YACHTS ENTERED IN HALIFAX RACE

Twenty to Start From New Rochelle on the 27th of This Month.

Circulars and entry blanks for the International yacht race from New Rochelle to Halifax, a distance of 531 nautical miles, have been sent out by former Commodore C. A. Marsland, chairman of the New York committee. The date of the start of the race has been set for Sunday, July 27, at 1 p.m., Eastern Standard time, off Execution Light at the western end of Long Island Sound. The finish line will be between the breakwater off the Royal Nova Scotia Yacht Squadron house in Halifax harbor and the Canadian committee boat.

Interest in deep-sea racing is growing fast. The recent Bermuda ocean contest of 660 nautical miles drew a fine entry of fourteen racing yachts, and Commodore Marsland reports that the New Rochelle committee has already received a tentative list of over twenty vessels that are expected to start in the Halifax contest. Entries in the Halifax race will close on July 19 and should be addressed to Mr. Marsland at the New Rochelle Yacht Club, or 200 Fifth Avenue.

The circular giving the general conditions under which the race is to be sailed is headed by the following paragraph: "In order to encourage the designing, building and sailing of small, seaworthy yachts, to make popular cruising upon deep water and to develop in the amateur sailor a love of true seamanship and to give opportunity to become proficient in the art of navigation, an ocean race has been planned for this year between New Rochelle and Halifax."

Must Be Sailboats.

In order to be eligible to enter the long ocean race, the official circular states that a vessel must be propelled by sail, of a seaworthy type, strongly rigged and properly ballasted, with closed cabins and watertight cockpit. Members of any organized yacht club in the world are eligible to enter, providing their boats conform to the terms and spirit of the conditions. Vessels in order to be eligible must be strongly built and suitable for extended cruising.

The international committee in charge of the Halifax race has arranged to divide the fleet into four classes, to be known as A, B, C and D, the last a special class for yachts up to seventy-five feet over all, designed under the rule of Class C, and yachts under 46 feet over all length. Class B yachts of the same type over 46 and under 65 feet over all and Class C vessels over 65 feet.

Winners in the different classes will be decided by time allowance and the allowances used will be based on the tables in use by the Yacht Racing Association of Long Island Sound. An allowance will be made for auxiliaries unless propellers are removed. The crew of a competing yacht shall consist of not less than four persons: the master and skipper, the navigator and crew being amateurs and so certified by the owner. Each 46 feet long vessel will carry one paid hand; vessels up to 52 feet over all may carry two hands and above this rating three paid hands may be on board.

