

Christmas Presents To Make Everybody Happy

You Should Plan to Do Most of Your Christmas Shopping Here Where Immense Assortments of All Things Suitable for Holiday Gifts Make Choosing So Simple and Satisfactory

This huge store house of Christmas Gifts with its practically unlimited number of suggestions will wonderfully simplify the task of choosing the most appropriate thing. Whatever you desire to bestow, whether it be something inexpensive or otherwise, our immense holiday displays will perfectly anticipate your needs.

We have prepared carefully and extensively of such Christmas merchandise as will present exceptional values—great assortments of everything you could possibly think of arranged so accessibly and temptingly as to reduce to a minimum the strain on both purse and patience.

Every person requires a gift of some sort and while wide gift giving taxes one's resources, a thorough inspection of our holiday offerings will reveal innumerable ways to lessen that tax and provide more presents than you had hoped for.

Prices here are generally more moderate than usually prevail at this season and with the range of selection so very extensive many things may be purchased for a modest sum total.

Following is a brief outline of suggestions which may prove helpful, but a visit to the different departments will disclose thousands of other articles suitable for Christmas presentation.
