THREE STRAIGHT IS COUNT OVER LEACH

Leafs Had a Job Stalling Off the Hustlers in Third Game of Series.

The Leafs made it three straight by taking yesterday's game from the Hustlers. The breaks came our way and the score was 7 to 5. Herche and McTigue were the opposing pitchers, and while the Rochester heaver had less hits chalked up against him the support given the local flinger had a lot to do with his victory. The fielding of the visitors was miserable and their total of six errors had considerable to do with the Leafs' seven runs.

Smith and Truesdale led the Blackburne boys with the good fielding. Both of these athletes pulled off sensational stops, and when McTigue threatened to get too liberal with his base hits a sharp piece of fielding stopped the Hustlers. Manager Tommy Leach had a bad afternoon at the red light corner for Rochester. He supplied two bad heaves and Catcher Hale helped us out with three mistakes. With perfect fielding the visitors would likely have emerged victors.

When his team mates were fielding faultlessly Herche pitched sterling ball. McTigue was good in spots, but weakened badly in the ninth, and the enemy brushed over three runs here. It was a good finish to a lively game.

The Leafs started their scoring early. The first innings was productive of a run, and it was not earned. With Truesdale and Trout out of the way Murray singled. Leach threw wide on Graham. A double steal was pulled and Murray scored when Hale dropped Siglin's good return. A cheap run.

Devlin walked and McAuley tripled to score Rochester's first run in the second. Our half netted two counters. Blackburne walked and Hale threw Smith's bunt badly to first, all hands being safe. Blackburne was cut off at third on Kritchell's bunt. McTigue whiffed, but Truesdale's poke to centre counted two runs.

The third was another large innings for us. Two runs were added here. Leach threw low on Murray's roller. Graham boosted him up a peg with a sacrifice. Viox got a free journey to first. Blackburne cut a hit to right and Murray scored when Hale let Sloan's good throw to the plate get away. Smith's sacrifice fly let Viox score.

Two singles and a force out let Rochester score their second run in the fifth round. Herche kept the Leafs in subjection until the eighth. We made our total seven in this innings. Blackburne walked and Smith laid down the sacrifice bunt. Kritchell's single scored Blackburne when the latter made the home stretch by some fast sprinting. It was a clever piece of baserunning. A passed ball let Kritchell up to third and McTigue's single counted him.

McTigue had a busy session in the ninth. The Rochester crew uncorked a lot of base hits. McAuley smashed a hit off Mac's glove and Hale beat out one to deep short. Herche fanned, but Milan's hit let one over. Manager Leach came along with a triple between Viox and Murray that sent two men scampering home. Jacobson grounded out to end it.

The Leafs and the Hustlers will wind up their series with a double-header today. The Leafs must win every game if they hope to have any chance for the pennant. The Bisons are winning daily. Score:

NORRIS WILLIAMS II. IS AGAIN CHAMPION

FOREST HILLS, N.Y., Sept. 5.—For the second time in his short career on American cou rts R. Norris Williams II. of Philadelphia won the national turf singles championship at the West Side Club here this afternoon when he defeated Wm. M. Johnston of San Francisco, the 1915 champion, in a five-set match at scores of 4-6, 6-4, 0-6, 6-4, 6-4.

While the contest between the two champions of 1914 and 1915 had a nerve-racking climax, the match considered as a whole, was hardly up to the tennis expected from these two masters of racquet and court. The gallery of close to 10,000 spectators, who gathered to witness the final act of the 36th annual tournament of the National Association, looked for a wonderful and thrilling exhibition from the two survivors of the 128 entrants who started play here more than a week ago. In the main, however, they were disappointed, for while there were occasional brilliant rallies and flashing strokes, both Williams and Johnston, in their endeavors to play carefully, unconsciously eliminated much of the dash and fire from their racquet and footwork.

Weather conditions were excellent, the sky being overcast, and there was no wind to divert the flight of the ball. The atmosphere, however, was rather humid.

JOLTING LACROSSE.

A lacrosse team of soldiers came down from Borden Camp on Saturday for a game that they understood had been arranged for them by some of those people who are behind amateur lacrosse in Toronto. The soldiers found no game, no explanation, and the little that's left of the national pastime here received another jolt. Put those who are supposed to handle lacrosse in Toronto behind, say, lawn bowling, and they might kill it too. But that kind are not in lawn bowling.

NEW WORLD RECORD BY A HYDROPLANE

Miss Minneapolis Averages Better Than Fifty-Five Miles an Hour.

DETROIT, Sept. 5.—In one of the greatest performances ever seen in a hydroplane race, Miss Minneapolis of the Minneapolis Powerboat Association this afternoon won the 90-mile gold cup race and incidentally established a new world's record of 55.8 miles an hour for five miles. She took the cup by finishing second to Miss Detroit in the final 30-mile heat today, which gave her 20 points against 18 for the local boat.

The new record was made in the final lap, after Miss Minneapolis had broken a pushrod in the fourth time around and fallen fully three-quarters of a mile behind Miss Detroit. The two speeders crossed the finish line one second apart. Hawkeye of the Lake George Club, third in today's heat, took third place in the race with 13 points and Peter Pan VII. of the Columbia Yacht Club, New York, fourth with 11 points. The latter boat, the only other starter, today was forced out of the final heat by engine trouble after covering four laps.

Miss Minneapolis' time today was 41.21, an average for the heat of 50.4 miles an hour. For the entire 90 miles her time was 2.07.43, or at the rate of 43.6 miles an hour. Miss Detroit averaged 47.1 for the three heats, which she covered in 2.10.43.

The Minneapolis crew disconnected the broken rod and opened up at the start of the final lap. They probably would have overtaken the Detroit if they had had another half-mile to go. As it was they crossed one second behind the cup defender.

The regatta closes tomorrow with the one-mile hydroplane championship race of North America.

TURKS CLAIM SUCCESS IN REGION OF OGNOTT

BERLIN, Sept. 4, via wireless to Sayville.—An official statement issued by the Turkish army headquarters under date of Sept. 3 says:

"Caucasian front: Our right wing after terminating yesterday's operations made more prisoners. In the sector of Ognott a hostile attack was repulsed. The enemy suffered losses. One lieutenant and soldiers who were taken prisoner declare that the 15th regiment of the fourth division of Caucasian riflemen, in consequence of the abortive attacks on Aug. 17, lost three-quarters of its strength, and that other regiments had still heavier losses.

"In the centre, detachments of our troops raided the hostile trenches. They entered some of them and destroyed four field guns. They also brought back 47 prisoners and some artillery horses."
