HEAT HORSE RACE AND IRENE CASTLE

Imperial's Show Wonderfully
Entertaining With Man O'
War—Sir Barton Event and
Society Play.

Probably no sporting motion picture
ever brought to St. John has created so
much surprise and enthusiasm as the
horse race between "Man O'War" and
"Sir Barton" shown at the Imperial yes-
terday and which will be concluded to-
day. Most people know that this race
took place over two weeks ago in Vin-
dicator (Ont.), on the famous track
of the Kenilworth Club and that the
5,000 and a gold cup costing \$5,000,
the event was a classic—record break-
ing in speed, the horses running the
mile and quarter in 2:03, and possibly
the most spectacular and wonderful
event of its kind ever held on this con-
tinent. The picture at the Imperial shows
the horses before and after the race and
the picture of the struggle itself is a
dramatic picture being shown much better
than a person could see it with the
naked eye on the spot, as the telephoto
lens of the camera were swivelled round
and round after the horses. The photo-
graphy was faultless, the details abso-
lutely complete. It was a picture no
lover of clean sport and especially of
the horsemanship should miss.

Irene Castle, internationally famous
lancer and motion picture star, was also
seen for the first time as a Famous
Player-Lasky star in an adaptation of
Robert W. Chambers' popular novel,
"The Firing Line," in the Imperial's
bill. Mrs. Castle recently returned
from England where for seven months
she worked in American and British
hospitals. During her stay in England
she appeared by command before the
king and queen on one occasion and on

another gave a performance at the wel-
come entertainment accorded Gen. Joffre
on his visit to London.

"The Firing Line" first appeared in
serial form in the Saturday Evening
Post in the early part of 1907. It proved
one of the most popular magazine stories
at that time and a year later was pub-
lished in book form by D. Appleton &
Co. The central character is Sheila, the
adopted daughter of Mr. and Mrs. Car-
dross, New York millionaires who also
have three flesh-and-blood daughters.
She does not know of her adoption until
she overhears a chance remark. Upset
and in a brooding mood, she marries
Malcourt, a boyhood friend who is in-
herently morbid. This marriage is
without love and this fact is responsible
for the gripping developments that fol-
low. The story has been well handled
and the situations are most dramatic
and thrilling. An excellent company
appears in support of the star.

The tern schooner T. K. Bentley was
launched at West Advocate, N. S., yes-
terday afternoon. She is of 472 tons re-
gister and is equipped with the latest
improvements. She is owned by her
builders, Capt. T. K. Bentley and J.
Newton Pugsley.

"MOW YOUR OWN" CLUB TO FIGHT \$1 HAIR CUTS

Chicago, Nov. 2.—The "Mow Your
Own" Club has been organized here to
fight \$1 hair cuts. Application blanks
for membership were circulated. The

club came into existence when barbers
announced that after January 1 they
will boost the cost of hair cuts from 60
cents to \$1.

Sponsors of the club still remember
the days when a hair cut cost 25 cents.
They watched the price climb to 60
cents, but beyond that they say they
will not go.

They say self-inflicted hair cuts will
be as common pretty soon as safety
razors. What if a fellow does clip off
an ear now and then, it will only be a
part of the protest.

GOOD OPENING AT QUEEN SQUARE

Mae Edwards Players in
"Just Mickey," With Vau-
deville and Jazz Orchestra.

Last night the Mae Edwards players
opened an engagement at the Queen
Square Theatre presenting the three act comedy
drama, "Just Mickey." Miss Mae Ed-
wards in the title role, that of an iller-
ate street gamins won her way straight
to the hearts of her audience. She is
bright, vivacious and pretty, and should
prove one of the most popular leading
women St. John has seen in a long
time. Last night she proved herself an
actress of exceptional ability.

Jack Werner Corbin, in the principal
supporting role was all that could be de-
sired. His work shows finish and care-
ful study, and patrons hope to see him
later in a part of wider scope.
The rest of the cast gave excellent
support, special mention going to Harry
Stuart in the part of "Daddy Putnam,"
and to Chas. T. Smith, who gave a ren-
dition of a plain clothes man that was
pleasingly different from the cut and
dried type.

A special feature of the evening was
an eight piece jazz orchestra which kept
things going every moment. Their
music is genuine "jazz" and the audience
liked it.

