THROUGH RAIL SERVICE TO PACIFIC COAST

Canadian National Railways Offer Most Direct Connections With Fast Through Trains from Montreal.

The finest train service to the Pacific coast is afforded by the Canadian National Grand Trunk Continental Limited now leaving at 9 p. m. daily from Bonaventure station, Montreal.

The route of this finely equipped all steel train to the coast is via Ottawa, North Bay, Cochrane and via the Transcontinental to Winnipeg and by Grand Trunk Pacific to Saskatoon and Edmonton and via Canadian National Railways to Vancouver—the finest of scenic routes through the Rockies and over the smoothest roadbed.

From maritime province points there connection by Ocean Limited trains, and by the Maritime Express daily except Sunday. The Maritime arriving in Montreal at 7.40 p. m. affords the most direct connection, but passengers by the Ocean Limited will have the advantage of a day spent in Montreal. The Maritime arriving at 10.30 p. m. via Sudbury, connection with train No. 11 leaving Quebec daily for Cochrane at 8 p. m. This train makes connection at Cochrane with the Continental Limited, so it will be seen there is really a choice of two distinct routes.

There is also the through service to the Pacific coast by train leaving Toronto daily at 10.30 p. m. via Sudbury, Port Arthur, Fort William and Winnipeg. Connection for this is made by the Ocean Limited to Montreal, and the Grand Trunk International Limited to Toronto.

Particulars of these splendid rail services to the west will be explained by all C. N. R. ticket agents, and folders and illustrated matter may be obtained by application to any of the city ticket offices or by writing the general passenger department, Montreal, N. B.