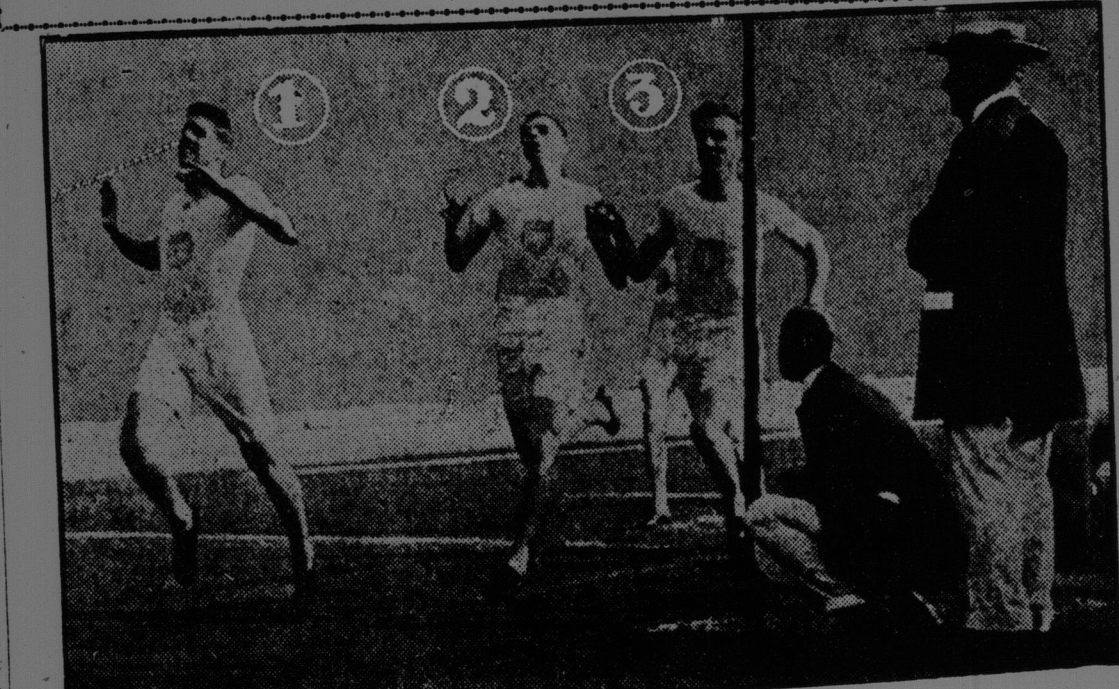

Handsome Prizes Offered.

Handsome prizes have been offered by the Royal Nova Scotia Yacht Squadron, the City of Halifax and the Halifax Herald for the winners in the different divisions. Halifax this year is celebrating the 75th anniversary of the city and the celebration will be under way when the racing fleet arrives. There will be race prizes as the Prince of Wales Cup, the Wenonah Cup and the Coronation Cup in which the visiting vessels may compete.

The International Halifax Race Committee, which has the general management of the contest in hand, is made up of the following members: all of the New Rochelle Yacht Club; Commodore G. W. Ford, Vice-Commodore C. S. Cowenhoven, C. A. Marsland, chairman of the race committee; C. A. Corbett and W. J. R. Rouse of Halifax and F. W. Baldwin of Baddeck, N. S. The start of the race will be in charge of the race committee of the New Rochelle Yacht Club.

The Royal Nova Scotia Yacht Squadron sailing committee, which will have charge of the finish of the race, is made up of Commodore A. F. Mackintosh, P. H. Moore, J. E. Wood, A. F. Halliburton, A. W. Weston and Dr. J. F. Lessell.

A HAPPY MOMENT IN STOCKHOLM OLYMPIAD 1-2-3

This is a photographic thrill from the Stockholm Olympic of 1912. It shows America making a clean sweep in the 800-metre run, with the noted Ted Meredith winning in world record time, and two competitors, W. M. Sheppard and I. N. Davenport finishing in a tie for second. This is one of the few times in history of the games that any nation ever monopolized first three honours.

Meredith, incidentally, was only 18 years old at the time and had not yet been graduated from Mercer'sburg Academy when he made the team. No one expected he would do more than run a creditable race. Sheppard and Davenport ranked high above him, as did Braun, the German star.

But Meredith ran a corking race all the way and set a new world record of 1:51.9-10 for the event, collapsing in a dead faint the moment he hit the tape.

EPINARD LANDED IN GOOD CONDITION

French Colt Valued at \$300,000, Goes to Belmont Park.

Epinaud, Pierre Wertheimer's chestnut four-year-old son of Badajoz and Epine Blanche, which came to the United States to take part in a series of three international races against the best horses this country can send to the post against him, was safely disembarked from the steamship Berengaria of the Cunard Line.

Epinaud was taken from the pier at North River to Belmont Park, where he will be housed in his permanent quarters at Saratoga.

It had been expected that as soon as the horses had entered the country they would be whisked away to Belmont Park. There was a delay, however, in the arrival of the necessary papers of the animals, but they were permitted to land officially. As the papers were not ready, Epinaud and his companions were held on the dock until just before 2 o'clock, by which time the necessary formalities had been completed.

From the moment Epinaud landed the shipping agent, Mr. Wertheimer, racing stable at Maisons-Laffitte in France a week ago last Tuesday until he gingerly walked across the French flag, by which time the necessary formalities had been completed.

PORTLANDS WIN AND TAKE LEAD

Defeat Champion St. Rose's Team by a Score of 8 to 5.

Outing the champion St. Rose's team from the lead the Portlanders gained first position in the championship series by their defeat of the Saints on the North End ground last evening by the score of 8 to 5. The largest crowd of the season attended the game which was featured by three fast double plays.

