ARRANGING 'SAW-OFFS' FOR BRITISH SEATS

Reported Deals of Conservatives and Coalition Liberals.

Lloyd George Called on for Definite Guidance in Glasgow Speech Tomorrow—Papers Vary in Comment on Bonar Law Manifesto.

(Associated Press)

London, Oct. 27.—The latest development in the election campaign is an understanding reported to have been reached in some districts under which the Conservatives have agreed to oppose coalition Liberal candidates under the Lloyd George banner who will pledge themselves to give their general support to Premier Bonar Law.

Several such bargains have been reached in London and neighboring constituencies but in the northern districts it was said that most of the Lloyd Georgians had refused to enter into any such arrangement.

At Dundee, the Unionist association decided to support Winston Spencer Churchill, who was secretary for the colonies in the Lloyd George ministry, and J. A. MacDonald, another coalition Liberal.

Referring to these deals, the Times says that the coalition Liberal party is in danger of breaking in two and attributes this condition to "lack of a decisive lead by Lloyd George."

While in some places the Lloyd George followers are aligning themselves with the Conservative party, others, especially in the north, are seeking a union with Free Liberals.

The newspaper understands that Lloyd George has been urged to give his party definite guidance in the speech he is to deliver on Saturday in Glasgow.

Lloyd George made no reference to the question of these new inter-party deals in a message which he sent to the Daily Mirror today.

He said he had a profound conviction shared by the most experienced and distinguished leaders in the Conservative party that manifest difficulties ahead of the country can best be solved by those who put the interest of the country above party considerations.

"I regret that the only appeal that the distracted state of Europe and the world makes to many is an appeal for further faction and disunity at home. Such a path I cannot follow. The course I intend to take will be dictated by no personal considerations and in no factious spirit. I shall continue to do my best to serve the country regardless of all personal advantage."

Premier's Manifesto
Comment on the manifesto and speech delivered yesterday by Premier Bonar Law is rather evenly divided in this morning's newspapers.

The Times has no hesitation in commending them to the public's approval. The Morning Post also urges the public to give the utmost support to the Bonar Law programme for bringing about rest and tranquility. That newspaper describes the manifesto "as the plain statement of an honest man backed by honest men."

Commendation of Bonar Law's speech yesterday as calm, restrained and reassuring is given by the Daily Express, but it urges the electorate to insist that the government completely withdraw from the Near East.

The Daily Chronicle supporting Lloyd George, says that the utterances of his successor do not show any reason why the new regime should have turned out the Lloyd George government. It warns the electors that the new programme contains "twenty sophisms through which an unscrupulous die-hardism can break loose."

The Asquithian Daily News records approval of the abolition of some "presently objectionable features of the Lloyd George system" but adds that nearly all the members of the new government are deeply committed to "the blunders, hypocrisies, waste and tyranny" of the late government.

The policy of the new premier is regarded by the Westminster Gazette as "a vague to the point of blankness—a caricature of programme," while the Daily Herald views it as an "abject confession of ineptness."

Declared to be the One Who Has Made Bonar Law Premier

Labor Organ Says It will be His Decisions That will Count—Lloyd George and Birkenhead Honored in Colchester—"Don't Quarrel in Hospital Over Patient."

(Canadian Press)

London, Oct. 27.—The New Leader, which recently took the place of the Labor organ as weekly organ of labor opinion here and is edited by Henry N. Brailsford, author and journalist, declares that Bonar Law would not be premier today, and would probably have retired altogether from politics, but for the eager energy of his friend Lord Beaverbrook.

"That extraordinary product of success in Canadian finance, rising from the most humble circumstances and with a real genius for friendship," says the New Leader, "has been determined on one thing only in politics for the last ten years, and that is to make Bonar Law premier."

"The new government is a Bonar Law-Beaverbrook government and although Lord Beaverbrook may remain behind the scenes, it will be his decisions which will count."

"He assisted in breaking up the Liberal party in the first coalition and while the latter was timorously shivering on the brink, into repudiation of H. Asquith by a majority of his followers. In this last week, when Bonar Law was timidly preparing to resign, rather than make his speech against Asquith Chamberlain, we think it would be found that Lord Beaverbrook took the decision for him."

Worrying the Patient

Colchester, Eng., Oct. 27.—Former Prime Minister Lloyd George, Lord Birkenhead, the Lord Mayor of London and a group of his sheriffs were welcome yesterday among a party entertained by the mayor of Colchester.

Lord Birkenhead, introducing Lloyd George at the banquet, said the former premier had been the province of realization than their opponents of the difficulties of the government's problems, every help within their power and would put the country before party.

Lloyd George followed with a brief speech in which he said that the thermometer has not yet reached that mark which indicates health, he said.

