administration led by Hon. Dr. Veniot result being that they substituted tear the usual course. The new Opposition gas bombs, for smoke bombs. Natur-his relief of Kimberiey, and the skill the usual course. The new Opposition leader is an outstanding figure in the province and it will be generally conceded that his return to lead his party renders the Opposition more formidable. Mr. Richards, as he frequently has explained, has been House leader rather than provincial commander, and for some years the party has suffered from lack of the regular form of the opposition. Dr. Baxter will give the Opposition a fighting lead, with what result remains to be seen.

gas bombs for smoke bombs. Naturally there was suspicion that the thing with which he handled mounted troops in the advance of Lord Roberts on Pretoria. French was made a Field Marshal the year before the war storm burst upon the continent. His selection to take the expeditionary force to Belgium and share the fortunes of the French army was popular. Professional associates thought him worthy of the honor. He would have been satisfied to serve under Kitchener as chief of staff. In fact, after receiving the appointment he made such a proposal to his old commander in South Africa. He later held that Kitchener was "not well fitted" for the post of secretary of

ALMOST LIBERAL

E. J. Henneberry is Re-elected by Knights of Columbus.

Scholarship Plan is Being Extended - Banquet Closes Bathurst Convention.

BATHURST, May 27.-E. J. Hennewill berry, of Saint John, was re-elected state deputy at the annual convention of the Knights of Columbus of the New Brunswick jurisdiction today. The New Brunswick jurisdiction today. The entire state board was re-elected as follows: Secretary, Charles O'Neill, Moncton; treasurer, J. White, Bathurst; warden, William Skidd, Chatham; advocate, Max D. Cormier, Mayor of Edmundston. An eighth scholarship was added to the seven already maintained by this jurisdiction and it was decided during the discussion that the objective was to be at least 27 scholarships in perpetuity valued at \$150 a year each for six years.

The scholarships will be awarded according to the financial contributions and numerical strength of each council in the New Brunswick jurisdiction.
