CHURCH HOLDS ITS ANNUAL GATHERING

Main Street Baptist Has a Membership of 647

The annual meeting of the Main street Baptist church was held in the vestry last evening, the pastor, Rev. D. Hutchinson, presiding.

The pastor reported that during the past year he had made 1,200 calls and officiated at 24 funerals. He also reported that the men's Bible class was in excellent condition. He returned thanks for the many favors shown in the past year, and asked for the co-operation of the members of the church during the present year.

A. W. Gay, clerk, reported a membership at the close of 1907 of 620; during the year 15 had been added by baptism and 12 received by letter, making a total membership at the present time of 647.

W. H. White, treasurer, reported the receipts for the year, \$4,581, and expenditures, \$4,690.

The trustees reported that the church property was in good condition. The Sunday school report was as follows: Scholars enrolled, 486; average attendance, 1907, 391; average attendance, 1908, 422; receipts, \$58.79. The officers elected for the ensuing year, other than the superintendent who is to be re-elected, are: Assistant superintendent, A. Niles; treasurer and librarian, John P. Cowan; assistant librarian, Mary Thorne; secretary, Edith McAlary; assistant secretary, Jessie Burke; pianist, Louise H. White; assistant pianist, Alice Burke; superintendent primary department, Edith McAlary; assistant superintendent primary department, Hazel Burke; superintendent cradle roll, Mrs. W. H. White; Secretary, Mrs. F. W. Thorne. This society reported that during the year they had raised \$283 for missions.

Young Ladies' Aid Society—President, Mrs. E. M. Spence; first vice-president, Della Hurd; secretary, Mrs. Waters; treasurer, Helen Cowan; executive committee, Jessie Cowan, Kate Firley, Ida Marvin, Beale Sullivan. This society also reported a successful year.

The church officers elected for the present year are: Clerk, F. E. Fiewelling; treasurer, W. H. White; financial secretary, W. G. Estabrook; H. V. Hayes, Peter McIntyre, W. H. White, E. M. Sprague, J. R. Cowan, H. Case, R. M. Thorne, E. M. Spence, A. Niles, Allan McIntyre, Chas. Gallop, R. A. Christie, Wm. Hatfield.

The financial committee is: L. H. Thorne, A. W. Gay, R. C. Elkin, F. E. Fiewelling, W. G. Estabrook, H. V. Hayes, Peter McIntyre, W. H. White, E. M. Sprague, J. R. Cowan, H. Case, R. M. Thorne, E. M. Spence, A. Niles, Allan McIntyre, Chas. Gallop, R. A. Christie, Wm. Hatfield.

The music committee is composed of the following: W. H. White, R. C. Elkin, H. V. Hayes, A. L. Dykeman. Missionary committee—B. M. Spence, H. V. Hayes, W. J. McAlary, H. Case, W. H. White, A. Niles. Superintendent of Baby Band—Mrs. J. A. Thorne.

Ushers—W. G. Estabrook, J. W. McAlary, A. Niles, J. B. Dunham, P. P. Elkin, Allan McIntyre, R. W. Estabrook, Hartley Case.

GALA EVENING FOR ENGINEERS

Association Holds Annual Dinner

Smoking Set and Address Presented to the Oldest Member

St. John Council, No. 2, National Association of Marine Engineers of Canada, held their annual dinner last night at Johnson's restaurant, Main street. W. A. Cunningham, president, occupied the seat of honor, and Vice President Matthews occupied the vice chair.

The following members were in attendance: Grand Secretary N. J. Morrison, Sect. Council No. 2 George T. Blawie, and Messrs. Wilson, Williams, Roberts, Morris, Estabrook, McBeth, Currie, Hayter, Burpee, Crowley, McKee, Waring, Barton, Chief Engineer Brumart of the S. S. Kastalia and Vice President of the local press.

At the conclusion of the dinner Grand Secretary N. J. Morrison in a few well chosen words presented W. I. Barton, one of the oldest members of the association, with a smoker's set and an address.

Mr. Barton responded, briefly thanking the association for their kind remembrance. At the close of his remarks the members present rose to their feet and joined heartily in singing "For He is a Jolly Good Fellow." The following toasts were then proposed: The King, responded to by all present; The Grand Council, responded to by N. J. Morrison; The Press, responded to by G. P. Black and H. B. Codner; The Subordinate Council, responded to by W. A. Cunningham and G. P. Black; The Machine Shop, responded to by Alex. Wilson; The Ladies, responded to by Messrs. McKee and Crowley; Visiting Brethren, responded to by chief engineer of the stmr. Kastalia; Past Masters, responded to by Jas. Hayter.

The grand secretary in his remarks referred to the fact that on the opening of navigation this coming spring a new law would go into effect requiring all steamers of over 10 horse power to carry a licensed engineer.

The gathering broke up shortly before midnight, the members voting it the best function yet held.