The Portlanders showed a run across the plate in the initial session but the Saints came right back in the second frame and registered three. The Portlanders again went into the lead by driving in three runs in the third chapter on two hits, a pass, a sacrifice and an error.

Another attack by the Portlanders in the fifth coupled with an error netted three more counters and put the game in the eighth but the north enders had a safe margin.

The hitting man hard, the Portlanders hit the home run which gave them the lead. The hitting man hard, the Portlanders hit the home run which gave them the lead.

VISITING TEAM IS DELAYED EN ROUTE

Cleveland Giants, Held Up at Border, Will Play Here Today.

Local fandom was disappointed when it learned that the Cleveland Giants could not arrive in the city in time for the game on Tuesday night. They did arrive in the city on Wednesday morning, but knowing that they would be too late for the game, they were held up at the border.

The Giants left Providence, R. I., Sunday afternoon at two o'clock in three cars. They arrived at Calais at two o'clock yesterday and at four o'clock they were on their way to the game. They were held up at the border and did not arrive in the city until Wednesday morning.

WOLVES, 15; ALL STARS, 6

The Wolves defeated the All Stars, 15-6, on the ice at the Acadia diamond last night. A thrilling game which netted 19 goals, clinched the game. The game was a very interesting one to watch. With the score 6-11, the Wolves came to bat for their last inning, and with one out, they started to connect, putting the game on ice.

To Help a Fellow Athlete

To help a fellow athlete in his efforts to win further laurels for his native city, the members of the Trojans and Royals baseball teams have generously agreed that proceeds from their league game tonight on the South End diamond be used to assist "Billy" Maynes attend the big Irish games in Dublin on August 3.

The South End Improvement League, although under a heavy obligation in regard to their new grandstand, have volunteered the use of the grounds free of charge.

Every English-speaking nation in the world will be represented at these Irish games. St. John can send its own representative at a very low cost.

The South End boys have done their part in a splendid manner. The Trojans and Royals will put up a great game. They generally do.

Who is ready to help them?

The price of admission will not be raised but will stand at fifteen cents.

HILTON BELVEA DEFEATED IN RACE

Eliminated by Schneider, of Switzerland—Was Not in Condition.

Details of Hilton Belyea's race yesterday in the Olympics, in which two unknown scullers eliminated him from the finals still are lacking, but when they become known it probably will be found that the St. John veteran practically rose from a sick bed to give his best for Canada and his native city.

When P. J. Mulqueen's cablegram arrived last week with the news that Belyea was seriously ill and in the care of Dr. A. S. Lamb, of McGill, it carried the news that Belyea's recovery was doubtful. Whether this meant his life was in danger or that recovery was doubtful in time for the race was made clear, although efforts were made to clear up this point.

One fact is clear—Belyea was a mighty sick man and went into the race yesterday totally unfit to give his best. He probably faced the starter's gun with a heavy heart, and he knew he was in a bad way. He knew he was in a bad way. He knew he was in a bad way.

RECORD CROWD AT SOUTH END GAME

Dalton Pitches Saints to 10 to 2 Victory Over the Machine Gunners.

Fully 2,000 fans, about the largest crowd of the season, watched the St. John Baptist outfit climb onto the mound last evening by defeating the Machine Gunners, 10 to 2. "Tack" Dalton went the entire route for the winners and pitched a masterly game, allowing seven hits, striking out nine of his opponents, and winding up a great evening by busing one runner on the nose for a home run with two men on base.

He was opposed by the veteran Gunners, who showed a double play in the seventh inning, when he was relieved by Eddie Johnston. Johnston did very well, although he went into the box with a lead.

The Gunners were without the services of Carpenter, their first baseman, and Peckham, their heavy-hitting outfielder, but it is doubtful that even with these two good men in the line-up they would have been able to take the St. John team.

The Saints countered in their half with two, but in the next the Gunners tied it up once more.

The long-distance clouting of the Saints was a feature. Cyril Moore's three-base play with two on in the third was one of the snafus of the match. The hitting of Fraser and Moran was equally good. The fine all-around work of "Jimmie" Mount, captain of the Gunners, at third was a feature. Mountain had four putouts and four assists on sixing liners, and at bat connected for a double, a home run, and a sacrifice. The Saints tied the game in the eighth, but the Gunners won in the ninth.

