

## FIRST AID WORK AT FAIRS REPORTED ON

Were Conducted This Year at Saint John, Fredericton and Chatham.

First Aid booths were conducted this year by the St. John Ambulance Association at three of the provincial exhibitions, Saint John, Fredericton and Chatham. At each booth there were many emergency calls to be dealt with and a valuable and timely service was rendered. The St. John Ambulance Association reports on the different booths as follows:

The Saint John booth was again an attractive exhibit and a very useful and necessary service in connection with the exhibition. About 60 cases were treated by the staff of the booth. Miss Irene Barber, Miss Dorothy Purdy and two members of the Scoutmasters first aid team, L. L. Johnson and Lawrence Plimcombe. Two Scouts were on duty each evening and two Guides each afternoon, their duties of message carrying, etc., being smartly attended to, and their uniforms adding to the appearance of the booth. Different ladies belonging to the council were on hand each day, under the convener'ship of Mrs. J. Boyle Travers. The booth was conducted by the Saint John Centre of the Association.

### AT FREDERICTON.

At Fredericton the booth under Miss K. M. Stewart, R.N., was useful and artistic, the palms, flowers and flower baskets lent by Miss Schiller being very much admired. Miss Irene Barber assisted Miss Stewart for a few days. Mrs. A. McFarlane, V.A.D., was also assisting. The Countess of Ashburnham, Provincial vice-president of the association, visited the booth during the week. The annual expenses necessary were met by private donations from friends of the association. The Exhibition Association extended every help and courtesy to Miss Stewart and her helpers. Two Girl Guides were faithful attendants through the week. Arrangements in connection with the Chatham booth were made by Mrs. F.

## Exmouth Street W. M. S. Has Program

It was special cue day meeting for the W. M. S. of the Exmouth street United Church on Tuesday evening and a program of interest was arranged. Mrs. Charles Bustin, president, was in the chair. The vice-president, Mrs. M. Bonnell, led the devotionary exercises, the subject of which was "Prayer." Mrs. J. Bailey conducted the Watch Tower section and spoke on the "All People's Mission" in Winnipeg. Mrs. A. D. Hopkins spoke on Ruthenian work and Mrs. W. Case described the work among Orientals in British Columbia. Miss Frances Withers sang a pleasing solo, with Mrs. W. Beville accompanist. Miss Sleep gave a reading that was much appreciated. In a social hour after the meeting refreshments were served. The committee in charge of the refreshments consisted of Mrs. J. Magee, Mrs. H. Jones and Mrs. J. Scott. An offering for the flower fund amounted to \$4.

**INDIAN WOMAN, 104, DIES.**  
PORT ARTHUR, Ont., Oct. 8.—Sophia Shalagijewich, Indian woman, is dead at Nipigon at the age of 104 years. She was born at Long Lac in 1821, the year of the amalgamation of the Hudson's Bay Company and the North West Company and spent her whole life in the Long Lac-Nipigon territory.

E. Jordan, through Mrs. T. N. Vincent of Saint John. Mrs. Jordan secured the necessary funds to meet the traveling expenses of the secretary, Miss Barber, who was in charge of the booth. Besides private donations and assistance, the association very much appreciated the interest of the Miramichi Hospital Aid, which society kindly promised to assist in any way necessary, and that of the Exhibition Association, which paid a part of the expenses besides helping in every possible way. Between 60 and 80 cases were attended to at the booth, several cases being of a serious nature, and some being taken to the Hotel Dieu Hospital at Chatham, or to a doctor. While in Chatham Miss Barber was the guest of Mrs. F. E. Jordan. Two Cadets were on duty at the booth during the time of the exhibition.

## FIANCE AWAY; MARRIES CHUM

In a very dramatic fashion Miss Minnie Beatty recently exercised a woman's prerogative of changing her mind. She left her Nevada home for Los Angeles where she was to meet and marry her sweetheart. The young man happened to be out of town, so his chum met the young lady. They were married the next day.

### ON INSPECTION TRIP.

## PASTOR IS GRANTED DIVORCE FROM WIFE

Special Master Finds Woman Guilty of Extreme Cruelty.

TRENTON, N. J., Oct. 9.—Special Master Barton B. Hutchinson filed a report with the Court of Chancery here, recommending that an absolute divorce be granted the Rev. Dr. Stewart L. Tyson, of St. George's church in New York, from Mrs. Anna G. Tyson, on the ground of extreme cruelty.

The Tysons were married in 1917 and lived in Princeton until August 23, 1924. The report of the Special Master says that Mrs. Tyson adopted a course of extreme cruelty to her husband and continued it until their separation. It says that once when they went to the opera Mrs. Tyson accused her husband of flirting with another woman and criticized him so harshly that he had to leave the opera house. On another occasion she is said to have attacked him with a letter knife and thrown a bottle of medicine at him.

Miss Mae Kirby, of Moncton, has returned from a visit to St. Stephen, and is visiting Mr. and Mrs. E. S. Henegar, 26 Orange street.
