lines. These counties embrace Kent, Westmorland, Albert, Kings, St. John city and county, Queens, Suabury, York, Carleton and Charlotte—returning 33 out of 46 members. Mr. Foster challenged the combat on these grounds, no doubt confident in the expectation that the response would be favorable. I could not decline to accept such a challenge, and on the occasions when such a challenge, and on the occasions when I addressed the people during the campaign

I addressed the people during the campaign the camp such a challenge, and on the occasions when I addressed the people during the campaign I unequivocally declared my acceptance. I pointed out that although Mr. Foster complained that I came down to New Brunswick as a dominion cabinet minister to intervene in the contest, I could not do otherwise. If I had failed to come to the relief of my friends in the New Brunswick government, and accept the gage of battle which he had thrown down, Mr. Foster would have been the very first man to charge that I dreaded the consequences in the interest of the Liberal party and government at Ottawa. There was ne uncertainity at all, and candidates were put up in all the constituencies with the hearty approval and support of the Liberal party, and in the sassistance which that party could accord them. In all these constituencies leading the sace and the party could accord them. In all these constituencies leading the sace and the sace and the sace and the party and lacend them. In all these constituencies leading the sace and the sace and the sace and the party and lacend the sassistance which that party could accord them. In all these constituencies leading the sace and the

them. In all these constituencies leading Conservatives had charge of the fight; Mr. Conservatives had charge of the fight; Mr. McInerney in Kent, Mr. Powell in Westmorland, Mr. Foster for York, Mr. Hale in Carleton, and Mr. Ganong in Charlotte. All these gentlemen declared that the battle was theirs, and that they would regard the defeat of the opposition candidates as their defeat. Every one of these Conservative decease in the conservative decease in the proposition candidates as their decease.

leaders whom I have mentioned has met with disastrous defeat, Mr. Foster particularly being pounded to the tune of nearly 1,500 of a majority in his own county. Today Mr. Foster has the satisfaction of knowing that there is Scarcely a Conservative in all these constituencies whom he dragged into the contest who is not expressing himself in anything but complimentary terms of his tact and judgment, and devented in the satisfaction of recognizing the wisdom and authority of the church.

We, indeed, have no thought of rejecting everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow everything that modern industry and study have produced; so far from it that we wellow every defect the produced in the stu

it is at all events so disintegrated that it will be years before it can recover itself, and in my opinion will never recover itself under the ex-minister of finance in that province."

suit of the struggle would be the extinction of Mr. Foster as a political force in New Brunswick."

"Was not Mr. Costigan an ally of yours in this eampaign?"

"He was, zealeusly and actively. Mr. Costigan's influence in all the counties in New Brunswick is very considerable. He stands well with both Liberals and Conservatives. He is very much respected, and I attribute in no small measure the success which we achieved to his valuable assistance in many of the counties. In that portion of the province which is considered as being within Mr. Costigan's jurisdiction, such as large part of Westmorland, Keut, Northumborland, Restigouche and Gloncester, the government were unanimously sustained. In Victoria there was a personal fight among candidates, all of whom were friendly to the government, with the exception of one. The struggle there was personal rather than political; so that I consider Mr. Costigan omes ont of the contest with added prestige, with public opinion of his judgment enhanced, and his political influence unimpaired. The only Conservative members of parliament from New Brunswick who have of Northumberland, Mr. Blanchard of Gloudester, the government, with the exception of one. The struggle there was personal rather than political; so that I consider Mr. Costigan omes ont of the contest with added prestige, with public opinion of his judgment enhanced, and his political influence unimpaired. The only Conservative members of parliament from New Brunswick who have of northy many contingent to the many of the countest are Mr. Robinson of Northumberland, Mr. Blanchard of Gloudester, and Mr. McAllalister of Restigouches, and Mr. Mc

As I look over the situation in New Bruns wick to-day I think I am justified in drawing of the action which Mr. Foster had taken and what had transpired at the Moncton convention, I thought I could foresee that the result would be injurious if not to come of them in which a straight Liberal and Conservative tight took place, there is former. The pope fails to endorse this new

RESULT OF THE ERRORS From disregard of the evangelical virtues

ex-Minister of Finance appeared to me to be a most egregious blunder. The decision of the convention could only have one of three results: the withdrawal of the three Conservatives, but who have been elected to parliate the Withdrawal of the three Conservatives, but who have been at Mr. Emmerson's Government at Mr. Foster's command; Mr. Emmerson accepting the challeage of that party and regarding it as the declared policy of the Conservatives in the Province, and asking Mr. Tweedie, Mr. Labillais and Mr. Richard to withdraw from his Cabinet; and if neither