The Saints' win puts them close up behind the Trojans for third place, and gives the Trojans a decided lead in first place. Tonight the Trojans meet the Royals.

WILL SHIP LOCAL HORSES TO CAPITAL

David Hal, Wilford C. and Miss Abbie Brino Will Race

Silas E. Rice announced today that Wilford C. David Hal and Miss Abbie Brino would be shipped to Fredericton at the last of the week to participate in the big race meet to be held there on July 28 and 29. David Hal will be entered in the 214 class and Wilford C. and Miss Abbie Brino in the 218 class. All three horses are being conditioned at Moosepark and it is expected that they will give a good account of themselves.

Games Tonight

Manager Gay of the Royals and Manager Siding of the Trojans promise their strongest line-up for tonight's big game on the South End diamond. Kerr will twirl for the league leaders and Eddie Cox will be on the receiving end, while Earl Nelson and Austin will form the battery for the colored boys who are out to win the game and keep in the league race. They have been hitting a fast clip recently. Although this is a benefit game, the price of admission to the grandstand has not been raised as the committee in charge is banking on the sportsmanship of the baseball public to put this over. In the Intermediate League, the Martlets meet the St. Luke's on the North End diamond.

WORLD RECORDS ARE RATIFIED

International Federation Approves 36 Marks Made by Aquatic Stars.

Paris, July 15.—(Associated Press).—The International Amateur Swimming Federation has ratified thirty-six world records made within the last year and a half, all except ten of them credited to United States swimmers. Johnny Weissmuller of Chicago was credited with twelve world marks and Miss Gertrude Ederle, Women's Swimming Association of New York, with eight.

The events in which Weissmuller is credited with world records range from 100 yards to 500 meters, while Miss Ederle's distances range from 100 meters to a half-mile.

Miss Sybil Bauer, Illinois A. C., is credited with three backstroke marks at 100 meters, 200 meters and 500 yards. Miss Helen Wainwright of New York is given the 800-yard free style mark. Two Hawaiians also get new records. They are Miss Marichen Weislaue, who is credited with the 100-yard free style record, and Warren Kealoha, who is credited with the 100-metre backstroke record.

The federation honored Miss Charlotte Epstein, Women's Swimming Association of New York, by appointing her a timing judge in the competition which will begin Sunday. This was the first time any woman official has been named. Four other American officials were appointed. L. de B. Handley, New York, and Harry Hainesworth, Buffalo, were appointed diving judges; Charles A. Dean, Chippewa Falls, Wis., and Joseph A. Reilly, Brooklyn, timer. Handley also was named to the committee to revise the diving rules.

REDDITCH WINS IN TORONTO BOUT

Defeats Soldier Jones for the Lightweight Championship of Canada.

Toronto, July 15.—Jack Reddick, of Moose Jaw, knocked out Soldier Jones in the eighth round of their scheduled 10 round fight here last night. Jones weighed 173½ pounds and Reddick 169½.

The fight was for the light-heavyweight title of Canada, which Reddick took as a result of his knockout win in his previous fight. It was a knock-out win for Reddick, who landed a right hand to the body which landed on his head, injuring his head and back to such an extent that he lay on the ground for several minutes and was unable to get up. He had to be helped to the ring.

While the knockout was partially the result of the fall from the ring, Reddick was so far ahead on points that the bout proved conclusively that he is the better man.

BOBBY McLEAN TO RACE IN N. Y.

Saranac Lake, N. Y., July 14.—Bobby McLean, professional speed skater, has been secured by a contract with Tex Rickard as matchmaker for a series of races to be held in Madison Square Garden, New York, next January, for the professional speed skating championship of the world, it was announced here recently.

TRAP SHOOTING AT GLEN FALLS

The weekly meet of the shot gun followers will be held tomorrow night at Glen Falls, starting at 7 o'clock. Ammunition and targets will be sold on the grounds.

A good crowd of shooters is expected to be present, as there are a good many events to be run off, it is hoped that all those participating will be on time.
