Eyes Strengthened 50% by Proper Eye Care, Says Doctor

Suggests Simple Home Treatment Which Quickly Relieves All Irritation and Sharpens Vision.

No longer is there any excuse for most of our eye troubles. For specialists have perfected a simple but amazingly effective treatment which not only quickly relieves burning, itching, smarting, aching eyes, but also banishes eye headaches, eye-strain and blurred vision.

This simple treatment is called the Non-Opto system, and is now being prescribed by physicians and specialists everywhere. It is based on the latest scientific discoveries. Scientists have recently proved that 90 per cent of all eye troubles are due to weakness in certain little muscles which adjust the eye. Eyeglasses alone will not strengthen these muscles. But the Non-Opto treatment seizes through directly to them, heals and tones them, and soon restores them—and therefore the eyes—to their old-time strength and vigor.

Don't neglect your eyes. The discomfort felt after an automobile ride, a movie or any close work, are important danger signals. Yet every irritation and ache can be almost instantly banished by a Non-Opto eye-bath, and more serious trouble prevented. Non-Opto should be in every home. Your eyes are far more important than your teeth. As often as you use your toothbrush you should take your eye-bath. So get a package of Non-Opto. Results guaranteed. Money back without question if you are not delighted with the improvement in your eyesight. Non-Opto is sold by goods-druggists everywhere.

HER COOKING MADE HIM SICK
Stomach Trouble (Gas) Made Man Hard to Get Along With

"I could not say too much about Adlerika (intestinal antiseptic). Since taking it I can eat anything I like and everything I did eat made me sick." (Signed) H. C. Hume.

Intestinal Antiseptic.

There is now offered to the public a preparation having the DOUBLE action of an intestinal antiseptic and a COMPOSITE system cleanser. This preparation, known as Adlerika, acts as follows:

It tends to eliminate or destroy harmful germs and colon bacilli in the intestinal canal, thus guarding against appendicitis and other diseases having their seat here.

It is the most complete system cleanser ever offered to the public, acting on BOTH upper and lower bowel and removing foul matter which poisoned the system for months and which nothing else can dislodge. It brings out all gases, thus immediately relieving pressure on the heart. It is astonishing the great amount of poisonous matter Adlerika draws from the alimentary canal—matter you never thought was in your system. Try it right after a natural movement and notice how much more foul matter it brings out, which was poisoning you. In slight disorders,

The audience which had assembled to hear the address was so large that it filled the hall and overflowed into the passageway. F. B. Ellis, president of the Natural History Society, was in the chair.

Professor Prince gave a survey of the great fisheries of Canada and the pictures with which he illustrated his address showed scenes in fishing villages and conditions of fisheries in general in the Maritime Provinces along the St. Lawrence, across Canada and on the west coast.

In the second part of his address, Professor Prince told of the habits of the different varieties of food fishes of Canada and showed beautiful colored slides, depicting each species. Concerning the spawning habits of fish he also related facts which were a surprise to his audience. Nearly all of the eggs of fish were found on the surface of the water and not on the bottom as was commonly thought, the lecturer said. He spoke also of the primitive forms upon which the fish lived.

A curious circumstance which he spoke of was that the French sardines were hatched on the coast of Cornwall, where the large fish, pilchards, were caught, but the small sardine fish were never found in Cornwall fisheries.

Professor Prince's lecture was very greatly appreciated and the hearty thanks of the meeting was extended to him on the motion of Dr. J. Roy Campbell, seconded by W. F. Burdett. Professor Prince will give his address in Chatham later in the week.

GIRL KIDNAPPED BY INSANE MAN

Chicago, Dec. 4.—After more than thirty-six hours search the police have concluded that twelve-year-old Rose Borth, who disappeared Sunday, after she had been sent for groceries, has been kidnapped. The police say they are seeking a self-styled celestial angel and heavenly father, as the possible kidnapper. He is said to have escaped recently from a state prison for the insane at Elgin, Ill., where he was sent for attacking children under the guise of performing a religious ceremony.

