

THE DAUGHTERS OF EMPIRE;  
FIGURES IN THE TROUBLE

Mrs. P. D. Crenar, of Hamilton, Vice-president of the Daughters of Empire. The times on Saturday published a dispatch about trouble in the organization.

Mrs. S. Nordheimer, of Toronto, president of the Daughters of Empire. The result of the trouble evidenced at the meetings in Toronto.

The were some stormy meetings of this organization in Toronto, arising, it is said, out of the action of the officers in cancelling too many invitations to the coronation festivities in London this year.

TWO GET PLACES  
IN THE SENATE

Borden Government Also Appoints a New Head of C. T. P. Commission

Ottawa, Oct. 22.—The eminent railway "expert" selected by the government to succeed Hon. S. N. Parent as chairman of the National Transcontinental Railway Commission is Reuben E. Leonard, of St. Catharines (Ont.).

On the recommendation of Hon. Frank Cochrane, minister of railways, Mr. Leonard was appointed by the cabinet council on Saturday to succeed Mr. Parent at a salary of \$10,000 per year, the same as that given Mr. Parent. For the present, at any rate, there will be no further change in the personnel of the commission.

Mr. Leonard is better known as a mining capitalist than as a railway engineer. He has had some experience in railway construction in connection with the building of some of the C. P. R. lines of the St. Lawrence & Adirondack Railway and the "short line" to St. John, but he can hardly be classed as a railway engineer of outstanding national reputation. He is largely interested in Cobalt mines, where his large fortune has been principally made. He is part owner of the Cominco mine and of the smelting works at Thorold. His annual income is said to be over half a million.

Two of the senatorial vacancies left unfilled by the Laurier ministry were filled on Saturday by the Borden government and two Conservative ex-M. P.'s have received their rewards. Adam C. Bell, ex-M. P. for Victoria, and E. M. Macdonald, M. P. in the recent election, were appointed to fill the vacancies caused by the death of the late Senator McGregor.

J. A. C. Lariviere, ex-M. P. for Proton, Manitoba, was appointed to succeed the late Senator Chevier.

HOW THIN FOLKS  
CAN GET FLESHY

New Accidental Discovery Gives Startling Results—Put Flesh on Thin People and Rounds Out Imperfect Figures

For women—and men, too, for that matter—who can never appear stylish with anything they wear, because of abnormal thinness and angularity, this remarkable prescription is destined to solve the problem. As a beauty maker for the figure it is simply wonderful while it adds brightness to the eyes, and color to the cheeks and lips. It requires no particular diet, but acts as an aid to nature by its peculiar action on the nerves and blood supply. The blood and nerves distribute over the body all the nourishment or flesh building elements obtained from the food. The trouble with thin people has always been that they do not absorb or retain enough of the flesh making elements from their food. This new discovery, a certain harmless drug, causes the blood to secrete, and hundreds of thousands of men and women have gained from ten to forty pounds in a few weeks. There is no danger of becoming too fat. When you get the right weight, then stop using.

The general health and strength is greatly improved in anyone from the age of sixteen to sixty. Women soon get plump, with well rounded arms and full bust, and men become "straight, strong-looking and healthy."

In a half-pint bottle get three ounces of essence of poplar and three ounces of syrup rhubarb. Then add one ounce compound essence cod liver oil, and let stand two hours. Then add one ounce tincture cod liver oil (not cod liver oil). Take a teaspoonful before and after meals, and weigh before beginning.

TO CURE A COLD IN ONE DAY  
Take LAXATIVE BULBULIUM capsules. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

Clothes-lines should never be left out of doors when not in use, as they should be carefully dried and put away, otherwise they will soil and mark the linen.

MISSING LINK  
IN THE BOSTON  
MURDER CASE

Police Say Young Woman Will Be a Valuable Witness Against Clergyman

GAVE GIRL POWDER

Report From Kansas City Says Richeson Was Engaged to Three Young Women There—Hanged in Effigy at Hyannis, Avis Linnell's Home

Boston, Oct. 22.—Deputy Superintendent Watts said yesterday that he had the testimony of a young woman, which will form the missing link in the chain of evidence the police are trying to weave around Rev. Clarence V. T. Richeson.

MISS AVIS LINNELL

declared the clergyman had given her a powder. Despite the headache, she was apparently in the best of spirits, and in the course of their conversation mentioned the restaurant where she dined with Richeson. Mr. Watts says the young woman came to him voluntarily and furnished the information that he has so eagerly sought. She has been promised protection and her name will not be revealed until after the court. She is not a holder at the Y. M. C. A. and does not live near that institution.

