RECENT WEDDINGS
St. Peter's manse, Stanley, was the scene of a happy event on the evening of Dec. 6, when Alex. T. Turnbull, of Stanley, was united in wedlock with Miss Lillie M. Turnbull, of Williamsburg. The young couple will reside in Stanley.

The wedding of Donald F. Cutler, son of Mr. and Mrs. Frederick B. Cutler, of Brookline, Mass., formerly of Bangor, and Miss Margaret Lionberger, a St. Louis society girl, whose re-engagement was announced about a month ago, took place on Wednesday afternoon in St. Louis at the residence of the bride's father, Isaac H. Lionberger. The bride is an accomplished equestrienne. Last year she became interested in aviation and made several flights in aeroplanes. She is also a brilliant tennis player as well as a lover of the outdoor life. Mr. Cutler is the only son of Mr. and Mrs. Frederick B. Cutler, of 67 Upland road, Brookline. He is a Harvard '11 man, and while at college was one of the shining lights of the "varsity" hockey team and all-around athlete.

HAS LOST A LEG.
Tom Beers, of Vancouver, was taken to the Chipman Hospital, St. Stephen, last Thursday evening and his right leg was amputated below the knee, the member having been badly crushed by the wheels of a train at Vancouver that evening. Mr. Beers, who was engaged in his duties as baggage-master at Vancouver station, slipped on the station platform and one of the wheels of a coach passing over his leg.

GAVE UP ALL HOPE OF EVER BEING WELL

"Fruit-a-tive" Cured Terrible Kidney Disease

Mountain, Ont., Dec. 17th, 1910.
"For six years I suffered from dreadful Kidney Disease. My legs and lower part of my body were fearfully swollen and the pain was awful. Five different doctors attended me and all said it was Kidney Trouble, and gave me no hope of getting well.

A kind neighbor told me to try "Fruit-a-tive"—and in a short time the swelling went down, the pain was easier, and then "Fruit-a-tive" cured me.

Wall Street Notes.
New York, Dec. 10.—Americans in London irregular 3/8 off to 7/8 up; their settlement began today; console 7/8 1/2 off to 1-1/8.

U. S. Steel unfilled tonnage at noon today for 20,000 tons increase.
Central Leather preferred sells X.D.
The government report on winter wheat production was favorable.
Money is easing. The continued liquidation of stocks is a help abroad.
Money question is still unsettled and the Bank of England is guarding its gold.
London carry over change was 6 per cent. for money and a fair American account was shown.

There is talk about investment buying, but I notice as much investment selling, if not more. A good many people looking for money are inclined to put their money in the bank.
Some liquidation represents the unexpected grung in regard to the coming tariff reductions.
The U. S. Commerce Court will die on March 1.
The stock market is entitled to a rally, it has been prevented so far by offerings of stocks by the interested whenever the market will take any stock. It is the big fellow who has sold whenever the opportunity offers. Still think the market a sale on rallies.

Large Sum on Throw of Dice

New York, Dec. 10.—Starting with small stakes, two brokers shook dice in a financial district cafe until one was indebted \$3,200 to the other. "You tired," said the winner. "Shake you once more—\$5,500 a side." The other accepted; the dice were thrown and the loser broke even.

His crew having left him at Summerside, he set sail on his own hook, via Point du Chene, single-handed and alone in his schooner, "John Hillard," of 115 tons. This feat without his beating at this season of the year.

REV. MR. MULLAN WANTS TO BE REINSTATED

connected with the case for the last twelve years might be liable to suits for damages. Mr. Mullan had twice carried his case to the general assembly and lost it both times. The restoration should be preceded by a confession that they had been in the wrong and the application should originate from those in the wrong.

Mr. Mullan who will not submit to Mr. Ross said that he had no hope of getting well. A kind neighbor told me to try "Fruit-a-tive"—and in a short time the swelling went down, the pain was easier, and then "Fruit-a-tive" cured me.
