The Christmas Dinner.

In spite of the fact that the word dyspepsia means literally bad cook, it will not be fair for many to lay the blame on the cook if they begin the Christmas Dinner with little appetite and end it with distress or nausea. It may not be fair for any to do that—let us hope so for the sake of the cook. The disease dyspepsia indicates a bad stomach, that is a weak stomach, rather than a bad cook, and for a weak stomach there is nothing else equal to Hood's Sarsaparilla. It gives the stomach vigor and tone, cures dyspepsia, creates appetite, and makes eating the pleasure it should be.

An Easy Way To Stop Head Noises

Good Advice For Those Who Fear Deafness

Men and women who are growing hard of hearing and who experience a stuffy feeling of pressure against their ear drums, accompanied by buzzing, rumbling sounds in their head like water falling or steam escaping should take prompt and effective measures to stop this trouble. Headnoises are almost invariably the forerunners of complete or partial deafness and most deaf people suffer from them constantly. Sometimes these head noises become so distracting and nerve racking, with their never ceasing "hum" they drive the sufferer almost frantic and complete nervous breakdown and even violent instanity have been known to result.

Thanks to a remarkable scientific discovery made recently in England it is now possible to almost instantly lessen the severity of these headnoises and in a very short time to completely and permanently overcome them. With the disappearing of the head noises, the hearing also greatly improves and very frequently can be restored to normal. This English treatment is known as Parmint and can be easily and safely administered at home, Leading druggists in St. John and vicinity now have it in stock. Get from your druggist 1 oz. Parmint (Double Strength) and mix it at home with 1-4 pint of hot water and 4 oz. of granulated sugar. Stir until dissolved and then take one tablespoonful four times a day until the noises disappear and hearing improves. Parmint is used double strength in this way not only to reduce, by tonic action, the inflammation and swelling in the Eustachian tube and thus to equalize the air pressure on the drum but to correct any excess of secretions in the middle ear and the results it gives are both remarkably quick and effective.

"IMPORTANT:—In ordering Parmint always specify that you want double Strength; your druggist has it or he can get it for you; if not, send 75c. to the International Laboratories, 74 St. Antoine St., Montreal, P. Q., who make a specialty of it."

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

Practical Prescription Against Stomach Acidity

Nine-tenths of all cases of stomach trouble nowadays are caused by too much acid. In the beginning the stomach itself is not diseased but if this acid condition is allowed to continue, the acid is very likely to eat into the stomach walls and produce stomach ulcers which may render a radical surgical operation necessary even to prolong life. Therefore, an "acid stomach" is really a dangerous condition and should be treated seriously. It is utterly useless to take pepsin and ordinary stomach tablets. The excess acid or stomach hyperacidity must be neutralized by the administration of an efficient antacid. For this purpose the best remedy is bisurated magnesia taken in teaspoonful doses in a fourth of a glass of water after each meal. Larger quantities may be used if necessary as it is absolutely harmless. Be sure to ask your druggist for the bisurated magnesia as other forms of magnesia make effective mouth washes but they have not the same action on the stomach as the bisurated.

Thin Folks Who Would Be Fat

Increase in Weight Ten Pounds or More A Physician's Advice

A Physician's Advice

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such result is not impossible, despite past failures. Thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, all the fat and flesh producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat the nutritive processes must be artificially supplied with the power which nature has denied them. This can best be accomplished by eating a Sargol tablet with every meal. Sargol is a scientific combination of six of the best strength-giving, fat-producing elements known to the medical profession. Taken with meals, it mixes with the food and turns the sugars and starches into rich, ripe nourishment for the tissues and blood and its rapid effect is remarkable. Reported gains of from ten to twenty-five pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by good druggists everywhere and every package contains a guarantee of weight increase or money back.

Caution:—While Sargol has produced remarkable results in the treatment of nervous indigestion and general stomach disorders, it should not, owing to its remarkable flesh producing effect, be used by those who are not willing to increase their weight ten pounds or more.

Above will be found the picture of a modern gun of the kind that is being used in the present war. At a glance the gun and some old trees appear to be all there is in the picture, but by careful scrutiny some soldiers' faces will be found. There are 19 of them in all. Can you find them? It is no easy task, but by patience and perseverance can be accomplished.

You may win a cash prize by doing so. Many have done this as will be shown by the names and addresses published below. If you find the faces mark each one you find with an X cut out the picture and send it to us, together with a slip of paper on which you have written the words "I have found all the faces and marked them." Write these nine words plainly and neatly, as in case of ties, both writing and neatness will be considered factors in this contest.

This may take up a little of your time, but as there are TWO HUNDRED DOLLARS in cash and One Hundred premiums given away, it is worth your time to take a little trouble over this matter. Remember, all you have to do is to mark the faces, cut out the picture and write on a separate piece of paper the words, "I have found all the faces and marked them."

We do not ask You to Spend One Cent of Your Money in order to enter this Contest.

Send your answer at once; we will reply by Return Mail telling you whether your answer is correct or not, and we will send you a complete Prize List, together with the names and addresses of persons who have recently received over Two Thousand Dollars in Cash Prizes from us, and full particulars of a simple condition that must be fulfilled. (This condition does not involve the spending of any of your money.)

Winners of cash prizes in our late competitions will not be allowed to enter this Contest.

This competition will be judged by two well known business men of undoubted integrity, who have no connection with this company, whose decisions must be accepted as final.

Below will be found a partial list of the names and addresses of a few persons who have won some of our larger prizes in recent contests. Although these persons are entirely unknown to us, they are our references. An enquiry from any one of them will bring the information that our contests are carried out with the utmost fairness and integrity. Your opportunity to win a good round sum is equally as good as that of anyone else, as all previous winners of cash prizes are debarred from entering this contest.

They marched from their home in Hazen street, accompanied by the Moose Band, to the Opera House, where they attended the performance of "The Battle Scarred Hero," in which frequent local touches were given with reference to the members of the Moose present, all of which were well received.