The company carries a line of vaude-
ville alone worth the price of admis-
sion. The feature act last night was
that of the two Nicholasons, a contortion
act. This act played St. John not long
ago as a feature with the Hagenbeck-
Wallace Shows and is a fair sample of
the quality of the Mae Edwards vaude-
ville.

The company plans to remain at the
Queen Square indefinitely changing the
bill on Mondays and Tuesdays. Man-
ager Smith promises a complete change
not only of bill, but also of scenery,
vaudeville, and musical programme twice
every week.

All in all the general verdict last night
by all who saw the performance was
"fine show" and they feel that it certainly
deserves St. John's support.

DILUTED HIS MILK.

Two Gallons of Water in Each Eight-
Gallon Can.
Toronto, Nov. 2.—Every eight-gallon
can of milk in three shipments from the
farm of Fred Pearson, of Milliken, Ont.,
to a Toronto milk dealer, all of which
milk had been seized by the Toronto
Department of Health, was found to
contain two gallons of water, according
to evidence given at the police court. The
farmer contended that he had not put a
spoonful of water in the milk, and that
the milk must have been watered on the
way to this city, but the Health Depart-
ment produced evidence to show that the
cans had been sealed before being taken
off the farm and were sealed before be-
ing opened here. The farmer was fined
\$80 and costs.

HALLOWEEN MASQUERADE.

GUILTY OF MANSLAUGHTER.

Woman Threw Acid in Husband's Face
to Spoil Looks.

New Haven, Conn., Nov. 2.—Mrs. Alex-
andria Sokolowsky, indicted for murder
of her husband, Frank, by throwing acid
in his face while he slept, on June 23,
pleaded guilty to manslaughter, and was
sentenced to state prison for seven to
ten years.

Sokolowsky was a labor leader em-
ployed by the Connecticut Federation of
Labor, was a linguist and a man of
many accomplishments. He is said to
have had an adventurous career in
Russia. Mrs. Sokolowsky said, after her
arrest, in New York, that she threw the
acid "to spoil Frank's good looks," after
finding in his pocket a letter from an-
other woman. Her defence was looked af-
ter by Russian organizations. The ex-
act story of her husband's career has
never been divulged.

MORNING NEWS

OVER THE WIRES

Premier Lloyd George in the House of
Commons yesterday said that a two min-
ute silence would be observed on Armis-
tice Day, Nov. 11, in memory of the great
dead. The observance will be as general
as possible throughout the United King-
dom and the Empire.

Eight persons were killed in local
clashes in the provinces of Cuba during
the general elections yesterday. The fol-
lowers of Gomez started a demonstration
in Havana after the electoral board had
closed its office without any returns hav-
ing been received. The results of the
election are in doubt.

Rev. F. Clarke Hartley, pastor of the
First Baptist Church, at Truro, and Mrs.
Hartley, received a pleasing address
and purse from the congregation on
Friday evening, on the eve of their de-
parture for Holyoke, Me., where he has
accepted the pastorate.

HAPPY RE-UNION

A reunion of relatives and friends
was held last evening at the home of
Mr. and Mrs. S. Townsend of Milford
when Mr. and Mrs. Charles Armstrong
of Butte, Montana, were guests of
honour. They formerly resided in Fair-
ville and were thus given an opportu-
nity of renewing old acquaintances.
On behalf of those present Frank W. Mer-
rill presented to Mr. Armstrong an ad-
dress and to Mrs. Armstrong a case of
silver. During the evening impressive
games were played. Those partici-
pating in the programme were Miss Lena
Ryan, Thatcher Townsend, Jack Ste-
phenson and Harry Strout. Refresh-
ments were served and the gathering
broke up after singing the national An-
them.

At the inquest held last evening by
Coroner H. A. Porter to enquire into
the death of Frederick Fisher, who was
killed by a freight engine last Friday
at Lawlor's Lake, the evidence of Jas.
W. A. Bower was taken and the inquest
postponed until next Thursday evening.
The jury empanelled were William
J. Knox, foreman; Isaac Mercer, Albert
W. Corey, Frederick Bryden, J. A.
Synth Kierstead, William Armstrong
and David J. Stockford.