The meeting place of Miss Linnell and this mysterious woman, the deputy would not reveal, but her statement, he is confident, completes the case.

Kansas City, Mo., Oct. 21.—The Rev. Clarence V. T. Richeson, held in Boston on a charge of murdering Miss Avis Linnell, was pastor of the Bethany Baptist church in this city from 1901 until 1904, when he resigned by request, following the sensational disclosures of three young women, each of whom accused him of being engaged to her.

A scandal was created among the congregation when the three women, two of them members of the church, made their accusations against the pastor at the close of one of his Sunday morning sermons, when he had preached eloquently on the temptations of Young Girls in a City.

Boston, Oct. 22.—In their efforts to clear up the circumstances of the death of Miss Linnell, the police have been unable thus far, it is said, to locate the poison receptacle.

When the girl took the dose of cyanide of potassium which caused her death she was in the bath room of the Young Women's Christian Association home on Warren street, and though the house was searched immediately after her death by order of the medical examiner and later by the police, the receptacle which contained the deadly poison was never found in a cup to drink, cannot be found.

It was said at first that a piece of paper found beside the body had contained the poison, but this is now denied.

At the time of her death Miss Linnell wore a bath robe over her nightgown and this robe was found in the autopsy room tucked beneath the feet of the girl as she lay in her casket and was buried with her. When this fact came to the ears of the police they at once surmised that the cyanide container had been thrust inside the pocket of the bath robe and it was believed that orders would have to be given to exhume the body.

Further inquiry tonight, however, revealed the fact that the medical examiner's assistant examined the bath robe carefully and he declares there was nothing in the pockets of the garment.

Hanged in Effigy  
Hyannis, Oct. 21.—An effigy of Rev. Clarence V. T. Richeson was hung today from the limb of a tall elm tree in the yard of the Baptist church of which the clergyman accused of the murder of Miss Avis Linnell, of this town, was formerly pastor. The effigy had been hung some time during the night after the regular Friday evening prayer meeting at the Baptist church had ended.

The figure was fully dressed and pinned to the coat was a large placard bearing the inscription: "The Rev. Richeson. Nailed to the cross was painted these words: 'Guilty—Read Luke 12:2.' This scriptural reference was hung about his neck and he was cast into the sea when he should have been hanged."

The presence of the effigy was reported to the deacons of the Baptist church early in the day. The deacons held a conference and finally decided to allow the effigy to remain on the tree, as the sentiment of the feelings of the people of Hyannis it might be a good idea to allow it to remain hanging in the church yard as a warning to the youth of the town and leave its removal to the town authorities.

The effigy was finally cut down by J. M. O'Brien.

SYRACUSE COUPLE,  
WITH TEN CHILDREN  
EACH, MARRY

Syracuse, N. Y., Oct. 21.—A unique wedding in which a widow with ten children became the bride of a widower with ten more, took place this afternoon in the Church of the Assumption, where Mrs. Margaret Webber was married to Joseph Rinneman, both of the city. The bride's youngest child is six. Her husband's youngest is eight.

## CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicates indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, healthiest and best of the people are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

Lurge all in St. John, who suffer from any stomach complaint, indigestion or dyspepsia, will find relief by taking the distinct understanding that I will refund their money without question, if after reasonable use of this medicine, they are not perfectly satisfied with the results. I recommend them to any customer every day and have yet heard of any one who has not been benefited by them. I honestly believe that to be without equal.

They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

I urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, you money will be returned to you if you are not satisfied. Of course, in chronic cases, length of treatment varies. For such cases, I have two larger sizes, which sell for \$1.00 and \$1.50. Remember, you can obtain Rexall Remedies in this community only at my store—The Rexall Store, Chas. R. Vasson, 100 King street.

## LUMBER AND INSURANCE CASE

An interesting case was decided at Dalhousie on Saturday morning when Guimond, Couillard Freres & Cie and La Compagnie Nationale were awarded the full amount of their insurance claim against the Fidelity Phoenix Co. The lumber firm and bankers were suing the Fidelity Phoenix, Western Commercial Union, London North-Western Union, Liverpool & London & Globe and Manitoba Assurance Companies. The amount of insurance was \$30,000; the loss claimed \$30,477.01, for birch, spruce and pine lumber piled in Guimond & Co.'s yard at Campbellton and burned in August, 1910.

The defendant companies set up the defence of arson and also took advantage of all the numerous technical objections that the number of policy conditions render available.

The case against the Fidelity Phoenix Co. was begun on September 26 last and occupied all that week, was adjourned until the 19th inst., and a verdict only reached on Saturday morning.

