STRENGTH DECLINES AS AGE ADVANCES FOLLOW SUGGESTION

So many women grow old before their time, perhaps your wife or sister. A little while ago, buoyant, full of vigor and activity—she enjoyed life and imparted pleasure to the whole family; but now in a few short years she has faded and lost color and strength. She is just ready to develop some disease that will further weaken and debilitate. You remember how it began, failure of appetite, tired in the morning, found household burdensome, always nervous and a little irritable. It's a shame to let her go down hill further when you can build her up so quickly with Ferrozone. The change this nourishing tonic makes in a weak woman is surprising. It gives great rest for food, increases appetite and digestion enormously. The blood gets richer and stronger, and adds new life to every organ in the body. A rebuilding process works through the entire system. The first week will show an improvement, and a month or two will follow up the thinnest most run-down woman you can think of. Take Ferrozone for loss of color, for nervousness, for weakness, use it when run-down and feeling poorly. It will do you more lasting food, keep you in better health, then anything else. Just as good for men and children, too, because Ferrozone is harmless and safe, 50c per box or six for \$2.50 at all dealers, or direct by mail from the Catabrozone Co., Kingston, N.Y.

TALKING IT OVER

With Lorna Moon

"TEACHING THE YOUNG IDEA"

The weatherman had changed his mind, and instead of the lovely sunshine we had expected, he sent us snow flakes, higher every one and a wind to drive them all over the place. "Oh well, if we can't golf, let us chin," said the Journalist. "I vote that we light the fire in the grate," said the Teacher. So we gathered round, and as usual the Teacher held the floor with stories of her "children" and other Teacher's children.

old man, Eli was very sick, and brought up Samuel.

"But my favorite story is the one about the nine year old student of anatomy, who, when asked to write a description of the human body turned in the following: 'The body is divided into three parts. These are the head, the trunk, and the limbs. The head contains the brain, if any; the trunk contains the heart, the liver, the lungs and the vowels A, E, I, O, and U; the limbs are often shot off.'"

"I was teaching a junior class in simple division one day and had left them with a problem to work out. There was a silence for a short time as they struggled with it, then a distressed voice piped up 'please Teacher, I can't do my gossamer' the trouble, of course, was six goes into—"

"I remember once spending an hour giving an object lesson on the camel, telling of its endurance on the desert, and of the peculiar cushioned structure of its feet, which made walking on the hot sands possible. I was shocked the next day to have them give me the

following answers to my questions. "The camel doesn't need to drink water when it is on the desert, when it is hungry it turns around and takes a bite of its hump. The camel's owner ties cushions on its feet before they start out. And when I asked them to tell me the name of the man who drove the camel, and hinted that it began with A so that I would recall to memory the word Arab, one of them promptly answered "ANASIS".

His Business

"Then you insist that the officer arrested you while you were quietly attending to your business?" inquired the judge.

"Yes your honor. He caught me by the collar and threatened me with horrible things unless I accompanied him immediately to the police station."

"Hum," remarked the judge. "And you say you were quietly attending to your business at the time, making no noise or commotion of any kind."

"Certainly your honor."

"Again the judge looked doubtful. "And what is your profession?"

"I'm an appropriator, your honor."

"An appropriator? Of what?"

"Of other people's possessions, your honor. The newspapers perhaps would describe me as a burglar."

Pennsylvania

Man Thankful

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—

Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body, as it clung to the spot, no matter what position I was in. It would be a veritable God-send to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They would certainly never regret it.

My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. I am,

Yours very sincerely,

JAMES A. BRITTON, 80 Spring St., Bethlehem, Pa.

Soundly Cured at the age of 81

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—

Less than a year ago I sent to you for an Appliance which came promptly. I at once put it on and it fitted perfectly. I have worn the Appliance not quite ten and one-half months. It has cured my rupture. I tried the other day while the Appliance was off, to see if I could force anything out of the opening to make a break there, but I could not, though I tried hard.

Now I think this quite remarkable, as I am in my eighty-first year. I am an old veteran of the Civil War, born and raised in the town of New Boston, N. H., from which place I enlisted in the 10th N. H. vol. Inf. in Co. C.

The Above is C. E. Brooks, Inventor of the Appliance. Mr. Brooks Cured Himself of Rupture Over 30 Years Ago and Patented the Appliance from His Personal Experience. If Ruptured Write Today to the Brooks Appliance Co., Marshall, Mich.

Remember

We send our Appliance on trial to prove what we say is true. You are to be the judge. Fill out free coupon below and mail today.

Others Failed But the Appliance Saves

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—

Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We let him wear it for about a year in all, although it cured him 3 months after he had begun to wear it. We had tried several other remedies and got no relief and I shall certainly recommend it to friends, for we surely owe it to you.

Yours respectfully,

WM. PATTERSON, No. 717 S. Main St., Akron, O.

Ten Reasons Why You Should Send for Brooks Rupture Appliance

1. It is absolutely the only Appliance of the kind on the market today, and in it are embodied the principles that inventors have sought after for years.
2. The Appliance for retaining the rupture cannot be thrown out of position.
3. Being an air cushion of soft rubber it clings closely to the body, yet never blisters or causes irritation.
4. Unlike the ordinary so-called pads, used in other trusses, it is not cumbersome or unsightly.
5. It is small, soft and pliable, and positively cannot be detected through the clothing.
6. The soft, pliable bands holding the Appliance do not give one the unpleasant sensation of wearing a harness.
7. There is nothing about it to get foul, and when it becomes soiled it can be washed without injuring it in the least.
8. There are no metal springs in the Appliance to torture one by cutting and bruising the flesh.
9. All of the material of which the Appliance is made is of the very best that money can buy, making it a durable and safe Appliance to wear.
10. Our reputation for honesty and fair dealing is so thoroughly established by an experience of over thirty years of dealing with the public, and our prices are so reasonable, our terms so fair, that there certainly should be no hesitancy in sending free coupon today.

Rupture Healed in Four Months

21 James St., Dubuque, Iowa.

Mr. C. E. Brooks, Marshall, Mich. Dear Sir:—The baby's rupture is altogether cured. Thanks to your Appliance, and we are so thankful to you. If we could only have known of it sooner, our little boy would not have had to suffer as much as he did. He wore your brace a little over four months.

Yours very truly,

ANDREW EUGENBERGER.
