6. A lane running parallel to and between Park street and King street and extending from the north limit of Clifford street to the south limit of Chippewa street.

632979 From our information this parcel contains in all 6.329 acres. We expect that the bylaw closing these streets will be passed as soon as the time has expired for the necessary publications, after which, we will forward you a copy.

In the meantime we would like to arrange for the purchase of the portions of the streets so to be closed by the City and would be glad to have you advise us of the price the Government will require for these portions of streets. Section 472 of the Consolidated Municipal Act of 1922 requires that we obtain the consent of your Department before the Bylaw is passed and we would appreciate receiving the same at your early convenience.

Very truly yours,

Leslie M. Kirby