"It is nowhere near it, and until it reaches it there is real danger and cause for anxiety. The physicians who have been watching the case and doing their best to promote recovery, have said: 'Don't let us have a quarrel in the hospital until the patient has completely recovered.'"

SAID HUSBAND RECEIVED HER

Wrong Name, Religion and Nationality—Court Orders Marriage Dissolved.

Montreal, Oct. 27.—Mr. Justice Coderre delivered judgment in the superior court yesterday dissolving a "mixed marriage"—that of Vera Musgrave, Presbyterian, formerly of North Sydney, N. S., and Harry Yovienky, a Hebrew, who was in Winnipeg when his wife's writ for dissolution of their marriage was served on him. He did not appear.

The marriage was dissolved on the ground that the deliberate deception by the husband as to his name, religion and nationality constituted justification for the wife's action in annulling as provided for in Article 148 of the civil code, which states: "When there is error as to the person, the marriage can be attacked by the party led into error."

In her declaration the petitioner declared she was married on June 7, 1921, to Harry Yovienky, whom she then knew only by the name of Harry Deckovian. The marriage was performed in Halifax by Rev. R. W. Iosb, Presbyterian minister. She said that immediately after she discovered her husband's deception she left him—that was to say, directly after the marriage.

GARDEN BAN ON CHAMPION JOE

Lynch Temporarily Barred from New York Ring.

Poor Showing in Recent Bout Given as Cause—Greenleaf and Allen in a Match for Championship at Billiards—Late Sport News.

(Canadian Press)

New York, Oct. 27.—A situation unique in Gotham ring annals developed last night when it became known that Joe Lynch, bantamweight champion, has been barred temporarily from boxing at Madison Square Garden by the New York state athletic commission.

As a result of his recent poor showing there in a match with Joe Wolfe of Cleveland, the fact that Lynch is in disfavor with the commission became known when Promoter Rickard sought sanction for a match between Lynch and King Joe Burman of Chicago, on Nov. 16, or Thanksgiving night, Nov. 30.

Chairman Wm. Muldon, of the commission, flatly refused sanction. "Since the Wolfe bout Lynch is no longer a garden attraction," said Muldon. "He will have to box elsewhere and demonstrate his fitness before we will sanction a garden bout with him as one of the principals."

ABANDON MEASURES FOR VEGETABLES; SELL BY WEIGHT

Federal Department Official Says That is the Intention When New Act Comes Into Force in Canada.

Ottawa, Oct. 27.—That it was the intention of the department of agriculture to do away altogether with the gallon and other measures when the new "root vegetables act" came into force, Captain L. F. Burrows of the department of agriculture told the Retail Grocers' Association here last night. He said the act could be successfully operated only when the system of measures hitherto in force was forgotten and people got used to ordering vegetables by the pound.

Mr. Burrows declared that farmers, hucksters and peddlers could not be compelled to carry scales, but that the consumers could demand that the goods they purchased be weighed. The department of agriculture was trying to educate the wholesalers to quote prices on all produce by weight.

A motion was passed requesting the department of agriculture to issue cards which grocers could display in their stores which would inform customers that vegetables must be sold by weight.

Bluenose Done With Racing This Year; Will Not Meet Mayflower

Committee Considering Protest of Ford—New York Paper Describes Series Off Gloucester as Comedy of Errors.

(Canadian Press)

Gloucester, Mass., Oct. 27.—While the protest against the Lunenburg schooner Bluenose, winner of the international fishing vessel championship, was being considered today by the international race committee, Captain Angus Walters, skipper of the Bluenose, announced finally that he would not meet the Mayflower this year. He said he was through with racing and would lay his boat down for Lunenburg as soon as possible.

Late last night Johnstone S. Raymond, part owner of the Henry Ford, had raised a fund of \$2,000 of which \$500 was contributed by Leslie A. Davidson, Canadian member of the international committee, for another race between the champion and the Ford.

Little progress was made, however, towards making the match. Captain Angus Walters of the Bluenose positively refused to entertain the idea. The international committee as such, said its functions had been performed and it could not act in the matter.

Captain Walters' announcement followed a decision last night to have the Bluenose and Mayflower meet. "I'll leave the cup and everything until they finish it all pretty soon," remarked Captain Walters.

Captain Morrissey of the Ford said today that he was "tired of it all and was willing to call it off, relinquishing any claim to the cup, although he believed the Henry Ford the better boat. Award of the trophy was delayed today when the sailing committee voted to refer to the international committee protests against the schooner.

The winner of the cup, said the trustees of the cup, said the trophy would not be handed over until the certificate of award had been signed by the international committee.

As Hiram Sees It

"Hiram," said the Times reporter to Mr. Hiram Hornbeam, "I hear you have a horse to sell."

