He who knows not

And knows not that he knows not, is a tool—avoid him. But he who knows and knows, that he knows is a wise man—follow him—From Arabian Proverbs

He who knows the value of hard-earned money does his buying at THE FAIR and gets the BEST VALUE always. If you are wire, and we believe you are—follow him.

Streng Influences May Stop the Steel Strike.

RUMORS POINT TO GOVERNMENT

-Some Who Signed Con-tracts Will Not

New York, Aug. 8.—The Commercial-Advertiser says:

"As far as can be learned no communication has been received by J. P. Morgan & Company, or by any of the steel companies here, from the labor leaders since the conference of Saturday last. Peace, however, any not be far away after all. It is learned that independent influences are at work which may surprise everybody within the next few days, Mr. Morgan will not say a word, but it is believed in some quarters that he has received important communications from persons strong enough and independent enough to bring a corter to settlement before Shafer orders to, Something is being done there were nearly ten million specification with the content of the characters of the steel stocks on the exchange.

Ottawa, Aug. S.—The railway mail clerks running on the Canadian Pacific Railway west of Ottawa, have united in a petition to the Minister of Labor, Hon. Mr. Mulock, asking that he interest himself towards bringing the trackmen's strike to a conclusion. The petition says that the mail clerks do not wish to appear to be interferring in the strike as a strike, but they feel, as a result of the strike, that the tracks have become unsafe for travel, and that they, as mail clerks, are vitally interested. The petition asks tha Minister of Labor to use his good offices towards a settlement of the strike. The petition was signed by about 15 clerks and was forwarded Tuesday.

APPLE CULTURE OF CANADA.

Ostarie Agricultural Cellege.

Toronto, Aug. 8. — Dr. James Mills, president of the Guelph Agricultural College, made some important statements at the National Apple Shippers' convention, which opened in the Horticultural Pavilion yesterday. He quoted figures to show that Canada exported nearly one million barrels of apples yearly, valued at over two and a half million dollars. Of these about 350,000 barrels come from Ontario, valued at nearly one million dollars. In Ontario alone there were nearly ten million apple trees.

the doctor was greeted with four cheers on resuming his seat.

In the evening a musical reception was held in the Pavilion, when the Mayor delivered a neat address o welcome. The association will continue in session to-day.
