an early date, but in any  
event there will have to be great  
economy in the use of power."

#### PAID HIGHER PRICE.

Hamilton Company Said to Have  
Failed in Contract.

An action has been brought before  
Mr. Justice Middleton by the Do-  
minion Radiator Company, Ltd., of  
Toronto, for \$20,000 against the Steel  
Company of Canada, Ltd., of Hamil-  
ton.

In December, 1916, an agreement is  
alleged to have been entered into  
whereby the Steel Company was to  
supply the Radiator Company with  
1000 tons of pig iron. In September,  
1916, a further contract for 1200 tons  
was entered into. The Radiator Com-  
pany have received only 160 tons  
in all. As a result they have had to  
purchase steel on the open market at  
a much higher price.

The Steel Company claims that spec-  
ifications were to be given them be-  
fore shipment, but so far specifi-  
cations have been given for 160 tons only,  
which they had shipped. They now  
claim payment for the 160 tons.

#### BAPTIST MISSIONS' NEEDS.

The members of the Baptist Women's  
Home and Foreign Mission Circle of  
western Ontario at their semi-annual  
meeting were told by the treasurer  
that it would be necessary to raise  
\$2700 in the next ten days for foreign  
missions. The home missions' treasurer  
announced a credit balance of \$3916,  
but stated that \$1000 will be needed  
by Oct. 20 to pay the appropriations.

#### LIBERALS LOOKING FOR NEW LEADER

Considerable Interest Mani-  
fested in Political Circles  
Over Union Government.

#### MENTION C. M. BOWMAN

Chief Liberal Whip in Ontario  
May Lead the  
Opposition.

Interest in the new union govern-  
ment was very marked at the parlia-  
ment buildings yesterday, and there  
was considerable speculation as to  
who the successor to N. W. Rowell,  
K.C., as leader of the Ontario opposi-  
tion, will be. Cabinet ministers were  
very reticent when it came to surmi-  
sing a possible opposition leader, but  
no doubt the cabinet meeting, which  
did not conclude until after six o'clock,  
was lengthened by an informal discus-  
sion of the political events as report-  
ed in the morning.

In most quarters opinion seems to  
centre on C. M. Bowman, M.L.A., chief  
Liberal whip in the Ontario house, but  
two other names were also mentioned  
— Harley Dewar, K.C., M.L.A., and  
William Proudfoot. It was generally  
conceded that Mr. Dewar had not  
been a member long enough to war-  
rant his taking the leadership, and the  
possibility of selecting Mr. Proudfoot  
was minimized.

In some circles it is stated that Mr.  
Rowell's successor will be found out-  
side the ranks of membership, and in  
this connection the name of J. E. At-  
kinson has been mentioned.

Sir Adam Beck Named.  
One well-known politician in To-  
ronto stated yesterday that the best  
man to lead the Liberal party in On-  
tario was Sir Adam Beck.

Dr. John Hunter said he had nothing  
to say on the subject, but he would  
be the next leader. Asked as to his  
views on the new cabinet, he said:  
"A little leaven leaveneth the whole  
loaf. If those Liberals who have en-  
tered the cabinet can leave the rest  
they will do well."

Another day as among those who might  
be the new Liberal leader was Hon. W.  
Lloyd Mackenzie King, minister of  
labor in the last Laurier govern-  
ment.

#### Ministers Keep Silent.

Hon. I. B. Lucas, attorney-general,  
would not venture a guess. Hon. G.  
Howard Ferguson, minister of lands,  
forests and mines, was equally un-  
communicative in the matter, and in-  
deed, this stand was taken by all with  
whom the question was discussed.  
Speaking of union government, how-  
ever, Hon. Mr. Ferguson said: "Any  
body that will devote its entire time  
and attention to the one main object  
of winning the war has no uncon-  
ditional support." Hon. Mr. Lucas ex-  
pressed himself thus: "I am pleased  
that the many obstacles have been  
overcome and that a forward step has  
been taken." J. M. Godfrey was de-  
lighted with the report on a union  
government. A. H. Birmingham, sec-  
retary of the Dominion Liberal Asso-  
ciation, said no instructions  
had been received from Ottawa,  
and that the association would con-  
tinue until such were received.

C. V. Kerr, president of the Central  
Liberal Association of Toronto, could  
not see where the "fifty-fifty" basis  
came in, and said that it looked to  
him as if only five or six of the new  
cabinet could be classed as Liberals  
out of the 12.

It was suggested yesterday that Mr.  
Rowell's departure might mean a hy-  
dation in North Oxford, but on the  
other hand it was stated that this would  
not be necessary, while on the other  
it was said that no action need be  
taken for three months. It would ap-  
pear that Mr. Rowell might occupy  
both positions according to the law  
so long as he did not accept any salary  
with the latest appointment. This  
alone would be the disqualifying fac-  
tor.

#### Congratulations Premier.

However, as Sir William Hearst,  
premier of Ontario, remarked as he left  
his office, "There is no resignation  
yet." In a telegram dispatched earlier  
in the day the premier congratulated  
Sir Robert Borden with the following  
message:  
"Heartily congratulations on the suc-  
cessful outcome of your patriotic and  
sincere efforts to form a union govern-  
ment. I also desire to extend my best  
wishes for the success of the new ad-  
ministration, which I believe will have  
the support and co-operation of all  
patriotic Canadians and will under  
your leadership unite loyal men of all  
parties so that the full strength of the  
country may be made effective in the  
present struggle."

Further than that said, Sir Henry  
delighted that Sir Robert Borden has  
succeeded in forming a union govern-  
ment, including strong Liberal leaders  
from all sections of Canada. The road  
is now clear for a union of all loyal  
and patriotic men in war work and  
for the utilization of all our re-  
sources in the most effective manner  
possible towards an early victory in  
the present struggle. The new govern-  
ment has my best wishes for its  
success.

#### EIGHT DRUGGISTS IN COURT.

Police Launch Campaign Against  
Vendors of Medicated Wines.

The campaign against druggists who  
are alleged to be selling medicated  
wines containing a high percentage of  
alcohol has been started by the police,  
and yesterday morning eight of the  
druggists were summoned to the police  
court. Without plea or election they  
were remanded until next Tuesday.  
Those who appeared in court were:  
Fred J. Sanders, 322 East Queen  
street; James E. Hayes, 792 East  
Gerrard street; L. W. Biggar, 515 Pope  
avenue; William J. Mitchell, 210  
Danforth avenue; Stanley H. Elmore,  
William Nobbs, A. E. Le Francois, 676  
Pape avenue, and J. A. Gallagher, 106  
East Gerrard street.
