EXPORT CREDIT PLAN IN BRITAIN

tate commerce with lesser states of Euro-
pe under the Export Credits Scheme
amounted to \$18,474,764 up to December
31, 1920. Applications for advances
totaling \$1,400,084 have also been ap-
proved. The advances and applications
in detail, according to advice received
from the Foreign Information Department
of the Bankers Trust Company, of New
York, were as follows:

Advances July to Oct., 1920:
For Roumania and Czechoslovakia..... \$27,395

Advances Oct., 1920 to Jan.,
1921:

Baltic States, Bulgaria, Jugos-
slavia, Czechoslovakia..... \$2,147

Previously advanced..... \$5,342

Total advances..... \$18,474,764

permits of advances up to 100 per cent
of the cost of goods being granted in ap-
proved cases to British exporters trading
with the countries named. Safeguards
are applied to insure, as far as possible,
payment abroad for the goods exported,
but the Government assumes 80 per cent
of the loss if, despite the precautions
taken, there should be a default.

LIQUOR CASE
Arthur Duffy was before the police
court yesterday afternoon on a charge
of selling liquor unlawfully in his store
in Pond street. Frederick Smith of Sus-
sex, said he went into the store last
Saturday and bought two drinks and
a bottle of gin and was arrested near
Passage. Inspector Evans told of ar-
resting the man. The accused said he
never gave him any liquor. The magis-

trate said one of the two witnesses was
committing perjury and if evidence could
be produced to show which it was he
would be sent up for trial. The case
was postponed until Monday afternoon.

MASTER MASON

It's the characteristic fragrant aroma of MASTER
MASON that has made it so popular with discrim-
inating smokers—But it has other qualities: it
burns longer, holds its fire better and is sweeter
than most pipe tobaccos.

Smoke Master Mason
It's good tobacco

MASTER MASON—ready
rubbed—for those who like it
that way is the same good plug
tobacco cut and rubbed ready
for the pipe—It is put up in

Charm of Motherhood

THERE are many
homes once child-
less that now are blessed
with healthy, happy chil-
den, because Lydia E.
Pinkham's Vegetable
Compound restored the
mother to a healthy, nor-
mal physical condition.

The following letters
give the experience of
two young women and
prove the value of Lydia
E. Pinkham's Vegetable
Compound in such cases.

Berwick, Ont.—"I had organic trouble, and after taking Lydia E. Pinkham's
Vegetable Compound and Blood Medicine all my troubles passed away. I was
made strong and well and have been ever since. Now we have a fine baby boy six
months old, and I know that I would not have this baby and would still be suffering if
it had not been for your remedies. My husband and myself say that your remedies are
worth their weight in gold, and I recommend them to my friends. One of my aunts is
taking them now."—Mrs. NAPOLEON LAVIGNE, Berwick, Ontario, Canada.

Toronto, Ontario.—"I suffered for a long time from a female weakness, inflamma-
tion, and a terrible backache caused by that condition. One day one of your
booklets was left at my door, and I read how other women with troubles like mine had
been made well, so I got a bottle of Lydia E. Pinkham's Vegetable Compound and a
package of Sautive Wash, and it helped me wonderfully, and I now have the finest
little baby boy that any mother could want. I want to recommend Lydia E. Pink-
ham's Vegetable Compound to any woman who has female troubles."—Mrs. JOSEPH
LA BELLA, 773 Shaw Street, Toronto, Ontario, Canada.
