Kilgour, "That this meeting renders cordial thanks to the medical staff, and to the clergymen of Parkdale, for their faithful attendance upon the inmates of the Home, to the lady managers who, in attending the weekly meetings through the year, have borne the chief care and responsibility of supervision; to Mrs. Craigie for her excellent and efficient domestic management; to Miss Grace Mowat, the head nurse, and the attendants in every department, for fidelity in the discharge of their respective duties."

These resolutions were moved and carried unanimously.