M. O. Teed, J. H. A. L. Fairweather, A. E. G. McKenzie and W. M. Jarvis represented the insurance companies and Hon. J. D. Hazen and Fred R. Taylor appeared for the plaintiffs.

In addressing the jury Mr. Teed stated that he did not ask for a finding of arson as there was not sufficient evidence. Questions were left to the jury but owing to the company having taken advantage of all pleaded every policy condition forty-one questions were required.

All of these were answered in favor of the plaintiffs and a verdict was entered against the Assurance Company for the full amount claimed with interest from the 6th December, 1910, the time when the loss was payable.

This is probably the last case Mr. Hazen will be in for some time. While the case was going on on Sept. 30 he was called to Ottawa by Mr. Borden to take a portfolio and the case had to be adjourned. In the interval the jury viewed the premises where the lumber had been piled, the defendants contending that the quantity destroyed could not have been piled in the yard where the ashes indicated piles had been destroyed.

APPOINTMENTS TO  
STAFF OF MCGILL

Montreal, Oct. 22.—Earl Grey has presented to McGill portraits of himself and Lady Grey.

This announcement is made by the Board of Governors, after arrangements were made for the reception of the Lieutenant-Governor of the province, Sir Lomer Gouin, who will pay a visit to the university buildings on November 3, after which he will receive the honorary degree of LL. D. in the hall of the Royal Victoria College.

Professor S. B. Slack was appointed to a seat on the Faculty of Arts.

The following appointments were made in the Faculty of Medicine: Dr. J. Alex. Hutchinson, associate professor of surgery and clinical surgery; Dr. D. D. MacLagart, professor of medical jurisprudence; Dr. J. S. Dolan, lecturer in crown and bridge work in the dental department; Dr. David Patrick, lecturer in gynecology; Dr. C. E. Keenan, lecturer in clinical surgery; Dr. Philip Burnett, lecturer in dermatology; Dr. J. L. Masch, lecturer in pharmacy; Victor J. Harding, B. Sc., lecturer in biological and physiological chemistry.

O. F. Hague was appointed demonstrator in the department of electrical engineering; Dr. R. W. Boyle, lecturer in physics; N. E. Wheeler, senior demonstrator in physics; J. W. Hayward, demonstrator in physics; Miss M. Paterson-Smyth and E. E. Reilly and A. A. Scott, assistant demonstrators in physics. Dr. William Patton was appointed seasonal lecturer in Arabic and Ethiopic.

## MORNING LOCALS

The New Brunswick members of the Maritime Commercial Travellers' Association met Saturday evening at the board of trade rooms and those present decided that the New Brunswick travellers should take a more active part in the business of the association. It was decided to put a candidate up for the presidency of the association and R. L. Phillips was selected. It was also decided to run Alfred E. Massie as a candidate for the executive committee. The annual meeting will be held at Halifax on Dec. 8.

County Secretary J. K. Kelley and Councillor F. M. Cochrane of St. Martins, left on Saturday for Guelph, Ont., to inspect the prison farm there. In connection with Mr. Kelly's visit, Councillor J. B. Jones says he will demand an enquiry into the matter to ascertain on whose authority he was delegated to go.

St. John District Loyal Orange Lodge met on Sunday night and made preparations for the celebration of Guy Fawkes' Day. They will attend service on Sunday, Nov. 3, in St. George's church. Rev. W. H. Sampson will preach, Dominion No. 141 and True Blue No. 11, are to be invited. A celebration will be held on the Monday following.

The Dominion Dredge Stoneliter took up the largest boulder yet from the channel below the Beacon Light on Saturday morning. It weighed seventy tons.

The body of George Quigley, who died suddenly in Amherst on Saturday, was brought to the city on Saturday and taken to the undertaking rooms of George Chamberlain. The funeral will take place next Thursday from the home of Charles Cobham, 6 Britannia street. The two sons of Mr. Quigley are now on their way from Vancouver.

Ink spots on mahogany may be removed by being touched with a feather dipped in oil of vitrol diluted with twice its quantity of water. The spot should be well and quickly rubbed.

## THE VALUE OF SMALL SAVINGS

If a youth of fifteen were determined to save three car fares a week, and to pay the fifteen cents thus saved every week until he was sixty to the Canadian Government for the purchase of an annuity, the result of his thrift would be that from and after sixty he would receive \$23.18 every day and have yet heard of any one who has not been benefited by them. I honestly believe that to be without equal.

They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

I urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, you money will be returned to you if you are not satisfied.
