Straug, Chairman of the Executive Committee, said he had no written Electricity with Healing Balreport, and that having been Chairman of the Committee for the last six months he thought it best he should retire. He thought the Temperance movement was in a better position at the present time than ever and that it had done a great work in the country districts. He stated that 40 members of Parliament were now lecturing in different parts of England in the Temperance cause. At a recent dinner at the Waverly, Newcastle, provided for the Also, — A variety of Card Games—such as Authors, Dd Maid, &c., &c. 'What are you going to do about it?" Because the penalties of physiological laws are not executed speedly, some fancy they are void. But when the system breaks down, and almost hopeless compli-cations arise, which the family physician, by reason of his limited experience, fails to relieve, the pertinency of the above inquiry is apparent. Many remedies have been specially prepared for these cases, and many physicians are bidding for their patronage. As before making a purchase of land a "search" is required, and the title carefully examined, so invalids should carefully investigate the claims of any physician offering to treat chronic diseases. Dr. Pierce's Family Medicines are well known, and have effected many cures where eminent physicians have failed, yet to accommodate surgical and complicated cases, and those desirous of being restored speedily, Dr, Pierce has erected an elegant sanitarium, at a cost of nearly half a million dollars. No institution in the Vice Presidents—J. R. Goggin, Duncan found in this establishment. Half a score of physicians are in attendance, several of whom have been prominently connected with leading American and European Hos pitals. Every improved facility for hastening a cure that a liberal expenditure of money could secure can here be found. Alex. Burr, Daniel Chesman.
