Police Court Cases Yesterday

Two Drunks Plead Guilty and Tell Who Supplied Them With Liquor—Two Stealing Charges Dealt With—Other Cases.

In the Police Court, yesterday morning, Edward Gorman pleaded guilty to the charge laid against him, that of having liquor in his possession other than his private dwelling. He also informed the authorities as to who had supplied him, and another charge will now be preferred against the man who supplied Gorman.

Evidence in the third charge preferred against Thomas, Patrie, chief of the Salvation Army Hostel, was given by the owner of the camera, who identified both the camera and Patrie.

Two cases were postponed, the Thomas Grant, charged with stealing moccasins from the store of Max Sheeter, and the case of George Drew, held on suspicion for the break at Isaac's tobacco store.

Hearing in the case of Sgt. S. Herbert Seville, of the Ordnance Stores Department at the Armory, was conducted in camera. Seville was remanded. He was arrested on a serious charge by Detectives Power and Donohue last Monday.

The case of Hiram Melzer, charged with cruelty to his horse in allowing it to stand in the street for over two hours unprotected from the cold, was resumed in the afternoon. Evidence was given by Officer McNeil, who made the arrest, and the defendant also took the stand in his own defence.

A blanket was produced in court, which the defendant alleged was on the horse at the time the arrest was made and had been in use since the Fall. The officer testified that there was no covering on the horse at the time the offence was alleged to have occurred.

The magistrate, in summing up the case, pointed out that the defendant had been warned repeatedly by the officers and that finally the matter was brought to the attention of the S. P. C. As the defendant was undoubtedly guilty of the offence, he directed that the full fine of \$40 be struck against him. The fine was paid.

The butter case, in which Arthur A. Harris, Albert Ritchie and Walter Dixon were charged with stealing butter from the warehouse of N. C. Scott on Main street, was concluded in the Police Court yesterday afternoon.

Ritchie pleaded guilty to the charge yesterday, his companions having admitted their guilt in a previous hearing. The magistrate stated that as the boys had admitted their guilt and were repentant, he would allow them to go on suspended sentence, provided they make restitution to Mr. Scott for the amount of goods they had stolen from him.

Harris and Ritchie, through their lawyers, W. M. Ryan and S. B. Bustin, agreed to pay their share and also that of Dixon between them.

Signor Gogorza's Concert Deferred

Noted Baritone Cannot Sing Here Thursday Night Because of Laryngitis.

Those in charge of the musicals booked for Thursday night of this week, at which the noted baritone, Emilio DeGogorza, was to be heard for the first time this side of Portland, received a telegram early yesterday stating that the Spanish vocalist was confined to his room with laryngitis and it would be quite impossible for him to render his St. John programme as scheduled. His manager asked for a new date.

Naturally the sudden announcement will cause much disappointment, but at the time of writing telegraphic arrangements are being made to hold the concert at an early date. Persons holding reservations are requested to await the announcement of the new booking, which should be in a very short while.

CIRCUIT COURT. Eleven cases were entered upon the docket of the January sitting of the Circuit Court, which opened yesterday morning, with His Honor Judge McKewen presiding. Seven are jury cases and four non-jury. After roll call of the jury and the entering of the docket, the Court adjourned until 10 o'clock this morning.

The docket is as follows: Raymond vs. Thomas—D. Mullin, K. C. Mahoney vs. Rubin—J. A. Barry. This case was set over until the next session.

Harris vs. Garson—R. A. Davidson. Fletcher vs. Wetmore—G. H. V. Boyle vs. Killam—J. A. Barry. Non-Jury.

Wheaton vs. Sheffield Coal Co.—F. R. Taylor, K. C. Bradbury vs. Waterbury—M. B. Innes. Smith vs. Tennant—E. P. Raymond. Anderson vs. Burley—D. Mullin, K. C.

ST. JOHN WOMAN MAKES DISCOVERY

Finds Out Wonderful Qualities of "Livrite Tonic"—Here's Her Letter.

That she owes her recovery after months of ill-health, in which she suffered from the various ailments of a run-down system, to the splendid qualities of "Livrite Tonic" is the assertion made by Mrs. May Jordan, who lives at 20 Brunswick street here. "It was a hard task for me to be about the house," she writes. "I was weak and nervous. Every little thing irritated me. If I tried to do even ordinary household work I would feel very much and I would have to rest. Some one told me it was probably my liver which was at fault because of the symptoms shown. I tried various liver remedies, but none helped me until I began taking 'Livrite'."

"After I had been taking it just a short while I noticed my strength coming back. I seemed to be more lively, more active, and my headaches, dizziness and weariness went away. My appetite, which had fallen off, came back and every day now seems to make me better. I feel safe in saying I can thank 'Livrite Tonic' for this improvement and I would not be without it in the house."

"There are many more like Mrs. Jordan whose condition can be improved by this wonderful medicine. It can be had from almost any reliable druggist, but if you can't supply you, send his name or one dollar to the Maritime Drug Co., 108 Prince Wm. Street—(Adv.)"

SEARCHING FOR YOUNG HEIRESS OF CHICAGO Has Been Missing Since December 30—Brother Carrying on Search Has Also Dropped Out of Sight.

New York, N. Y., Jan. 12.—An international aspect was given today to the search for Miss Jeanne De Kay, a young heiress, who disappeared from her home in Chicago on December 30th. Her brother, John Wesley De Kay, Jr., it was learned, who is also listed among the missing, dropped out of sight in an attempt to trace two Roumanian ladies with whom, it is stated, the missing sister had been friendly. The women in question had left their hotel saying they were going abroad. An organized search of the entire city is being made under the direction of Judge Thomas Z. Lee, of Providence, R. I., counsel in this county for De Kay, sr., of Lucerne, Switzerland. John W. De Kay, the father of the missing brother and sister, is unable to come to this country to look after his children, as he has been under an indictment by a Federal Grand Jury here for complicity in the misapplication of funds of the Atlantic National Bank.

Easy to Make This Pine Cough Remedy Thousands of families swear by the prompt results, inexpensive, and saves about 2c. You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose. Pine cough syrups are combinations of pine and syrup. The 'syrup' part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, put 1/2 oz. of Pinex (50 cents worth) in a 16-oz. bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make it more than you can buy ready-made for \$2.50. It is pure, good and very pleasant—chewy and easy to swallow. You can feel the take hold of a cough or cold in a way that means business. The cough may be very hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same, the membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment. Pinex is a highly concentrated compound of genuine New York Pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes—ask your druggist for '2 1/2 ounces of Pinex' with directions of use. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.