BIG WOOLEN MILLS BURN

NORTH CHELMSFORD, Mass., Jan. 19.—Two hundred operatives, the majority of whom were women, were driven from their work by a fire that destroyed the Brookside Worsted Mill No. 2 and the George C. Moore Wool Scouring Mill, causing a loss of between \$500,000 and \$700,000 tonight.

Hundred of these operatives, including between eighty and ninety women, were nearly hemmed in on the second story of the east end of the Brookside mill and by the coolness of Overseer Samuel Ogley, who discovered the flames, they were directed safely down a rear exit when the fire, which had blocked up one of the stairways, rushed down the long room with such speed that the operatives had barely time to leap from their places and plunge for the rear stairway without their street clothes.

Discovered in a Picker

Foreman Ogley discovered the flames in a picker located in the east department. The flames spread almost instantaneously through the two-story structure, and went through the shaft holes of the brick fire wall that separated the department from the four-story south department. Help had been called from Lowell, but despite this addition to the towns well equipped fire department, the No. 2 mill was leveled to the ground and the flames leaped the 75-foot space to the scouring mill and in a brief time had left but a portion of the outer walls standing. Several firemen had narrow escapes, but no one was seriously hurt.

The plant was owned by George C. Moore and constituted about half of the industry of the town. The losses, however, were all covered by insurance, and it was believed tonight that Mr. Moore would rebuild.

WILL CO-OPERATE WITH FEDERATION

Joint Meeting of Methodist Temperance and Moral Reform League

When the temperance federation meet the government on Thursday to ask for prohibition they will be backed by strong delegations from all the temperance bodies in the city and province.

At a joint meeting of the temperance and moral reform committees of the various Methodist churches held in Centenary church last evening, it was decided to co-operate with the federation. A committee was appointed to join with the temperance federation in demanding prohibition from the government.

The following compose the committee: Queen Square, Rev. D. Morton, J. R. Woodburn, J. Willard Smith; Exmouth Street, Rev. Samuel Howard, James Myles, James Keyes; Carleton, Rev. Jacob Healey, Alderman Baskin; Fairville, Rev. T. J. Deinstadt, Jeremiah Stout, Zion, Rev. James Crisp, Arthur Powers; Portland Street, Rev. Neil McLaughlin, B. Holder; Centenary, Rev. Dr. Flinders, B. T. C. Knowles, P. R. Murray, R. Morton Smith; Carmarthen Street, Rev. C. W. Squires and Chas. H. Hutchings.

Alderman Baskin presided at the meeting last evening, which was largely attended.

DISEASED KIDNEYS

Made Sound and Strong Through Dr. Williams' Pink Pills

"Two doctors told me that I was incurable, but thanks to Dr. Williams' Pink Pills I am a well woman today." This strong statement was made by Mrs. Ed. Rose, of St. Catharines, to a reporter, who hearing of her remarkable cure called to see her. "A few years ago, while living in Hamilton," continued Mrs. Rose, "I was attacked with kidney trouble. The doctor told me into a state of false security, while the disease continued to make inroads. Finding that I was not getting better I consulted a specialist, who told me that the trouble had developed into Bright's disease and that I was incurable. I had deviated to a mere shadow, and suffered from pain in the back, and often a difficulty in breathing. Insomnia next came to add to my tortures and I passed dreary, sleepless nights, and felt that I had not long to live. In this desponding condition my husband urged me to try Dr. Williams' Pink Pills, and to please him I began to take them. After using several boxes I felt the pills were helping me and continued taking them until I had used some twenty boxes, when I was again restored to perfect health, and every symptom of the trouble had disappeared. Dr. Williams' Pink Pills certainly brought me back from the shadow of the grave, and I have since enjoyed the best of health."

Every drop of blood in the body is filtered by the kidneys. If the blood is weak or watery the kidneys have no strength for their work and leave the blood unfiltered and foul. Then the kidneys get clogged with painful, poisonous impurities, which brings aching backs and deadly bright's disease. The only hope is to strike without delay at the root of the trouble in the blood with Dr. Williams' Pink Pills. They make new blood. They flush the kidneys clean, heal their inflammation and give them strength for their work. Common kidney pills only touch the symptoms—Dr. Williams' Pink Pills cure the cause. That is why they cure for good, and at the same time improve the health in every other way. But you must get the genuine pills with the full name, Dr. Williams' Pink Pills for Pale People, on the wrapper around each box. Sold by all medicine dealers or direct from the Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

***** NOT CURLING YET *****

***** EDINBURGH, Jan. 19.—The ice falling today, the Canadian curlers who arrived here Sunday were given a motor drive through the "Walter Scott country." The Canadians have been extensively entertained since they reached Scotland.

SKINNER AFTER EXPO. GRANT

OTTAWA, Jan. 19.—A. O. Skinner, president of the St. John Exhibition Association, arrived in Ottawa tonight and will tomorrow meet Hon. Sydney Fisher and other members of the government in regard to the Dominion grant for the St. John exhibition. Mr. Skinner will urge that the grant should go to St. John and that the turn of New Brunswick to receive the grant should not be put over to 1911, as proposed, but that if the grant is not to be made this year St. John should receive it next year.