"Yes, sir," said Hiram, "I've got a horse."

"Is it that old sorrel with the bone spavin and a blind eye?" queried the reporter.

"That horse," said Hiram, "has got \$200 worth of oats."

"And if he consumed five times that amount," said the reporter, "he would still be only about two jumps ahead of the crowd."

"Well," said Hiram, "I couldn't get one in his place today for \$200. But I'll take \$400."

"Easy there," said the reporter. "Where do you get that stuff? I know that old nag. A man who gave you \$200 would be spending money like a drunken sailor."

"Then we'll arbitrate," said Hiram. "But I don't want the horse," said the reporter. "I can get along without him."

"You're a robber," said Hiram. "You'd rob the widder an' the orphan. You orto be in jail—Gimme that \$200!"

Mott Threatens Arrest Of Churchman in New Jersey Murder Case

Said to Have Been Near the Scene of Slaying in His Auto

Is Declared to Have Handed Love Letters of Mrs. Mills to Wife of Rev. E. W. Hall—Widow's Lawyer Denies That She or Her Brother was Present at Murder.

(Canadian Press)

New Brunswick, N. J., Oct. 27.—Willbur A. Mott, special deputy attorney-general, who has taken over the inquiry into the Hall-Mills murder mystery, expected to interview a prominent churchman today in an effort to allay some of the rumors that have been circulating in the vicinity of the murder.

Mott indicated that he intended to cause the churchman's arrest unless he agreed to become a witness for the prosecution. Mr. Mott believes the failure of the man, said to have been near the scene of the murder, to acquaint the authorities with his alleged knowledge of the affair has laid him liable to arrest.

Mott is said to be in possession of data showing that this man had discovered the letters of Mrs. Eleanor R. Mills, slain choir leader, to Rev. Edward Wheeler Hall, who was killed with her, and to have shown them to Mrs. Frances Stevens Hall, the clergyman's wife.

His car is said to have been parked near the crabapple tree on the old Phillips place at its headlights made possible the murder. The car intruder put a bullet through the windshield in the battle that ended in the death of Dr. Hall and Mrs. Mills.

Attorney-General Puffer, representing Mrs. Hall, denied last night that either Mrs. Hall or her brother, Henry Stevens, was present when the clergyman and his choir singer were killed. He reiterated that Mrs. Hall did not leave her home that night between 8 p. m. and 2 a. m., and that Henry Stevens was fishing in the ocean at Lavallette, N. J.

Mr. Puffer's statement followed a disclosure that Mrs. Hall and Mr. Stevens were the persons named in the sworn statement of Mrs. Gibson, a witness to the murder, that she had seen Mrs. Hall and Mr. Stevens in the vicinity of the Phillips place on the night of the murder.

Prosecutor Mott indicated that arrests were imminent, but that he preferred to wait until he had an "iron-clad" case. Persons under suspicion are being closely watched.

FASCIST QUICK TO SHOW STRENGTH

Question if Italian Minister Must Not All Resign

Orlando and Giolitti Spoke of Situation Regarded as Serious—Facta Invites Letter to Conference in Rome

(Canadian Press)

London, Oct. 27.—The Italian Fascist seem to have won their battle in the ousting of the quetta ministry, the premier and his colleagues offering their resignations last night in the face of a threatened general mobilization by the nationalist military organization.

King Victor Emmanuel's choice of a premier, was believed to lie between Vittorio Orlando and Giovanni Giolitti, both former cabinet chiefs. Whether one of these would be acceptable to the Fascists or whether this powerful organization would be content with anything less than an all-Fascist ministry, was a matter of speculation.

Rome, Oct. 27.—The Messagero indicates that the council of ministers will sit this afternoon whether the Fascist cabinet should go out or only a part of the ministers quit office. In any case, it declares, the crisis will be up edily settled.

PIRATES SEIZE SCHOONER IN LOWER ELBE

Jaillbirds Prove Poor Navigators, Run Vessel Ashore and are Captured.

Hamburg, Oct. 27.—A quartette of twentieth century pirates climbed from their row boat aboard the motor schooner Bertha in the lower Elbe yesterday, and in broad daylight subdued the captain and his crew and started down stream with the vessel. They were better pirates than navigators and soon ran the vessel aground, causing its destruction and the loss of its cargo of quatrane, valued at 20,000 marks.

The four pirates bound the captain and, after scaring the crew by firing their pistols, it was easy to imprison them in charge of affairs. The men's clothing, hoisted the anchor and set off toward the sea. When the ship went aground the prospect of rescues were abandoned. The distressed schooner, the skipper tipped them off to the character of the four men who were seemingly in charge of affairs. They were taken into custody and identified as having escaped from the Hamburg jail.