The Best Cough Syrup is Home-made.
Here's an easy way to save \$1. and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families all over the world feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a 16-oz. bottle, pour 2½ ounces of Pinex; then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy for \$2.00.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, it's the pinex, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment, ask your druggist for "2½ ounces of Pinex with directions, and don't accept anything else. Guaranteed to give absolute relief, or your money is refunded. REPORT RECEIVED ON INTERFERENCE

Council, However, Returns It to City Electrician for Further Report.

The City Council yesterday afternoon sent back the report of J. V. Cunningham, city electrician, on the alleged interference between the wires of the city system and those of the New Brunswick Power Company for a further report as in one instance at least Mr. Cunningham had inspected the wrong location. A communication in regard to Cranston avenue was referred to the Mayor and Commissioner Frink, and a communication from the Historical Society in regard to Port Howe was filed. The council was given authority to pass for payment all bills rendered before Dec. 15 and a news stand privilege in the east side ferry house was granted to Thomas Mowry.

Finance Report.

Mayor Fisher, Commissioner of Finance and Public Affairs, recommended the payment of the following departmental accounts for the last month, namely, Treasury Department, \$361.68; Public Safety, \$2,645.96; Public Works, \$3,941.08; Water and Sewerage, \$8,818.60; Harbors, Ferries and Public Lands Department, \$974.58.

He reported payments during November amounting to \$263,558.26, and recommended that the Comptroller be authorized to pass for payment all accounts received by him, if correct, so that they might be charged to the year's expenditures, such accounts to be placed in his hands by the several departments on or before the fifteenth instant; also that the Comptroller be authorized to pass for payment the several payrolls for the month of December on the twentieth instant, so that they also might be entered up against this year's expenditures. Adopted.

Claims Damages.

The report of the acting city electrician that no interference existed between the wires of the city and the Power Company at 28 Carmarthen street was referred back as that official had been making a report on the wrong location.

A communication from W. M. Ryan, claiming damages for his client, Mrs. George McAuley, West Side, for injuries in a fall on the sidewalk on King street, West Side, was referred to Commissioners Bullock and Frink with the city solicitor.

A letter from Alfred G. Clark, Norton, in reference to the \$500 tax on piano tuners, was referred to the Mayor.

Against Taking Fort Howe.

A communication from the New Brunswick Historical Society protesting against the city taking over Fort Howe was received and filed.

A bill for \$150 for membership in the Union of Canadian Municipalities was referred to the Mayor with power to act.

On motion of Commissioner Bullock it was decided to grant to Thomas Mowry a news stand privilege in the east side ferry waiting room for the sum of \$200 per year payable monthly, the lease to date from Dec. 15.

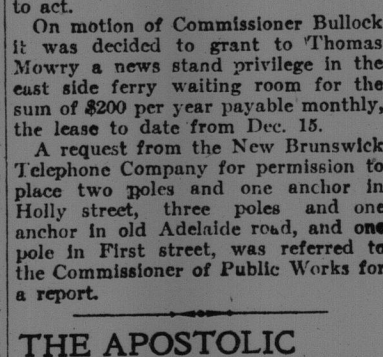

A request from the New Brunswick Telephone Company for permission to place two poles and one anchor in Holy street, three poles and one anchor in old Adelaide road, and one pole in First street, was referred to the Commissioner of Public Works for a report.

COUNCIL DECIDES TO GRANT LAND
City Will Provide Site for Potato Warehouse at Sand Point.

The City Council yesterday afternoon decided to deed the 95-foot strip lying between the end of No. 14 and the old C. P. R. shed to the Dominion Government and it is expected the erection of the potato shed on this property will be proceeded with at once.