Was Troubled With Weak Back For Years. Could Not Perform Household Duties. Doctors Attended Without Avail.

Mrs. Arch. Schnare, Black Point, N.B., writes: "For years I was troubled with weak back. Oftentimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you claim for them, and I would advise all kidney sufferers to give them a fair trial." Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Diseases.

A medicine that strengthens the kidneys so that they are enabled to extract the poisonous uric acid from the blood and prevent the chief cause of Rheumatism. Price 50 cents per box, or 3 for \$1.25, at all dealers or The T. Milburn Co., Limited, Toronto, Ont.

An ordering agency "Doan's."

SKINNER AFTER EXPO. GRANT

OTTAWA, Jan. 19.—The annual report of the labor department for the last fiscal year is one of the first of the sessional blue books to be issued. The report is signed by ex-Deputy Minister W. L. M. King, M. P., and in 408 pages includes a comprehensive review of the many-sided works of the department during the year, covering over a score of important investigations affecting the interests of labor, prices of articles published in the Labor Gazette, a statement of the result of the first year's operation of the Industrial Disputes Act and statistics as to labor unions, strikes, etc., throughout the Dominion.

In respect to the Industrial Disputes Act the report says that it was the means of eliminating from the category of strikes and lockouts practically all disputes affecting public utilities. There were 35 references to the boards of conciliation under the provisions of the act, the number of men concerned was about 50,000 and the amount of capital invested many millions of dollars. In only one case did a strike follow the report of the board and in this single instance, after a strike lasting thirteen weeks, the men returned to work on terms recommended by the board. The total cost of administration of the act during the year was within \$20,000. The total number of labor organizations in Canada on March 1st last was 1,881. The number of local trades unions was 1,960 of which 729 were in Ontario, 298 in Quebec, 175 in British Columbia, 123 in Nova Scotia and 70 in New Brunswick.

R. L. Borden has written to the Carleton County Conservative Association thanking them for their support in the recent election and announcing that he has decided to sit for Halifax and that he will resign his Carleton seat.

"Are you aware," said the philologist, "that some of these campaign orators split their infinitives?" "Let 'em alone," answered Senator Sorghum; "we'll be lucky if they don't split the party."

LEMIEUX ACT PROOFING OF GREAT VALUE

OTTAWA, Jan. 19.—The annual report of the labor department for the last fiscal year is one of the first of the sessional blue books to be issued. The report is signed by ex-Deputy Minister W. L. M. King, M. P., and in 408 pages includes a comprehensive review of the many-sided works of the department during the year, covering over a score of important investigations affecting the interests of labor, prices of articles published in the Labor Gazette, a statement of the result of the first year's operation of the Industrial Disputes Act and statistics as to labor unions, strikes, etc., throughout the Dominion.

"Are you aware," said the philologist, "that some of these campaign orators split their infinitives?" "Let 'em alone," answered Senator Sorghum; "we'll be lucky if they don't split the party."

FOUND DEAD IN HIS OFFICE

MONTREAL, Jan. 19.—Herbert Granville Temple, manager of the Tradons Collecting Agency, was found dead in his office in the New York Life building late this afternoon. A revolver (new) and a box of cartridges were found at his side. He had been alone for some hours before ending his life by shooting himself through the mouth and was found late in the afternoon by a charwoman who was making the rounds of the building. Temple is said to have been hard up for some time, and apparently being in a way of doing well. Early in January he took out a life insurance policy for \$5,000 in favor of his three children who survive him.

Temple came to Montreal from Halifax about eight years ago.

Fatally Injured
A McGill student named Duncan McDonald met with a probably fatal accident this afternoon at the Alpha Beta Gamma Fraternity House this afternoon under somewhat mysterious circumstances. He was in the room of a fellow student alone shortly after lunch when the only other student in the building heard a revolver shot, and on hastening to the room found McDonald lying wounded on the floor with a revolver belonging to the owner of the room lying beside him. Medical aid was summoned and it was found that McDonald had a bullet wound just under the heart. He was taken to a hospital, where it is expected that this injury will terminate fatally.

Nothing is known as to whether McDonald shot himself by accident or with intent to commit suicide. He was a first year student and generally considered a "good fellow," much more popular with the students than with the faculty. The revolver was a new one and contained only one bullet, which inflicted the wound.

Teacher—"If you are kind and polite to your playmates, what will be the result?" Scholar—"They'll think they can lick me!"

EIGHT KILLED BY EARTHQUAKE

SMYRNA, Jan. 18.—So far as can be ascertained eight persons were killed this morning by a sharp earthquake which occurred at Phocaea, 25 miles northwest of this city, and at other neighboring towns. Considerable damage was done to buildings at Phocaea. The shock was very strong at Chli, where the population became panic-stricken, though no serious damage resulted there.

This city also experienced the earthquake, but there was no loss of life, and no damage done. The American battleships Louisiana and Virginia are at present at anchor in this harbor.
