## AROUND THE CITY

Night Deskman Thomas, of the central police station, leaves this morning on his vacation, which will be a hunting trip in the northern woods.

**TEN GIRLS.**  
W. H. Kott, deputy registrar of vital statistics, has recorded 24 marriages the past week and 17 births—10 girls and 7 boys.

**SALE POSTPONED.**  
The Y. W. P. A. Rummage Sale which was to have been held Saturday in the store next to the LaTour Apartments is postponed until further notice.

**AUTOMOBILE TOLEEN.**  
At ten o'clock Saturday night an Overland motor car belonging to J. L. McAvity was stolen from in front of the Union Club, Germain street. The number of the license is N. B. 1283 and the police are on the lookout for the car.

**MISSION FOR MEN.**  
The mission for men, which has been conducted during the last week in St. Peter's Church, North End, closed last evening, when Rev. Father Scholty, C. S. S. R., preached to a large congregation, which taxed the capacity of the edifice.

**ACCEPTED POSITION.**  
Miss Mabel O'Connell, R. N., of Jacquet River, has accepted the position of superintendent of nurses at the Hotel Dieu Hospital, Campbellton, replacing Miss E. M. Lane, R. N., who has resigned. The retiring official will soon join the ranks of matrons.

**IRALA MOTOR PARTY.**  
Mrs. J. Yeo, M. D., city councillor of Charlottetown, accompanied by Mrs. Yeo, W. S. Grant and G. S. Inman, all of Charlottetown, motored to the city yesterday from Cape Tormentine, on their way to Bangor, Maine, where the gentlemen will attend a convention of the Rotary Club.

**RAISE IN PRICES.**  
It is understood that practically all the theatres in Halifax are contemplating a raise in their prices of admission. The managers claim that this is necessary owing to the greatly increased cost of films and vaudeville.

**PROPERTY SOLD.**  
On Saturday Auctioneer F. L. Potts offered for sale the property on Horse field street, formerly occupied by Brigadier General McLean and now occupied by J. W. Ryan, manager of the Union Bank of Canada. The property was sold for \$7,450, the name of the person who sent in the bid was not disclosed by the auctioneer.

**STRIKE SITUATION.**  
There was no change in the strike situation yesterday. Union officials received word that the Atlantic Sugar Refineries, Ltd., would not agree to a board of conciliation and so the dead lock remained.

**MEMBERS OF THE SUGAR REFINERY WORKERS' UNION met yesterday afternoon and discussed matters concerning the strike.**

**ATTENDING ANNUAL MEETING.**  
Mrs. George F. Smith left recently to attend the annual meeting of the General Board of the Women's Auxiliary to the Church of England in Canada, which is being held at Hamilton, this week. Foster will also be present at this meeting as a representative from the New Brunswick Diocesan Board.

**FOR BREAKWATER.**  
It has been recommended to the Board of Trade that a further effort should be made to secure the early provision of the necessary break water protection at this port. It is one of the first essentials in any comprehensive scheme of harbor development, and as the expense of break water extensions will be borne by the Public Works Department of Canada and will form no charge upon the traffic of the port under harbor commission, there would seem to be no good reason why it should be delayed. The matter will likely be brought up at the Board of Trade meeting this evening, when it is hoped there will be a good representation of citizens to present their views. At the same meeting J. T. Hawke, editor of the Moncton Transcript, will have an interesting message to present.

**NOTICE.**

Unveiling Of  
Hero's Picture

**Solemn Service When Picture of Gunner MacDonald Was Unveiled at Rally Service in Exmouth Street Church Yesterday.**

With solemn words of loving remembrance the picture of Gunner Harry MacDonald, a scholar of the Exmouth Street Methodist Church, Sunday School, who gave his life overseas, was unveiled yesterday at the annual Rally Day Service of that church.

There was a large attendance of scholars and teachers, and after the opening exercises an address was given by F. I. Woodworth, boys' work secretary of the Y. M. C. A. Mr. Woodworth spoke of the great interest now being taken in work among young people and the importance of the fourfold development of life. He emphasized the necessity for a high standard of mental, moral and physical efficiency being maintained in this critical time, and urged those present to make good use of their privileges and opportunities of education. People today come to church to learn to live lives of service for others.

E. E. Thomas then spoke of the unveiling of two other portraits, those of Walter McIntyre and Frank White, and asked Gordon Stevens to speak on the hero whom they were to honor at this service.

Mr. Stevens said that all that could be done was to cherish the memory of those who had given their lives and all to save their country from tyranny and oppression. Nothing can repay this sacrifice. The young man Gunner Harry MacDonald was known to many of them. When he was only fifteen years old he had tried to enlist, and on being refused on account of his youth had asked that he might be trained so that he could go when the time came. He enlisted in the 4th Siege Battery under Major Barker and in 1916 went over to England, and later to France. There he fought side by side bravely with his comrades and stood not only against the German foe but set his face against anything that was wrong. Just after the armistice was signed he contracted influenza, which later developed into pneumonia and he died in France serving his country. His memory will be ever cherished and all should try to be worthy of that sacrifice.

As the portrait was unveiled, the congregation sang "Nearer, My God, to Thee," and Rev. George Dawson offered a prayer. An address by the pastor, congratulating the scholars on the large attendance and good order, and several announcements by E. E. Thomas, including that of the Rally Day offering, which amounted to \$96.15, closed the service. The benediction being said by Richard Stevens.

At the evening service Rev. George Dawson addressed his sermon chiefly to the young people, taking for his text I. Cor. xii. 31st verse, asking them to strive for that which is highest.

Preached On The  
Forward Movement

**Rev. H. A. Goodwin in Centenary Yesterday Showed Necessity to Exert Every Endeavor to Lead Humanity Back to Side of God.**

That the forward movement of the Protestant churches was one of the few feasible solutions of the present state of world unrest, was the message brought before the congregation of the Centenary Methodist church yesterday by the pastor, the Rev. H. A. Goodwin.

Referring to the importance of the movement, the speaker stated that it had grown out of the great demands for a solution of the social upheaval that had been created by post-war conditions. The true solution, he stated, was to get the old time religious faith back into the hearts of the people and in that respect the forward movement of the Protestant churches of Canada would exert every endeavor to lead humanity back to the side of God.

He outlined the spiritual objectives of the movement, applying the condition to suit the congregation. After the morning service, a meeting of the official board of the Centenary church was held, when plans for the formation of a campaign were considered. Committees were appointed for the preliminary work, which will include a canvass of the whole congregation with respect to the individual attitude concerning the movement. Later a congregational meeting will be held.

Taking his text the fifth and sixth verses of the ninety-first Psalm, dealing with the happy state of the godly, the minister preached at the evening service on the vital changes that are apparent upon the development of religious faith. There was a large attendance at both services and the promise of a splendid response to the forward movement appeal are very sanguine.

Porter spoke on the subject of Harvest, and drew lessons from the tilling of the ground and planting of the seeds. Canon Armstrong spoke on the vision and the spirit of co-operation which should exist between teacher and pupil.

During the service the rector presented nine prizes to pupils who had attended well through the summer, one girl, Edith Jones, not having missed a Sunday. Eight boys and one girl received these prizes.

His address was illustrated with anecdotes of a special nature and was heartily enjoyed.
