ANY WOMAN'S STRUGGLE FOR
GOOD HEALTH QUICKLY
REWARDEDA Simple Home Treatment Now
Advocated That Gives Fine
Results

When a woman's face grows hag-
ard and pale, when she is tired all
day and ready to cry when night
comes, she ought to now something
is wrong.

Putting off only makes matters
worse. The best advice we can give
any sickly woman is to test out the
following treatment.

At the close of every meal, with a
cup of tea or water, take two cho-
colated Ferreroz Tablets. This
seems to be the best thing going for
folks that are tired out, run-down and
in need of a strengthening, building-
up medicine.

Ferreroz's action aids the three
principal functions of the body—dis-
gestion, assimilation, elimination.

By strengthening digestion it forms
an abundance of rich, red blood—this
is a good color.

By perfecting assimilation, Ferreroz
supplies nutrition—this gives
strength, vim, stability.

Elimination is assured because Ferreroz
quickens the action of the
liver, kidneys and bowels—this quick-
ensures the maintenance of vigorous
health.

Ferreroz puts you on the right
road—the one that leads to health.

Not a man, woman or child need
be blood, vigor, endurance—not a
person who is weak, nervous or sick-
ly—not a person in ill-health who
can't receive immediate help from
nature.

As a tonic and restorative, as a
health-bringer and body-builder, Ferreroz
is unrivalled. It cures because
it feeds and nourishes, because it
contains the elements that build up
and strengthen. Try it yourself—

Judgment Reserved

Referring to the hearing of the Grand
River Railway's application before the
Dominion Railway Commission at Ham-
ilton yesterday City Solicitor H. J.
Sims who attended the sitting on be-
half of the city this morning said that
judgment on the application was re-
served.

It is thought, however, that the
application to change the route of the
company's freight line will be granted
but on the question of senior rights no
prediction can be made.

Case Adjourned

In police court this morning, when
a big audience was present, a charge of
illegally selling liquor was heard against
Mr. N. Kelly, liverman. The charge
followed the statement in Court two
days ago by Mr. Frank Mariele that
he secured liquor from Mr. Kelly at
his livery barn, he having been up on
a charge of being under the influence
of liquor.

Mr. Kelly denies the charge stating
that Mariele last Saturday evening
came to his barn and asked him for a
drink as Mariele was pulling out a
bottle of liquor. He refused to take
a drink.

The prosecution represented by Mr.
H. J. Sims, produced three witnesses,
Frank Mariele, a Hoffman boy and
Nelson Trupp, another lad. The de-
fence, represented by Mr. E. W. Mac-
Kenzie, Waterloo, called as its witness-
es, Mr. Albert Stricker, Mr. George
Twaits, Mr. John Schoedewitz and
Mr. N. Kelley.

The case was adjourned until next
Monday.

HATS OFF TO THE

LAF LOT GIRLS

The dances given by the Laf Lot
Club, at Bridgeport Casino, Tuesday
Evening, was one of the prettiest and
most effective held for some time.
The color scheme being carried out in
orange and black. Large Pumpkin
faces with weird expressions were
peeping from all corners. On the
walls windows and five places were
to be seen numerous cats, owls, and
witches. The stage looked very
spooky in orange and black with a
large moon with travelling through
artificial clouds. Krug's Seven piece
orchestra in their grotesque costumes
added very much to the spookiness.
Special mention must be made of the
Snow Storm, Aurora, Serpentine, and
Balloon waltzers. The Judges found
it very difficult to select the most
winning Costume, as there were so
many quaint and costly ones. A
young lady wearing a Colonial cos-
tume of Russel Brown Plush and
satin, took first prize, a French
Ivory jewel case. Mr. Walter Irig
in a Colonial Costume of white satin
and blue broadcloth took Gentle-
man's first prize—a fountain pen.
Mrs. Engle in a funny clown costume,
and Mr. Bill Phillips as "Issy" took
the prize for Comic costumes. Mrs.
Engle receiving a pair of candle
sticks, and Mr. Phillips a Silver
Pencil. Mr. Fred Musselman who
received the lucky number No. 213 in
prize drawing was awarded a Kewpie
Doll.

While the girls served a Buffet
Lunch, Miss Ruby Ostello and Violet
Smith favored the large crowd with
a quaint old Cake Walk.

Visitors from out of Town were
many although the roads for motor-
ing were not at their best.

City woodpile has disappeared.
Galt has disposed of all the wood
which it purchased last winter to
safeguard citizens against a short-
age of fuel. With coal hard to get
a year ago, the City Council purchased
about 325 cords of wood which
was hauled into the Market Square
where it was put up into stove lengths.
Fortunately last winter was a mild
one and there was no great shortage
of fuel, with the result that the mu-
nicipal wood sold slowly. The sale,
however, was steady and yesterday
the last of the wood pile disappeared
and now the Square will be cleaned
up and put in a tidy condition. While
the price of wood took a decline and
the city was forced to bring down
the price of its fuel, the loss sustained
has been a very slight one.

of the groom, and Miss Caroline Gerth,
a sister of the bride. After a honey-

Suggestion to Extend Preston
Park

A number of Preston citizens like
to see the Park Board purchase the
property adjoining Central Park and
which is known as the Baltzer prop-
erty adjoining Central Park and
is one of the finest parks in the
county, its only fault being that it is
too small. The Park Board has a
chance to buy the Baltzer property and
dismantle the old buildings on it
and not only improving the park but
doing away with some decrepit
buildings which are a disgrace to
the business section of the town.
Visitors to Preston remark of the
many old buildings on it main their

adjoining Central Park is 66 feet
wide and extends from King to Duke
street.
