The thus releasing a large sum of cash been improved by copious showers for degree weather since July the first in Pine Grove-Sov. Leah, Sov, Brown, most sections of the West. Spring wheat in Alberta will be ready to cut

Twenty-four million binder twine will be required in Western Canada for the crop, and there Hardingham, are grave prospects of a shortage. This is allowing that there are 9,600,-000 acres of grain crops in the West. Sports Committee-Fred Simmons, ders, Soy, Luscombe, Sov. Fitzgerald. which, owing to exceptional conditions, will require two and one-half pounds of twine per acre. The price, however, remains steady, at 1% cents per pound, wholesale, less than last year, and the best authorities state more trouble than the price, despite

the shortage. ECLIPSES ALL RECORDS

New York, July 10 .- Breaking all previous records over the long-distance course across the Atlantic of 2 .-891 miles, the swift turbiner Lusitania arrived at Sandy Hook lightship today at 2:11 a.m., the time of passage being 4 days, 19 hours and 36 minutes. The Lusitania left Dauntes Rock on July 5 at 11:35 a.m., her average speed throughout the trip being 25.01 knots an hour, which eclipses her previous day's average of 24.88 for the trip. She is now the only 25-knot steamer. The Lusitania on this trip also distanced her sister ship's record the Mauretania by 39 minutes. New four-bladed propellers were used on the trip. pest day's run, July 7, was 648 knots,

NEVER MIND

beating the previous record two knots.

How often the children ask for

KELLOGG'S CORN FLAKES

They couldn't eat anything that will agree with them better.
