Asked For Million Dollars For Montreal Playgrounds

(Montreal Telegraph.) A million dollar grant for playgrounds, the money to be spent in a period of three years, was asked of the Board of Control by a deputation from the Parks and Playgrounds Association today.

The resolution presented set forth the good done by the supervision of playgrounds, especially in the more densely populated parts of the city, and urged the appropriation of this money for equipping as play areas properties already in possession of the city and in acquiring other properties for play areas when needed.

J. C. Walsh reminded the Board of Control that \$10,000 was voted by them for two playgrounds in Lafontaine Park and Fletcher's Field last summer, and he and Miss Watt had made a report on the results.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor all wrong, and to whose eyes sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound refreshing slumber, as they restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart.

Mrs. Charles Teel, Horncastle, Ont., writes:—Just a few lines to let you know what Milburn's Heart and Nerve Pills did for me. My heart and nerves were so bad I could not sleep, and the least noise or excitement would make me feel so that I used to think I was going to die and I would tremble until I could hardly stand. I took doctor's medicine, but it did not do me much good.
