Dwarfish Rivals for the Hand of the Princess Chiquita.

Princess Chiquita, a tiny American woman, who was born in 1881, stands 2 feet 4 inches in her high-heeled boots and weighs 18 pounds, visited Toronto some time ago, and is now on exhibition at Bostock's menagerie at the Paris Hippodrome.

Some time ago, two dwarfs, who also happened to be in Paris—Auguste, who is 23 years old and stands 4 feet 4 inches high, and Delphin, aged 21, height 2 feet 7 1/2 inches—went to see the little lady, and both fell desperately in love. Auguste is a Frenchman, and Delphin a German, and both started writing inflammatory love letters to the little princess, who, as became a well-bred young lady, handed the letters to her papa, a man of normal size and appearance.

The French dwarf is, however, of a jealous and fiery character, and on hearing that the German dwarf Delphin had been to see the princess, and had handed her a bouquet, which had been graciously accepted, is now beside himself with anger. He has threatened that if Delphin continues to pay such decided attention to the lady he will challenge him to fight a duel. Delphin, on the other hand, says that he is "not afraid of that big French bully Auguste."

**HEADACHES AND RUSHING OF BLOOD TO THE HEAD.**

**APPETITE WAS GONE.**

**TRIED MANY DIFFERENT REMEDIES BUT**

**BURDOCK BLOOD BITTERS CURED**

**MRS. WALTER MATTHEW,**

**BROOKLYN, N. S.**

She says: "I suffered for three years with terrible headaches and rushing of blood to my head. I lost my appetite and became very thin and weak. I tried many different remedies and consulted doctors, but all in vain until I started to use Burdock Blood Bitters. I had not taken more than two bottles when I began to feel better, my appetite improved wonderfully and I increased rapidly in weight. I took altogether four bottles and am now as well as can be, for which I owe my thanks to Burdock Blood Bitters. I can recommend it to all those suffering as I did."
