GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

MOVIES OF THE CARNIVAL AND SKATING RACES

Imperial Has 1,000 Feet of Pictures Showing St. John People, the Winter Sports, Miss Canada and Gala Week.

Tomorrow and for the remainder of the week Imperial Theatre will doubtless be the mecca of thousands who want to see themselves in the movies, as well as get a pictorial review of the many exciting and entertaining things that took place during Winter-Carnival week. Beginning with the arrival of Miss Canada from Montreal the camera records all the big functions but especially the wonderful international skating meet on Lily Lake and the thousands who braved the blasts to see it. To get an "outside" view of oneself and the great assemblages of carnival week is a very interesting bit of "looking." This picture starts with Wednesday's programme.

HAIR STAYS COMBED, GLOSSY

"Hair-Groom" Keeps Hair Combed—Well-Groomed

Millions Use It—Fine for Hair!—Not Sticky, Greasy or Smelly

"Hair-Groom" is a digested combed cream which gives that natural gloss and well-groomed effect to your hair—that final touch to good dress both in business and on social occasions.

Grosses' hairless "Hair-Groom" does not show on the hair because it is absorbed by the scalp, therefore your hair remains soft and pliable, and so natural that no one can possibly tell you used it.

TRUE BILL IN GARDNER CASE

One Criminal Case and a Lengthy Civil Docket in County Court.

A lengthy civil docket was entered this morning at the opening of the St. John County Court, Judge Armstrong presiding. There was one criminal case, that against Frank C. Gardner, charged with theft, against whom the Grand Jury found a true bill. The case was proceeded with this morning and will likely reach the jury this afternoon. Evidence was given by Michael Daley, who alleges that the prisoner stole \$300 from him, and Archibald Halliday, a barber, who told of having shaved the defendant and receiving his pay from a ten dollar bill tendered from off a large roll. It is contended that Gardner and Daley had some driftnet together and took a room at the Asia Hotel, and that next day Daley missed his money.

Lambert was arrested this morning by Deputy Sheriff Armstrong on a warrant out of the Supreme Court under the Bankruptcy Act, charging him with concealing or attempting to conceal or destroy goods which might be of use to the trustee. This is the first case in New Brunswick in which a man had been so arrested.

Lambert was in business at Blackville and made an assignment under the Bankruptcy Act to the Canadian Credit Men's Trust Association on February 8. He gave as his assets \$1,800 together with book debts of about \$25, described as doubtful. As the result of inquiries it was said since October last he had purchased goods to the value of nearly \$19,000. A five acre piece in his store in Blackville and a five acre piece in the town of Blackville were the effect that Lambert had caused considerable goods to be returned because of some insurance policy had been cancelled about the time of the arrest. He had had no knowledge of the cancellation until about the day of his arrest.

BUTS "QUEST" FOR CANADA

When the boy was ill, Gillard says, the Carina would sit with him constantly, and scarcely trust him alone with a nurse, and apparently believed the prayers of the renegade were heard. Gillard explains, however, that the Carina was a mystic who was apt to turn to any holy man for help when her son's life was in danger. The former tutor wholly discredits the stories circulated about Rasputin which related upon members of the Carina family. He denies also all reports that the late Carina was sympathetic with the German cause. He insists that she was more bitter than the Car against the Germans, when it seemed that the Carina was a mystic who was apt to turn to any holy man for help when her son's life was in danger.
