

ST. ANDREW'S SABBATH SCHOOL

ANNUAL REPORT FOR 1886.

Nothing was done this year for the better arrangement and grouping of classes; but the crowded condition of the school room should make this question of pressing importance, and secure for it earnest consideration from the Session and Managers.

There is an increase in membership, and the attendance this year has been very satisfactory. Although the average for the year is only 200, being 66 per cent., the ordinary attendance (leaving out the summer vacation and bad weather) is about 225, or 75 per cent., independent of the Pastor's Bible Class which is very largely attended.

The Pastor had again the gratification of receiving a number of young people into church membership directly from the Sabbath School, 12 having been admitted this year.

During the summer vacations many of the teachers were absent, as well as scholars, and it was thought best to teach the entire school from the desk—the Superintendent or one of the Teachers conducting the Bible Lesson.

The Library, which now contains 600 books, was thoroughly overhauled, the best books being selected out and repaired; about 300 new books were added, at a cost of \$175; and new catalogues were printed for senior and junior classes. It is now in better form than for years past, and is very largely used

by both teachers and scholars. The condition of the school is very good, and the short intervals between the senior school and the Sabbath School are well managed.

Besides the regular school, which \$25 was paid for the school room, and the teachers, with the tastes, the children are well cared for.

The Bible meetings have been held, and the members are well attended.

The “Visitors” teachers at the year the W. “Visitor.”