The following resolution was moved by Commissioner Bullock and seconded by Commissioner Frink:

"That the resolution of this Council on the first day of November, instant, with reference to the leasing to His Majesty the King, represented by the Department of Public Works, of certain wharf property, lying between the frost-proof warehouse on Government property at Sand Point and the potato shed on the old C. P. R. property now owned by the city, for the purpose of erecting a potato shed thereon, be rescinded, and that a deed in fee simple of the said property be given to His Majesty the King, represented by the Deputy Minister under date of November 20th, or for such other purposes as may be deemed necessary by the demands of trade and commerce from time to time.

This was supported by Commissioners Wigmore and Thornton, but was opposed by Mayor Fisher on the ground that the city was giving away something of value and it might possibly bind them to an exchange of properties, which he was not satisfied was in the public interest.

HAMPTON HAS \$1,200 FOR WAR MEMORIAL

Hampton, N. B., Dec. 4.—The Hampton Great War Memorial Association met on Friday evening at the Consolidated School, C. T. Wetmore, the president, and for the first time the reports were encouraging and it was shown that since June more than \$1,200 had been raised for the war memorial.

The building which had been run for a few months by Mr. Wetmore brought in about \$228. Votes of thanks were tendered to Harold Taylor for the concert he had given, also the little girls, Irene Ross, Edith Ross, Marjorie Folkins, Helen Humphrey and Edith March, for the sum of \$15.88 they had raised by two bazaars.

On the first appearance of a cough or cold our advice to you is to get rid of it before it has a chance to grow worse; gets settled on the lungs, and causes bronchitis, pneumonia, or other serious lung troubles.

Dr. Wood's Norway Pine Syrup will immediately relieve the cold or cough on its inception.

Mrs. David Ayres, Kearney, Ont., writes: "Our whole family was laid up with severe colds, and the doctor was called. We were unable to do anything we used until, one day a friend came in and told me we would be sure to get rid of our colds if we used Dr. Wood's Norway Pine Syrup. I decided to take her advice, and in no time our colds were all gone."

Now, knowing the value of your remedy, we will always keep it on hand so as to have it in case of emergency."

Dr. Wood's Norway Pine Syrup is a safe, a bottle, large family size, is put up only by The T. Milburn Co., Limited, Toronto, Ont.

MANY WESTERNERS TO SAIL FROM HERE

That the western provinces will be strongly represented in the passenger list of the steamer Montclare, sailing from St. John for England, Dec. 7, was demonstrated yesterday when the Canadian Pacific train left Winnipeg in two sections carrying passengers en route to St. John for this steamer. Extra sleepers from Alberta, Saskatchewan and Manitoba were required to accommodate the people.

SAYS SEASON FAIRLY GOOD.

Leonard O'Brien, of O'Brien's Ltd., of Nelson, accompanied by his mother, Mrs. John O'Brien, Percy Burchill and Miss Burchill, arrived in the city last evening from Nelson. Mr. O'Brien said that the season just passed had been a fairly good lumber season in the Miramichi. There was still no sign of ice-in the river and the last steamer of the year had sailed with its cargo just a few days ago.

Was Constipated For Several Years

If you have suffered from constipation for years, tried all kinds of remedies without getting relief, if you have been subject to all the miseries associated with constipation, wouldn't you consider it a blessing to be able to keep the bowels regular and in a good healthy condition and prevent disease getting a foothold on your system?

Mr. M. Hedian, Sudbury, Ont., writes: "I have been troubled with constipation for several years. I began to use Milburn's Laxa-Liver Pills and find them to be the best remedy I have ever used for regulating the bowels and liver. I always keep them now and recommend them highly."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

FOR EMIGRATION TO THE DOMINION

London, Dec. 4.—"I cannot understand the government," declared General Booth of the Salvation Army in speaking at Manchester on the subject of emigration. "I do not know what to make of statements with such ability as is to be found in all the parties who do not realize that this makes the solution of a large part of our unemployment problem."

"I placed 150,000 in Canada alone in five years before the war. There were very few failures among them. Those who do fail are brought back at our expense."
